Your payments must be in clear and immediately available funds that no third party can claim any right to and be made in the relevant currency or as specified by us. All payments must be made to the account we specify.

What does "set-off" mean?

This is the right that one party (Party A) has, to use amounts they are owed by another party (Party B), to pay off amounts they (i.e. Party A) may owe to Party B.

What does "clear and immediately available funds" mean?

Money available for you to use, which, once you pay to us, no one else will ask us to return and will not be reversed or dishonoured for any reason.

Amounts you owe us may include:

- (a) any fees, charges or commissions in relation to a Service;
- (b) any interest which you may be charged for facilities or when your Accounts become overdrawn;

We may be required to deduct certain amounts from your Accounts to pay other parties. These may include:

- (a) government fees and charges arising from your Tax obligations;
- (b) amounts required to be paid to any Authority under applicable law; and
- (c) amounts required to be paid under a court order or equivalent.

8.3 When can we take money from your account

We may deduct money from your Accounts (even if this makes your Account overdrawn) to pay amounts you owe us. We may charge interest on any amount due under the Agreement at a rate we reasonably decide from the due date to your actual payment date.

9. GENERAL COMPLIANCE

Besides your obligation to comply with the Regulatory Compliance Statement, the following terms and conditions are applicable to your relationship with us:

As part of your use of an Account or Service, you must comply with all applicable laws.

9.2 **Our general obligation to comply with law**

Nothing in the Agreement obliges us to do or omit to do anything if it would or might in our reasonable opinion constitute a breach of any applicable law. If we are served or issued with any court order or any directives issued under law by any Authority, we will act in accordance with them and you must not commence proceedings against us in relation to our actions.

9.3 **Intermediaries**

If you are an intermediary acting for a third party, you represent to us that you have:

- (a) satisfactorily performed all “*know-your-customer*” and other anti-money laundering activities in accordance with any applicable law and your policies (including verification of the third party’s identity and source of funds and nature of such third party’s transactions); and
- (b) appropriate processes to detect and report any suspicious activity involving the third party.

You confirm that you will keep the information obtained above up to date.

We may close an Account or terminate the whole or any part of a Service **immediately** without prior notice to you:

- (a) if you breach any term of the Agreement;
- (b) if you or any security provider or any of your or the security provider’s revenue or assets are the subject of any Insolvency Proceedings;
- (c) if it is or it is likely to become unlawful for either you or us to perform our respective obligations under the Agreement;
- (d) if complying with the Agreement may cause us to breach our policies or any applicable law;
- (e) upon the occurrence of any circumstance affecting you or the Account or Service which we reasonably consider exceptional; or
- (f) if you are a sole proprietor, the sole proprietor dies or becomes mentally incapacitated.

10.3 **We may suspend**

We may immediately suspend your Account or the whole or any part of a Service at any time. This can be for a variety of reasons, including:

- (a) to comply with a court order or otherwise comply with any applicable law;
- (b) where we reasonably believe you or someone else has used, or is using or obtaining, or may use or obtain, an Account and / or Service or money illegally or fraudulently (including money laundering, funding terrorism, or tax evasion);
- (c) a Force Majeure event is continuing; or
- (d) you fail to comply with any part of the Agreement.

If we do and where we are allowed to notify you under applicable laws, we will notify you as soon as we can. We may also remove the suspension at any time or exercise our discretion to act accordingly, including paying funds in your Account to you or to the bank or person which deposited funds into your Account, or seeking directions from the court in relation to the funds in your Account.

10.4 **You may suspend**

If we receive your request in writing, we will suspend an Account or the whole or any part of a Service. We will require a reasonable amount of time to act on your request.

10.5 **Instructions prior to termination or suspension**

A party’s accrued rights and liabilities, including any Instruction given or any transaction made prior to or at the time of termination or suspension will not be affected by such termination or suspension.

10.6 **What happens after termination?**

Upon closure of an Account or termination of a Service or a transaction, you must:

- (a) return any materials relating to the Account, Service or transaction we gave you;
- (b) promptly follow our reasonable instructions in connection with the closure of the Account or termination of the Service or transaction, and certify to us in writing that you have carried out what we have reasonably requested; and
- (c) pay us promptly all amounts you owe us, including overdrawn amounts (if any), interest, costs, expenses, commission and any other charges you owe on the Account or for the Service or transaction.

These provisions will not affect any other termination rights set out in the Agreement.

If your Account is closed and you have a credit balance, we will pay you the balance (after deducting any amount you owe us) using a Payment Instrument sent to the last address we have for you in our records or in any other way we decide.

IMPORTANT

The Agreement will continue to apply until you and we have met all of our respective responsibilities.

11. SPECIFIC ACCOUNT TERMS

11.1 Account Maintenance

For any Account you open with us, we may specify limits on how much you need to have in your Account, the types of currencies that we may accept, as well as our usual charges, commission and interest rates and any other requirement we may tell you about.

11.2 Conversion of Account

There may be times when we may need to convert one type of Account into another type of Account and we will inform you before we do this.

For example:

We may have to do so in connection with our business requirements, or if you change the nature of your business.

11.3 Account mandates

You must provide us with your mandate authorising your Authorised Persons to operate your Account, including their full names and specimen signatures. We will tell you if we cannot accept any Authorised Person due to our policies or any applicable law.

You may provide us with a new mandate (or equivalent) at any time. We may continue to rely on an existing mandate until we have updated our records in accordance with your new mandate. If we cannot process your new mandate, we will notify you as soon as we can.

11.4 Deposits

We will credit money paid into your Account in a currency we accept and in an amount equivalent to the cash deposit. We may charge you for certain methods of payments at rates which we will inform to you. The date the money is received as payment into your Account will depend on current market practice or as per our normal banking practice.

If payment into your Account is made by any method other than a cash deposit (for example, cheques) or through a domestic or international transfer of funds, we **do not** have to credit your Account before we actually receive the funds. If we credit your Account before receiving the funds, this will be on the condition that we subsequently receive the funds, and we will deduct the money from your Account if we do not subsequently receive the funds. You represent and warrant that you have full legal title to such deposit and accept full responsibility for the authenticity, validity and correctness of signatures, endorsements and particulars appearing on the relevant Payment Instrument.

If the deposit slip contains errors or omissions, we may amend the deposit slip. Our amended version is conclusive for all purposes.

Any amount standing to the credit of an Account is only repayable at the Service Location where such Account is maintained.

11.5 Withdrawals and payments

We will only allow a Withdrawal from an Account where:

- (a) there are sufficient available funds in the Account for the Withdrawal (unless we decide, in our discretion, to allow an overdraft);
- (b) your cheque (if used) is drawn and properly completed in our prescribed form; and
- (c) the Withdrawal is made at the Service Location where the Account is maintained.

You can only withdraw money from your Account in ways which we accept or agree to. If you ask, we may allow you to withdraw funds in a different currency from the currency in which your Account is held at our applicable prevailing exchange rate at the time you withdraw the money.

If you want to withdraw a substantial amount of cash in a specific currency, this will depend on the cash we have available in that specific currency. You may have to give us reasonable notice beforehand.

We may not allow you to withdraw money from your Account, and we may not carry out any transaction or any matter relating to your Account if:

- (a) your Account is closed or suspended;
- (b) it would for any reason breach any applicable law; or
- (c) we decline your Instructions in accordance with the Agreement.

11.6 Transferring funds

We may accept an Instruction to transfer funds between your Account and any other account belonging to you or any other person which is maintained with us or any other person (assuming we have the necessary arrangements in place).

You are responsible for making sure you give us the complete and correct information (including details of the account you want to transfer funds to). If your payment Instructions identify the payee both by name and by an identifying / account number, we, any member of the Standard Chartered Group and / or any third party service provider who receives your payment Instructions may process such payment Instructions solely based on the identifying / account number without reference to the intended payee's name.

We are **not** responsible for and have no duty to check any information you give us in your payment Instructions.

You authorise us to send your payment Instructions on your behalf to payment intermediaries and other third party service providers, so as to carry out your payment Instructions.

We may set limits on transferring funds (for example, on the amount to be transferred or on how often you use the Service).

A third party service provider may charge commissions, fees or other charges in making a payment to an account nominated by you. Those commissions, fees or other charges may be deducted by the third party service provider from the funds paid to the beneficiary account, or they may be passed on to us. If any commissions, fees and / or other charges are passed on to us, then you will be required to reimburse us for these commissions, fees and / or other charges.

11.7 No granting of security over an account

You must remain the owner of all credit balances held in an Account (unless we agree and acknowledge otherwise). You should let us know if you want to grant any rights, security or other interest in an Account to any third party. We may decline to allow your request.

11.8 Payment instruments (including cheques)

The following additional terms and conditions apply to Payment Instruments:

- (a) **Cheque books:** You are responsible for cheque book(s) sent to you even if someone else receives or uses them;
- (b) **Payment instruments:** You are responsible for and agree to indemnify us on demand for any Loss we incur where we have acted on a Payment Instrument, even if: (i) someone else sent the Payment Instrument but it appeared that you sent it; (ii) there was a mistake in the Payment Instrument; or (iii) there were delays when the Payment Instrument was sent or received;
- (c) **Stopping cheques:** If you want us to dishonour any cheque that you have drawn on your Account, you must notify us in writing as soon as you can and provide all relevant information. We will try to stop or cancel the transaction but we will not be responsible if we cannot do so (including where the cheque has already been honoured); and
- (d) **Stopping cashier's orders / demand drafts:** once we have issued a cashier's order / demand draft pursuant to your Instruction, we will not be able to cancel the cashier's order / demand draft except in limited situations.

11.9 Payments made after we close an account

If we process a Withdrawal after your Account is closed, you agree to pay us back such amount on demand.

11.10 Clawbacks

We may cancel, reverse or debit any payment we make under the Agreement or in connection with any Services (including any interest paid):

- (a) to correct a mistake;
- (b) where we have not received clear and immediately available funds in full or promptly;
- (c) where we are required to return the funds to the relevant payer or drawer; or
- (d) where we have reasonable grounds for doing so.

11.11 Interest on credit balances

We will pay you interest on your Account credit balances where we have expressly agreed to do so. We will not pay you interest on any unclaimed credit balance in a closed or suspended Account or an Account we have listed as dormant.

Negative interest rates may be applicable (in which case interest is payable by you to us) or a fee may be payable by you on your Account credit balances.

Any interest or fee payable will be at the rate we notify to you or as displayed at the branch at which your Account is held.

11.12 Account statements and your obligation to check

In accordance with our usual procedures in the Service Location, we may send you Account statements, confirmations and advices through the post, an appropriate Channel or by any other method we have agreed with you.

You must check your Account statements, confirmations and advices carefully. You must tell us in writing of any mistakes or unauthorised transactions as soon as possible and no later than **thirty (30)** days of the document date (or such other period specified in the relevant statement, confirmation or advice). If you do not report any mistakes or unauthorised transactions to us within **thirty (30)** days of the document date (or such other period specified in the relevant statement, confirmation or advice), we may treat the document as correct.

If you do not receive any Account statements, confirmations or advices from us, please contact your relationship manager.

11.13 Overdrafts

The following additional terms and conditions apply to overdrafts:

- (a) **No unauthorised overdrafts:** Your Account must not be overdrawn. If you have an overdraft limit, you must not exceed it;
- (b) **Overdraft requests:** Any overdrafts we approve for an Account may be subject to additional terms. Overdraft limits may be cancelled at any time;
- (c) **Automatic overdrafts:** If we allow your Account to be overdrawn without notifying you, this section on Overdrafts will apply;
- (d) **Repayment on demand:** You must repay any debit balance on an Account on demand; and
- (e) **Interest:** We will charge you interest on all overdrafts. Interest will accrue on a daily basis at the applicable prevailing rate we notify to you from time to time and is calculated in accordance with our usual practice in the Service Location.

11.14 Virtual account numbers

If you request, we may provide you virtual account numbers linked to your Account, to facilitate your reconciliation of deposits to or payments from the linked Account. If we do, we can send you Account statements showing deposits to or payments from the linked Account made by reference to the relevant virtual account numbers.

11.15 Time deposits

(a) **What is a time deposit?**

Time deposits are deposits that you have agreed to maintain with us for a fixed period of time in order to benefit from the full range of their features. Time deposits may also be referred to as "Fixed Deposits", so a reference to time deposits in this booklet will also include reference to fixed deposits.

(b) **How do we calculate interest for a time deposit?**

Interest on a time deposit is paid at a rate that is agreed at the time that you sign up to a time deposit. Interest rates are generally determined by the size and term of the time deposit and are notified to you from time to time. You can contact your relationship manager if you need more information on the applicable interest rates and corresponding terms.

Interest on a time deposit is calculated in line with our usual business practices in the relevant Service Location and accrues daily on the basis of a 365-day year (for time deposits denominated in GBP, HKD, SGD, ZAR and any other currency we may designate from time to time) or a 360-day year (for time deposits denominated in other currencies) or such other day year basis as we may determine from time to time in both ordinary and leap years, in accordance with applicable convention. It is paid at the end of the term, when the time deposit matures.

(c) What happens on maturity of the time deposit?

If a time deposit is due to mature on a day that is not a Banking Day, then maturity will be on the next Banking Day, unless that day falls in the next calendar month, in which case the time deposit will mature on the preceding Banking Day.

For the purposes of time deposits, the definition of Banking Day does not include public holidays for the Service Location or the public holidays of the country of the Account currency. You can contact your relationship manager if you need more information.

For money you have deposited into a time deposit which is not set up to automatically renew, you need to tell us what to do with the money on or before the maturity date. If we do not hear from you, we may deposit your money, and any interest it has earned, into another time deposit for the same term as the original time deposit, applying the prevailing interest rate which applies to such time deposit (or any other rate as we may decide).

For time deposits which are set up to renew automatically, we will automatically re-deposit the amount, and any interest it has earned, when it reaches the maturity date. This will be re-deposited for the same term and at the interest rate which applies to your deposit at the time (or any other rate as we may decide), unless you tell us otherwise and before the maturity date (or such other date we may specify).

(d) Can you withdraw from the time deposit early?

Unless we receive written instruction from you, time deposits may not be withdrawn before the maturity date.

We may allow you to end or withdraw a time deposit early, but you will have to pay the charges, fees and costs calculated in accordance with our usual practice in the Service Location and we may not pay all the interest accrued if you make an early withdrawal.

(e) Application forms

You may be required to submit an application form to apply for a time deposit with us.

IMPORTANT

Our time deposit / fixed deposit application form may refer to "*Time Deposit Terms*", "*Terms and Conditions for Fixed Deposits*" or the equivalent. These references will be interpreted to refer to **Part A (Standard Terms)** and the other applicable terms and conditions of these General Banking Terms and Conditions.

12. OTHER TERMS**12.1 Currency conversion services**

We may make currency conversions: (i) in respect of any amount received by us from you or due to you from us; or (ii) arising from your Instructions using our applicable prevailing exchange rate.

For example:

- We may need to convert the currency of the money to be deposited into an Account because it differs from the currency in which your Account is held;
- we may act on your Instructions to withdraw money in a different currency from the currency in which your Account is held;
- we may act on your User's request under Straight2Bank Services to make a currency conversion; or
- if a country restricts the availability or transfer of its currency, we may designate that any payment to us be made in another currency we reasonably consider to be appropriate. Similarly, if we cannot pay you for this reason, we may discharge our obligations by paying you in any currency and in such manner as we may reasonably consider to be appropriate.

Settlement by us of the currency conversion transaction will be within **two (2)** Banking Days. You must pay our usual charges for such conversions.

If a part or the whole of a currency conversion transaction is terminated or cancelled, you will be liable for the costs of and / or any Loss arising from the unwinding (of a part or the whole, as the case may be) of the currency conversion transaction.

For example:

If your User requests for a currency conversion on payments from third parties to you and / or from you to third parties under Straight2Bank Services, and you subsequently do not follow through with the payment transaction, we may charge you unwinding costs when we cancel the currency conversion.

12.2 Reporting services

We may furnish you with any data, report, statement or information requested by you in connection with an Account or Service by such means, and with such frequency, as we may agree with you.

Certain Services involve us collating and / or reporting to you, data that we receive on your behalf, from various potential sources, including you, your clients, card companies, networks and interchanges, merchant acquirers, mobile wallet providers and other electronic payment intermediaries and service providers. Such data may include payer identity, invoices, payment advices and electronic payment transaction details. We may receive such data through potentially less secure channels, susceptible to imposters, interception and other transmission interference. We have no duty to check the authenticity, accuracy and completeness of such data.

12.3 Additional collection services**(a) What does "collection" mean?**

"Collection" refers to the process where we obtain or try to obtain payment in clear and immediately available funds from the relevant drawer or payer.

(b) **What collection services do we offer?**

In addition to cheque deposit processing and inward electronic transfer of funds via various clearing channels, we also offer a range of different value propositions to each client in accordance with their unique collection requirements. You can contact your relationship manager if you need more information on our range of collection services.

Provision of each collection service is at our discretion. Our provision of one or more collection services **does not** require us to provide you with any other collection service.

(c) **Additional requirements for certain collection services**

- (i) **Liquidity financing:** In connection with a collection service, we may, at our discretion, extend to you liquidity financing in an amount equal to all or a portion of a Payment Instrument or Direct Debit Instructions that we are collecting, or may collect, for you in advance of such Payment Instrument's or Direct Debit Instructions' collection and / or clearing.

For example:

- we may offer you liquidity financing for cheques (including post-dated cheques) we are collecting for you, up to the date a cheque is collected and cleared; or
- we may offer you liquidity financing in connection with Direct Debit Instructions (see the below section under this part – “Other terms – Additional collection services – Additional requirements for certain collection services – Direct Debit Processing Services”). If we do, we will credit you in advance with the amount to be received from the payer's bank under Direct Debit Instructions.

Each such extension of liquidity financing, whether in the form of a purchase and / or a credit advance, will be with full recourse to you.

What does “with full recourse to you” mean?

This means that even if the underlying Payment Instrument or Direct Debit Instructions are not successfully collected or cleared, you must repay to us the full amount of financing extended to you, on the scheduled payment date of the underlying Payment Instrument or Direct Debit Instructions (i.e. the date on which it would have been collected and cleared in the ordinary course of business).

You agree to pay when due all fees, interest and other amounts that we may charge for any such extension of liquidity financing. We will notify you of such fees, interest and / or other amounts.

(ii) **Direct Debit Processing Services:**

Under this Service, we may permit you to send Direct Debit Instructions via various Channels. We keep track of your direct debit transactions through our system. We will report the status of failed direct debit transactions to you.

What does “Direct Debit Instructions” mean?

This means Instructions provided by you requesting us to arrange: (A) for the debit of a third party's account, maintained with us or another bank; (B) (if the third party's account is maintained with another bank) a funds transfer of the amount debited to us; and (C) for such amount debited or received by us to be credited to your Account.

Prior to commencing a Direct Debit Processing Service, the following conditions must be satisfied: (i) you must provide us with an authorisation mandate from each third party account holder whose account is proposed to be debited for the benefit of payment to your Account with us (such authorisation mandate must be in a form that is acceptable to us); and (ii) we must be able to satisfactorily verify such mandate.

You will not send any Direct Debit Instructions for a third party account until we notify you that the conditions specified above have been satisfied for that third party account.

You must immediately notify us and cease sending any Direct Debit Instructions with respect to such third party account if any authorisation mandate from a third party account holder is amended or revoked or is otherwise no longer effective.

- (iii) **Lockbox Service:** You will grant us and third party service providers designated by us, and you will authorise all applicable postal authorities to grant us and third party service providers designated by us, unrestricted access to all of your applicable post boxes and their contents, in order to perform the Lockbox Service. Such authorisation must be in a form that is acceptable to us.

- (iv) **Intellectual property:** You authorise, and will ensure that any third party whose authorisation may also be required also authorises, us and any third party service providers designated by us to use your name, trademarks and logos in connection with the performance of a collection service.

12.4 **Onsite cheque printing service**

(a) **What is onsite cheque printing?**

Onsite cheque printing allows you to print your corporate cheques at a location of your choice.

(b) **What additional terms apply to this service?**

If you wish to use this Service:

- (i) you need to obtain all equipment and stationery necessary for the printing of cheques (**Equipment**) directly from the Vendors or as otherwise specified by us. “Vendor” means a recommended third party Equipment provider as we may notify you. You will pay for all the costs and expenses in relation to the provision and delivery of the Equipment;
- (ii) notwithstanding that we may have recommended Vendors to you, or otherwise specified to you how the Equipment may be obtained, you agree that we make no representation or warranty, and we are in no way responsible for, the Equipment, the use of the Equipment or any Vendor;
- (iii) you are responsible for ensuring that the Equipment is not lost, replicated or misused. You must keep the Equipment secure and prevent any person (other than your Authorised Persons) from having access to the Equipment. You must inform us immediately if the Equipment is lost, replicated or misused;

- (iv) all Instructions to print cheques must be sent to us via a Channel agreed by us. After we have received your Instruction, we will send you an OCP Data File via the relevant Channel. You will only be allowed to print the cheque once using the OCP Data File. "OCP Data File" means a data file containing information that will be used in the generation of a cheque image;
- (v) in order for you to print a cheque from an OCP Data File, you will need certain Software. Before we make such Software available to you, we will provide you with additional terms and conditions governing the set-up and installation and use of Software, which will form part of the Agreement;
- (vi) an Authorised Person must notify us if a cheque has failed to print or has not been printed correctly. We will then resend to you the relevant OCP Data File via the relevant Channel; and
- (vii) you agree to bear any risks of, and we assume no responsibility for, duplicate cheques being produced as part of this Service or being banked or endorsed by us, by any correspondent bank or by any other person.

The following terms and conditions apply if you are a partnership:

13.4 Our rights to disclose

We may, in addition to any disclosure rights set out in the General Banking Terms and Conditions (see **Part B (Regulatory Compliance Statement)**), disclose any information provided by or relating to you:

- (a) to any actual or potential participant, sub-participant, assignee, novatee or transferee of our rights or obligations under any transaction between us (or any of its agents or professional advisers) and any other person in connection with a transaction or potential transaction between the parties; or
- (b) to any rating agency or credit bureau, or direct or indirect provider of credit protection (or its brokers).

13.5 You may not transfer

You may not assign, novate, transfer or otherwise deal with your rights and / or obligations under the Agreement without giving us prior notice and obtaining our prior approval.

13.6 Our rights to transfer

We may assign, novate, transfer or otherwise deal with all or any of our rights and / or obligations under the Agreement to anyone we choose and you agree not to object if we do this. If we choose to assign or transfer any of our rights and obligations under the Agreement:

- (a) you agree we do not have to tell you unless we have to under applicable laws; and
- (b) the person we have assigned or transferred the Agreement to can use our rights under the Agreement.

13.7 We may require security

Security means any agreement or arrangement in place to secure an obligation you may owe us. For example, this may include a mortgage, charge, pledge, lien or security assignment. We can rely on the security provided if you breach the Agreement and if we need to recover money you owe us. We may ask you to give us security for certain Services.

You agree that we can give information about you to anyone who has given us security for any Services. This information includes a copy of the Agreement, and information about the Agreement and you, including your financial position. You agree we can do this without contacting you.

13.8 Our proprietary information remains ours

Ownership of and all Intellectual Property Rights in the System Materials, Straight2Bank Services or our website remain vested in us or any other party we have contracted with. You must **not** change, decompile, reverse engineer or make copies or derivative works of any Software or incorporate third party software into the Software without our prior consent. Any such modification (whether approved or unapproved) will remain our property or that of our service providers. You must not interfere with any System Materials or information stored on them or transfer, share or sub-license the Software or any System Materials or copy them without our prior written consent. All licenses to use any Software are revocable, non-exclusive, non-transferable and subject to compliance with any additional licence terms as we may notify you for the particular Software provided. You will only use Software for the purpose for which we provided it to you and you must not use it in combination with other systems if it is not for the purpose of receiving the Service. You must not move the Software outside of the country where it was first installed.

13.9 Electronic dealings and contracts are recognised

Subject to applicable laws, Instructions, documents and communications which are: (a) digitally signed and supported by a Digital Certificate or Electronic Key; or (b) accepted via an electronic Channel (including click-through or any other form of digital authentication), have been authorised by you and will have the same legal effect, validity and enforceability as if signed in writing. We may rely on such acceptance without inquiry as to the authority of the person acting on your behalf.

13.10 What we do not cover under this Agreement

The Accounts, the Services and the System Materials are provided on an “as is” and “as available” basis and all terms, conditions and warranties, express or implied by applicable law relating to the Accounts, the Services or the System Materials, including quality, availability, security and fitness for purpose, are excluded to the extent permitted by any applicable law.

For example:

As electronic Services and systems are subject to interruption, Malware in your computer or device, man-in-the middle attacks, breakdown or failure for a variety of reasons, access to and use of Straight2Bank Services is offered on an “as is” and “as available” basis only.

13.11 We may have certain rights if you owe us money

We have the right to use amounts we owe you to pay amounts you owe us in full or in part. This right is called “set-off”. We may set-off any obligation you or any of your Affiliates owe us or any of our Affiliates against any obligation we owe you under the Agreement or any amount in any Account you hold with us. We may do anything necessary to effect such set-off (including varying the date for payment of any amount by us to you and making currency conversions).

For the purposes of set-off, “obligation” includes any obligation whether matured or unmatured, actual or contingent, present or future. If the amount of any such obligation is not ascertained, we may estimate the amount for the purposes of the set-off.

13.12 What are your and our tax obligations?

Each party agrees to deduct the amount for any Tax required to be deducted from a payment to the other party, pay Tax to the relevant Authority in accordance with any applicable law and give the original receipts to the other party.

If you are required to deduct any Tax from a payment to us, you must increase the amount payable so that we receive the amount we would have received if no Tax deduction had been required. If we are required to deduct any Tax from a payment to you, we do not have to increase the amount payable.

13.13 Appointing someone to receive court documents on your behalf

If we request, you must appoint a process agent as your agent to receive any document in a court action in connection with the Agreement and notify us of the name and address of the agent. We may appoint a process agent for you and notify you accordingly if you fail to appoint such agent within **seven (7)** Banking Days of our request.

13.14 Immunities or privileges do not apply

You waive any sovereign and other immunity you may have in any jurisdiction from legal proceedings, attachment before or after judgment or execution of judgment.

13.15 The right to vary

We reserve the right to change the Agreement or any Service at any time. We will notify you of such change and the effective date of such change. We can choose to contact you in a variety of ways, including:

- (a) write to you;
- (b) send you an email or sms; or
- (c) put up information about any changes in our branches or on our website.

Examples of when we may exercise this right includes:

- if we or the Standard Chartered Group are required to make a change due to legal or regulatory requirements;
- to reflect improvements to a Service; or
- to enable changes that are reasonably necessary for our other legitimate business purposes.

If you are not happy with the changes, you may request us to close the Account or you may withdraw from the Service in accordance with the Agreement.

NOTE: If you **do not** close the Account or withdraw from the Service after the effective date, we will treat you as having agreed to the changes.

13.16 **Entire agreement and non reliance**

This Agreement represents the entire understanding between the parties about the Service arrangements and replaces all previous agreements between the parties. This refers to a written irrevocable undertaking given by the *issuing bank* on the instruction of the *applicant*, in which the *issuing bank* undertakes to make payment to the *beneficiary* up to the stipulated amount within a prescribed time limit against stipulated documents and provided the terms and conditions of the letters of credit are complied with.

LCs may be payable when a *complying presentation* is made (a **Sight LC**) or payable on the *maturity* date after a pre-agreed period has passed (a **Usance LC**).

(a) **Issuing Letters of Credit:** We may issue a LC subject to:

TRADE SERVICE SUPPLEMENT – ISSUANCE OF LC / BACK-TO-BACK LC

- (1) **Advising and availability:** As the LC is a Trade Payment Instrument, we retain the right to *advise* and / or restrict the *availability* to *honour* or *negotiate* the LC to person(s) we specify. This applies even if you state otherwise in our application form;
- (2) **Honour and negotiation:** We will *honour* (for your account) all *complying presentations* and if so you will *reimburse* us as set out under the terms applicable to the issuance of Trade Payment Instruments. In line with the independent nature of Trade Payment Instruments, we may also reject any Discrepant documents under the LC, even if you instruct us to waive all discrepancies;

Honour or Negotiation – what does this mean?

Commercially, this is when we may “*discount*” the documents or drafts in favour of your seller.

Discrepant document – what does this mean?

We may refuse to honour a presentation or demand under a Trade Payment Instrument if any such document or demand does not comply with the Trade Payment Instrument terms. As the obligation is independent, we can refuse even if you accept or instruct to the contrary.

The following additional provisions apply:

The master credit refers to the original credit arrangement we use to support the issuance of a LC (the slave credit) for your account in favour of your suppliers.

- (c) **INCOTERMS CIF:** Where the master *credit* and the slave credit call for the application of Cost, Insurance and Freight terms (**CIF**) in accordance with Incoterms © 2010, we may, in the slave credit, stipulate an insured value plus an appropriate higher percentage to match the insured value plus percentage required by the master *credit*, to avoid the master credit being “*underinsured*”;

What is INCOTERMS CIF?

Incoterms® 2010 refers to the ICC publication setting out a set of rules for the use of domestic and international trade terms. "CIF" means Cost, Insurance, Freight as further defined in Incoterms 2010.

Unless we agree otherwise (or we have confirmed a LC issued in your favour), any *negotiation*, *prepayment*, *purchasing* or *incurring of a deferred payment undertaking* is with full recourse to you in all circumstances.

What does “full recourse to you in all circumstances” mean?

This means that if we have paid you any sums under the negotiation, prepayment, purchase or incurring of any deferred payment undertaking, we will be entitled to claim from you, payment for any shortfall (even if the shortfall is equivalent to the full amount) in any amount due from the *issuing bank*. For example, we can claim for any Losses which have arisen from events such as the bank being prevented or prohibited from converting an amount (in full or in part) from one currency into another fully convertible currency.

LENDING TERMS AND CONDITIONS APPLY: The Relevant Lending Terms will apply to these facilities (see the section under this part – “*Relevant lending terms*”);

- (b) **Negotiating, Prepaying or Purchasing in a different currency:** Where we have

- (i) *confirmed* a LC issued; or
- (ii) *negotiated*, *prepaid* or *purchased* documents *presented* under a LC on a without recourse basis,

and we have agreed to provide any *negotiation*, *prepayment* or *purchase* in a currency (for example United States Dollars – USD) which differs from the currency in which the LC is denominated (for example Chinese Yuan – CNY), we will have:

- (A) recourse to you for the principal amount (including interest) in the currency in which we have *negotiated*, *prepaid* or *purchased* (e.g. USD); and
- (B) for any loss arising from any event where we are prevented or prohibited in any way from converting any amount received (in full or in part), denominated in the currency in which the LC was denominated (e.g. CNY), into another fully convertible currency (e.g. USD) (as determined by us);

(4) **Collection Services under URC**

We may provide collection services under Uniform Rules of Collection published by the ICC (ICC Publication No. 522) (**URC 522**).

The following additional provisions apply:

- (a) **Handling of a collection:** Where we act as your *remitting bank*, please note that certain disclaimers set out in URC apply to protect banks. These disclaimers may be relied on by us from time to time;
- (b) **Checking for correctness:** Where we undertake *collection* on your Instructions, we are not obliged to check any documents presented. If we do check any documents and inform you of any discrepancies, we do so without any liability on our part unless otherwise stated; and

- (c) **Time for payment:** If payment is not received from the relevant *drawee* within **sixty (60)** days after we receive the first document(s) from you, we are discharged from all further obligations under the *collection*. We will attempt to recall the documents from the *collecting bank* or *presenting bank* and return them to you as soon as we can.

(5) **What if you need trade financing in light of the credit terms that you have provided to the buyer?**

Where you need trade financing to cover this period, we may provide you with financing against export bills.

The following additional provisions apply:

- (a) **Financing of export bills accepted by buyers:** We may provide trade financing where a *collection* instruction states that the commercial documents are to be released against acceptance (i.e. *Documents Against Acceptance (D/A)*);
- (b) **Financing of export bills avalised by an acceptable bank:** We may provide trade financing where a *collection* is on *D/A* terms and has been avalised by an acceptable bank; and
- (c) **Further assistance:** You agree that you will arrange for any bill of exchange to be endorsed in our favour or to our order at our request.

LENDING TERMS AND CONDITIONS APPLY: Where we grant you the above facility, we will set out the applicable terms such as pricing and maximum financing tenors in a facility letter provided to you from time to time. The Relevant Lending Terms will apply to these facilities (see the section under this part – “*Relevant lending terms*”).

(6) **What if you are trading on an open account basis (i.e. without a LC)?**

Export Invoice Financing: Where you trade on an open account basis, we may offer you export financing as evidenced by your invoice. We retain the right to inspect the original invoices and transport documents when required.

LENDING TERMS AND CONDITIONS APPLY: Where we grant you the above facility, we will set out the applicable terms such as pricing and maximum financing tenors in a facility letter provided to you from time to time. The Relevant Lending Terms will apply to these facilities (see the section under this part – “*Relevant lending terms*”).

TRADE SERVICE SUPPLEMENT – TRANSFER OF LC

(1) **What if you need transfer of LC services?**

Transfer of the LC: We may provide you with a Trade Service to *transfer* part or all of your final buyer’s LC to your own supplier. Your supplier can acquire its payment portion in exchange for the complying documents stated in the *transferable* LC. You, as the middleman, will be entitled to substitute your own invoice for the one of the supplier and acquire the difference as your own payment under the *transferable* LC.

The following additional provisions apply:

- (a) **Terms of the transfer:** We (the *transferring bank*) will *transfer* on your (the *first beneficiary*) behalf further to your Instruction. The UCP will govern the *transferable* LC. If there are any inconsistencies between the UCP and the terms under this section, the terms here will prevail;
- (b) **Original LC and amendments:** You must deliver to us the original *transferable* LC and any *amendments* that you receive. Unless you obtain our written approval, you must not inform the *issuing bank*, *applicant* or the transferee (the *second beneficiary*) of your acceptance of any *amendment* to the original *transferable* LC. Where all rights under the LC are *transferred*, we will advise the *second beneficiary* of any *amendments* even if we do not have your approval;
- (c) **Presentation of second beneficiary’s documents:** If you do not *present* documents or correct any discrepancies in the documents you deliver to us (within the time limits specified by us) under the *transferable* LC, we may *present* the *second beneficiary’s* documents directly to the *confirming bank* or the *issuing bank*;
- (d) **Waiver of LC rights:** You waive, in favour of the relevant *second beneficiary*, your rights in the *transferable* LC to the extent that it is *transferred* to the *second beneficiary*;
- (e) **Unconfirmed transferable LC:** We will only be obliged to pay you and the *second beneficiary* if we receive the corresponding payment from the *issuing bank* in clear and immediately available funds. We will pay the *second beneficiary* the amount of the *presentation* under the *transferred* LC, and you the remaining amount under the *transferable* LC;
- (f) **Transferable LC confirmed by us:** Upon our receipt of a *complying presentation*, we will pay the *second beneficiary* the amount of their *presentation* in accordance with the *transferred* LC. Upon your substitution and receipt of your *complying presentation* under the *transferable* LC, we will pay you the remaining amount in accordance with the *transferable* LC;
- (g) **Transfer of all rights:** Where you have *transferred* all your rights in the *transferable* LC to a *second beneficiary*, you agree not to require substitution of documents. You permit the *second beneficiary* to *present* documents directly to the *issuing bank* for the *transferable* LC; and
- (h) **Fees and charges:** Fees and charges for the *transfer* are generally payable by you prior to the *transfer*. Any *confirmation* fees or charges will only be payable by you upon our *confirmation*. Before our distribution of proceeds to the *first beneficiary* and transferees, we may also deduct any amount owed to us from any payment we receive from the *issuing bank*.

3.1 **What if presentation under a LC is not a complying presentation?**

Where the *presentation* under the LC is **not** a *complying presentation*, we may provide you with Credit Bills Negotiated Discrepant (**CBND**) financing.

LENDING TERMS AND CONDITIONS APPLY: Where we grant you the above financing, we will set out the applicable terms such as pricing and maximum financing tenors in a facility letter provided to you from time to time. The Relevant Lending Terms will apply to these facilities (see the section under this part – “*Relevant lending terms*”).

3.2 **Other LC Services**

- (a) **Confirmation:** We may add a confirmation to the LC so that you will have our definite undertaking to honour or negotiate a complying presentation. This separate undertaking is in addition to that of the issuing bank. This, however, is subject to the issuing bank permitting us to add a confirmation.

If we have added our confirmation and if the LC is available with us as a confirming bank, we will negotiate a complying presentation without recourse;

Honour or Negotiation – what does this mean?

Commercially, this is when we may “discount” the documents or drafts in favour of your seller.

- (b) **No confirmation permitted, but you want our commitment to Honour or Negotiate:** If the issuing bank does not permit us to add a confirmation, we may still provide our commitment to honour or negotiate drafts and / or documents drawn or presented under a LC (subject to a complying presentation) from an agreed date. This is subject to the following:
- (i) the LC is not transferable (but available with us or freely available);
 - (ii) you make the following representations:
 - (A) Each draft and / or document presented under the LC is valid, correct and genuine;
 - (B) Each draft and / or document presented under the LC represents amounts due to you further to your proper performance and / or supply of goods or services;
 - (C) You have complied with all applicable laws;
 - (D) You have not, and will not, assign, novate, transfer, dispose, grant a security interest or otherwise deal with your rights or obligations under the relevant LC or any related drafts or documents, goods or insurances, or in the proceeds of any of the above; and
 - (E) You have no knowledge of any pending or threatened dispute, including legal, equitable or arbitral orders, injunctions or other proceedings that may affect payment by the relevant issuing bank under the LC;
 - (iii) **you undertake as follows:**
 - (A) If we are not the advising bank, you will present the original LC (together with all amendments) and all documents which we may require to us (at our counters) as a condition precedent to our commitment described in this section;
 - (B) You will provide us with all amendments and undertake, upon acceptance of our commitment, you will not agree to any amendment to the LC without our prior written consent. We will have the right to withhold our consent to any amendment;
 - (C) You will notify us immediately of any dispute or proceedings, or of any default or refusal by the issuing bank to make payment under the LC or any draft drawn under the LC. We will have recourse to you where any delay, default or loss occurs as a result of a dispute in relation to the commercial contract between you and the applicant of the relevant LC;
 - (D) Upon us making payment under the LC, you will irrevocably and absolutely assign to us all rights, title and interest in, and claims for payment under, the LC and all related drafts or documents, goods and insurances, or in the proceeds of any of the above. You further consent and authorise us to take any legal proceedings (including the commencement of legal proceedings in your name or our joint names) in connection with the LC against any relevant person(s) (including the issuing bank and / or the applicant); and
 - (E) For any LC which we have made payment under, where you receive amounts from any relevant person relating to the LC (including an issuing bank or an applicant), you will promptly remit such amounts to us. For any amounts in the process of being remitted to us, you will hold such amounts on trust for our benefit;
 - (iv) we agree to assume the risk of any non-payment by the relevant issuing bank of a LC in respect of which we have provided our commitment, where such non-payment is caused solely and exclusively by:
 - (A) non-compliance of any documents presented with the terms and conditions of a LC, after we had determined that the drafts and / or documents drawn or presented under such LC had constituted a complying presentation (**Documentary Risk**);
 - (B) the insolvency of that issuing bank (**Credit Risk**); or
 - (C) the imposition, enactment or passing of any law, which the relevant issuing bank is subject to, and such law results in: (1) prohibition of the transfer, conversion or exchange by the issuing bank of the amount of the currency for which any draft is drawn under the LC or amount to be paid; or (2) a seizure of the whole (or substantially the whole) of the assets of the issuing bank (collectively, **Political Risk**); and
 - (v) if that LC is **not** paid when due and such non-payment was caused (directly or indirectly) by any reason other than Credit Risk, Political Risk or Documentary Risk, then our commitment is cancelled and we will have recourse against you for any payment advanced in respect of that LC.

3.3 **Additional provisions**

For all Trade Services provided under this section (“*What trade services are available for you as a seller?*”) – **except** sub-sections “*Collection Services under URC*”, “*What if you need trade financing in light of the credit terms that you have provided to the buyer?*” and “*What if you are trading on an open account basis (i.e. without a LC)?*” – the following additional provisions apply:

- (a) **Irrevocable instructions:** You must ensure that:
- (i) any amount due to you from any person (including the issuing bank or confirming bank) under the LC is paid directly to us;
 - (ii) an irrevocable payment instruction has been given to such person to effect such payment; and
 - (iii) you provide all assistance we require to allow us to collect any such amount;

- (b) **Other financing and genuine transaction:** You represent to us that:
- (i) you have not obtained any other financing or granted any other security interest in relation to the goods, the underlying trade transaction or any related trade document in connection with the LCs; and
 - (ii) each invoice, purchase order or any other similar document or instrument which is presented to us for financing represents a genuine sale and delivery of goods and / or services;
- (c) **Application of receipts:** We may apply any amount received by us (on your behalf or for your account) against any amount you owe us; and
- (d) **Fees and charges:** Fees and charges for the confirmation or commitment to honour or negotiate will be payable by you upon our confirmation or commitment. We may also deduct any amount owed to us from any payment we make to you or we receive from the issuing bank before the distribution of proceeds.

3.4 **What if you have receivables to sell?**

Depending on the Service Location, we may purchase your receivables (also known commercially as “*book debt*”) in a variety of ways. Please ask your relationship manager should you want to know more about this Service. It is important to note that different and / or additional documentation may apply to this Service which your relationship manager will be happy to assist you with.

4. WHAT IF YOU NEED US TO ISSUE A BANK GUARANTEE OR STANDBY LETTER OF CREDIT?

Where the parties you deal with require a bank guarantee (**BG**) (including a performance bond or a bid bond) or a standby letter of credit (**SBLC**) we may issue the BG or SBLC. In some cases, depending on which country the beneficiary requires the BG or SBLC to be issued out of, we may need to arrange for another bank to issue the BG or SBLC.

The following additional provisions apply:

- (a) **Form of BG or SBLC:** Each BG and SBLC:
- (i) will be issued subject to the section under this part – “*General Trade Terms*”; and
 - (ii) may be issued subject to different industry terms including UCP, Uniform Rules for Demand Guarantees published by the ICC (ICC Publication 758) (**URDG**), International Standby Practices (**ISP98**) or a local law.

TRADE SERVICE SUPPLEMENT – SBLC OR GUARANTEE ISSUANCE

- (1) **Use of correspondent banks:** We may arrange for the BG or SBLC to be issued by any correspondent bank (including any of our branches or affiliates) (a Correspondent Bank) on such terms as we or such Correspondent Bank may decide. We may issue a counter-guarantee or counter-indemnity in favour of such Correspondent Bank in order to comply with your Instructions. Such counter-guarantees or counter-indemnities are also in the form of a Trade Payment Instrument;
- (2) **Conflict of laws and differing jurisdictions:** If we issue a SBLC, counter-guarantee or counter-indemnity in favour of a Correspondent Bank and if the governing law of the guarantee is of a different jurisdiction from where we are located, we may (at your cost) obtain a legal opinion to advise us on the effect of the local laws and regulations on guarantees in that jurisdiction; and
- (3) **Certainty of payment:** Where we or our Correspondent Bank are required to make a payment to any person pursuant to the terms of the counter-guarantee, counter-indemnity, BG or SBLC, you must not in any circumstances claim that payment was not due or should not have been made.

LENDING TERMS AND CONDITIONS APPLY: Where we grant you the above facility, we will set out the applicable terms such as pricing and maximum financing tenors in a facility letter provided to you from time to time. The Relevant Lending Terms will apply to these facilities (see the section under this part – “*Relevant lending terms*”).

5. GENERAL TRADE TERMS

5.1 **Terms applicable to Trade Payment Instruments**

The nature of Trade Payment Instruments is that they are our irrevocable and independent obligations in favour of a beneficiary. Due to the independent nature of these Trade Payment Instruments, we comply with our obligations without notice to you and / or without your consent.

The following terms apply to Trade Payment Instruments:

- (a) **Irrevocable and independent obligation:** When we fulfil an irrevocable and independent Trade Payment Instrument obligation, you must immediately reimburse us:
- (i) in full and in the same currency the amounts paid out under the Trade Payment Instrument or shortly before the maturity date; and
 - (ii) pay any interest from and including the date of such payment to and including the date of such reimbursement (such interest to accrue on a daily basis at such rate as we may reasonably charge).

This reimbursement obligation is independent of any indemnity you give to us;

- (b) **Form of Trade Payment Instruments:** As the Trade Payment Instrument is our irrevocable, independent obligation, we may issue, amend or supplement the terms of any Trade Payment Instrument in such form as we may decide. As part of our decision making, we do not need to follow any Instruction or the contents of any relevant application form submitted by you;
- (c) **Copy of Payment Instruments:** We will send a copy of any Trade Payment Instrument to you as soon as practicable after it has been issued;
- (d) **Accuracy of supplied text:** You agree to be fully responsible for any information you provide us to be included in any Trade Payment Instrument. We will not check the accuracy of any such information;

- (e) **Honouring presentations or demands:** Once we receive a complying presentation or demand under a Trade Payment Instrument, we can make payment under that Trade Payment Instrument:
- (i) without obtaining any evidence that the amount is due and payable;
 - (ii) without further notice or reference to you; and
 - (iii) even if you dispute the validity of the presentation or demand.
- You must **not** in any circumstances claim that such payment was not due or should not have been made;
- (f) **Discrepant documents:** We may refuse to honour a presentation or demand under Trade Payment Instrument if any such document or demand does **not** comply with the Trade Payment Instrument terms. As the obligation is independent, we can refuse even if you accept or instruct to the contrary;
- (g) **Reimbursement:** If we specify, you will on the date payment is due (for example for a Sight LC or guarantee) or shortly before the date on which we fulfil (or are likely to fulfil) (for example the maturity date for a Usance LC) a Trade Payment Instrument obligation, pay us a sum equal to such payment under the Trade Payment Instrument. We may hold all or part of such sum under our sole control and apply all or part of such sum against the Trade Payment Instrument obligation;
- (h) **Payment without demand:** If it is specified under the Trade Payment Instrument terms, we may have the discretion to, or may be obligated to, make a payment without first having received a demand.
- (i) **Early payment:** We may make payment under any Trade Payment Instrument at any time before it becomes (or is stated to become) due. Where this happens:
- (i) if early payment is specified under the Trade Payment Instrument terms, your reimbursement obligations to us will apply at the time of payment; and
 - (ii) if early payment is not specified, your reimbursement obligations to us will apply when originally due.

5.2 What kind of security will we require?

The following types of security may be applicable for your Trade Service:

(a) **Pledge**

You agree to pledge to us all documents representing the goods (examples include bills of lading and warehouse receipts) and the goods themselves, for each transaction where you are the buyer (**Pledged Goods**), as continuing security for the payment and discharge of all of your obligations to us.

The pledge will be effective for so long as the relevant documents or goods remain in our possession or control or in the control of a third party appointed by us. You continue to remain liable and hold all risk in any Pledged Goods over this period.

The following terms also apply to pledges:

- (i) **Endorsement:** In order to create the pledge, you agree that you will arrange for any negotiable title document (examples include bills of lading or warehouse receipts) to be endorsed in blank or consigned to our order;
- (ii) **Your dealing with Pledged Goods that have been delivered:** You must hold any Pledged Goods to our order and follow our instructions;

For example:

You may be instructed to:

- deliver any Pledged Goods to us or any other person; or
- provide us, or third parties appointed by us, access and assistance as we may require at anytime to inspect any of the Pledged Goods.

- (iii) **Our dealing with Pledged Goods:** We may deal with any Pledged Goods as may be appropriate. You must reimburse us on demand any cost or expense we incur in our dealing or taking action in relation to any Pledged Goods;

For example:

We may be required to deal with any Pledged Goods, including inspecting, selling (whether by private sale, auction or any other manner), disposing, transporting, warehousing or insuring any Pledged Goods or making a claim on any insurance policy.

- (iv) **Insurance:** You agree to purchase insurance from reputable insurers for all Pledged Goods covering such risks as a prudent person would do. You will name us as the assignee or loss payee of any insurance proceeds for the relevant goods. In order to protect both our interests, you agree to keep us informed of any potential or actual insured event and act prudently, including ensuring that the insurance remains valid. You agree that any part of any insurance proceeds received by us may be used as security for the payment and discharge of all your obligations to us.

In some cases, we may stipulate additional requirements;

For example:

If the Pledged Goods are being shipped, it should be insured for at least 110% of its fair market value or (if higher) the purchased value.

- (v) **No other encumbrance and further assistance:** As the Pledged Goods have already been pledged in our favour, you must **not** create any other security interest over the Pledged Goods and must comply with our requests to perfect the pledge and protect our interest in the Pledged Goods; and

- (vi) **Authority to act in your name:** You irrevocably authorise and appoint any of our officers or employees to be your agent and on your behalf (and in your name) from time to time, to execute and deliver all documents and do all acts as we consider necessary or desirable to:
- (A) constitute, preserve or perfect the pledge intended to be granted to us;
 - (B) exercise our rights and remedies (including selling and transferring any Pledged Goods to a purchaser or applying for or making a claim on any insurance policy); and / or
 - (C) appoint or engage any agent or other person (each a **Delegate**) to carry out any function or to assist us.

Your authorisation and appointment under this section will include any right to sub-delegate or substitute this authorisation or appointment to any of our officers or employees and will continue until such time when all your obligations are fully discharged. You hereby ratify (and agree to ratify promptly upon our request at any time) any action which we or any of our officers or employees or any Delegate take as contemplated by this section;

(b) **Trust receipts**

If we deliver any documents representing Pledged Goods to you, our pledge will continue and you agree to hold such documents, Pledged Goods and proceeds from the sale of such Pledged Goods on trust for us until the sale proceeds are paid to us. If required, you must sign such other documents and comply with our requests to ensure that our security interest in the Pledged Goods remain protected;

- (c) **Right to call for cash collateral:** If we request, you must provide us cash cover for all or any part of any Trade Services that has been provided to you. We are not obliged to refund any cash cover unless our contingent or unmatured liability(ies) cease to exist before they mature or do not mature in full. If required, you must sign such other documents and comply with our requests to ensure that our security interest in the cash remains protected. For the purposes of the General Trade Terms herein, the interpretation of “cash cover” should be as per the section in **Part F (Definitions and Interpretations) – Rules for interpretation** except that references to “outstanding under that facility” will include reference to a sum up to or equal to our contingent or unmatured liability (as we may determine) under or in relation to any Trade Payment Instruments; and
- (d) **Other security:** The security arrangements set out here are in addition to and will not affect or be affected by any other security, rights or remedies.

PART D – LENDING SERVICES

INTRODUCTION TO THE LENDING SERVICES

1. WHAT PRODUCTS AND SERVICES ARE COVERED UNDER THIS PART D?

We offer a range of lending facilities to you on both a committed and uncommitted basis.

This **Part D (Lending Services)** covers the following comprehensive range of Lending Services:

Facility Type	Description
Overdraft Facility	An Overdraft Facility is a flexible form of borrowing intended to finance day-to-day cash flow requirements.
Drawing Against Uncleared Effects (DAUE) Facility	DAUE Facility enables funds to be drawn on your Account against cheques deposited to the same Account which are not yet processed and cleared through the cheque clearing system. Repayment is automatic through clearing the uncleared cheques. DAUE Facilities are permitted only for cheques processed in the normal course of business.
Short Term Facility	A Short Term Facility generally has a tenor of less than one (1) year. It is a flexible form of borrowing intended to finance day-to-day cash flow requirements.
Bridging Facility	A Bridging Facility is a form of borrowing to “bridge” a financing gap. The tenor is generally in excess of one day but not exceeding one year. Utilisations are usually made in one installment, and once the facility is fully drawn, further utilisations are not permitted even if repayments have reduced the principal amount.
Term Facility	A Term Facility is a medium or long term borrowing for either general corporate purposes or targeted financing of transactions or assets and the funding requirements that they generate. The tenor is generally for a period in excess of one year and typically up to five years.
Revolving Term Facility	A Revolving Term Facility allows utilisations to be continually borrowed and repaid throughout the term of the facility. Like a term facility, the tenor of the facility is generally for a period in excess of one year and up to five years.

1.1 How do you apply for a facility?

If you would like to apply for any of the facilities set out above, please speak to your relationship manager who will be happy to provide you with further information and guide you through the process.

We will consider your request for facilities against a wide range of criteria, including your ability to repay any amount you borrow. Any facilities we offer you will be set out in a facility letter which you will be required to sign and return to us, acknowledging that you have read and agreed to the General Banking Terms and Conditions (including this **Part D (Lending Services)**).

In limited circumstances (such as where we agree to lend you a large amount) the facility documentation may be based on market standard terms and conditions for similar facilities. We will inform you of this and forward you the relevant facility documentation for your review.

1.2 Your facility agreement with us

The facilities we offer you will be either uncommitted or committed as specified in your facility letter.

What is the difference between an “uncommitted” and a “committed” facility?

When we talk about “uncommitted” facilities, we are referring to facilities where we: (i) have a discretion whether or not to make available or advance any part of any facility; and (ii) can cancel, reprice, call for cash cover for, or demand repayment of, all or any part of any facility at any time.

For “committed” facilities, we: (i) are obliged, subject to the terms and conditions of your facility agreement, to make available or advance the facility in accordance with your facility letter; and (ii) can only demand repayment prior to the scheduled repayment date under certain circumstances, for example where you have breached your facility agreement.

The majority of the terms and conditions set out in this **Part D (Lending Services)** apply to your facilities, but some terms and conditions only apply to uncommitted facilities or committed facilities respectively. We have indicated where this is the case. Your facility letter will include relevant commercial information about your facilities, including facility limits, interest rates and the purpose of each of your facilities (although we are not required to monitor your use of proceeds).

Your facility letter and the applicable terms and conditions of the General Banking Terms and Conditions contained in this booklet form your “**facility agreement**” with us for Lending Services.

In addition to our right to vary your terms and conditions (see the section under **Part A (Standard Terms)** – “*General – The right to vary*”, we may also change the terms and conditions of your facility agreement via a supplemental facility letter. Any supplemental facility letter we send to you will also form part of your facility agreement with us.

We may also require you to enter into or procure an obligor to enter into a collateral document with us for any security, collateral or other assurance we require for your facilities. For more information please see the section under this part – “*Terms and conditions applicable to all facilities – Security*”.

When we refer to “finance documents” we mean your facility agreement as well as any collateral document.

IMPORTANT

Our facility letters may refer to the “*Master Credit Terms*”. These references will be interpreted to refer to this **Part D (Lending Services)** and the other applicable terms and conditions of these General Banking Terms and Conditions.

2. ABOUT THE FACILITIES

We agree to make available to you the facilities set out in your facility letter and in return you agree to:

- (a) repay us all money we lend to you, pay any interest, and any other costs and amounts we charge, for example fees and / or charges;
- (b) comply with your facility agreement, and any other agreements with us; and
- (c) let us use any rights as set out in your facility agreement.

2.1 Access to your facilities

You will need to provide us a utilisation request to access your facilities. Additionally, you will need to:

- (a) provide all of the conditions precedent, in form and substance satisfactory to us;
- (b) on each date you request a utilisation and on each utilisation date ensure that the representations and warranties made or given under the finance documents are true and accurate in all material respects; and
- (c) comply with any other terms and conditions (and utilisation-specific conditions precedents) as notified by us.

2.2 Conditions precedent

The conditions precedent you will need to provide to us will include each of the following documents and evidence listed below and any additional conditions precedent set out in your facility letter:

- (a) certified copies of your constitutional documents;
- (b) a certified copy of your board resolution approving the acceptance of each finance document (or the equivalent document evidencing such approval available in the relevant jurisdiction) and a certified copy of the names and specimen signatures of all persons authorised to sign the finance documents and any notices and other documents required in connection with the finance documents;
- (c) where required by us, a certified copy of your shareholder resolution (signed by all holders of the issued shares) approving the terms of, and the transactions contemplated by the finance documents (to which you are a party);
- (d) each of the finance documents duly executed by the parties thereto (including any constitutional / supporting documentation as may be required by us);
- (e) any documentation or other evidence which is reasonably requested by us for the purpose of any "know your customer" requirements;
- (f) evidence that all fees and expenses due and payable under the finance documents have been or will be paid by the first utilisation date under any facility;

- (h) where required by us, a copy of any other authorisation or other document, opinion or assurance which we consider to be necessary or desirable in connection with the entry into and performance of the transactions contemplated by any finance documents or for the validity and enforceability of any finance document.

2.3 Facility limits

Each facility has a facility limit which will be specified in your facility letter. You must not exceed the relevant facility limit.

To assist you in using your facilities efficiently we may allow you to use some or all of a facility limit for another facility.

How your facility limits may operate in your facility letter:

Type(s) of Facility	Facility Limit(s)	Borrower(s) and Sub-limit(s), if applicable
1. Short Term Facility	USD1,500,000	Borrower 1 – USD1,500,000 Borrower 2 – (USD800,000)
2. Overdraft Facility	(USD1,500,000)	Borrower 1 – USD1,500,000 Borrower 2 – (USD400,000)
Total Facility Limits	USD1,500,000	

- (1) **Sub-limits:** In addition to your Short Term Facility which has a facility limit of USD1.5 million, we may also offer you an Overdraft Facility. In this example we have offered you an Overdraft Facility with an "inner" facility limit of USD1.5 million. An "inner" facility limit will be set out in your facility letter within brackets.

What does this mean? An "inner" facility limit does **not** increase your Total Facility Limits. It allows you to efficiently utilise different facilities you may have with us. For example, any unutilised portion of your USD1.5 million Short Term Facility facility limit may be utilised under the Overdraft Facility facility limit. The total amount you may draw down for the Short Term Facility and the Overdraft Facility should not exceed USD1.5 million.

- (2) **Different borrowers:** Where we allow different borrowers from your group to be documented under the same facility letter, the borrowers may share the relevant facility limits. For example, Borrower 1 and Borrower 2 may, in aggregate, use USD1.5 million under the Short Term Facility. Borrower 2 has an additional restriction in that they can only utilise up to USD800,000 under this facility.

You can also ask us to reduce your facility limits.

Should you have further questions on your facility limits, please speak to your relationship manager.

2.4 No obligation to monitor

We are not under any obligation to monitor the purpose of any facility as set out in your facility letter.

2.5 What if you require excess limits

We understand that you may on occasion need to exceed your facility limits. We may, at our sole discretion, allow you excesses above the facility limits set out in your facility letter. Such excesses will be deemed given at your request and form part of your facility agreement.

2.6 Utilisations in a foreign currency

We may make a facility available to you in more than one currency. If we do so, this will be specified in your facility letter. Any utilisation in a foreign currency will be calculated in the currency of the facility (as set out in your facility letter) at the spot rate. Where a utilisation is denominated in a foreign currency over successive terms, we may re-calculate the amount of the utilisation in the foreign currency for the subsequent term.

"Spot rate" means at any date, our rate of exchange for the purchase of the relevant currency in the foreign exchange market of the Service Location in line with our usual business practices or as notified by us to you.

If your facility limits are exceeded due to currency fluctuations which affect your foreign currency utilisations, we may need to take action. We may ask you to pay us amounts in respect of such excess. For more information please see the section under this part – *"Introduction to the lending services – Your required repayments"*.

3. INTEREST

3.1 We will charge you interest on your facilities

We will charge you interest on each facility from the date you utilise that facility until you have repaid it in full at the interest rate as set out in your facility letter. If you do not comply with your obligations we may charge you a different rate as set out in the section under this part – *"Introduction to the lending services – Interest – We can charge default interest and / or overdraft interest if you do not comply with your obligations"*. Interest will continue to be payable up to the date of actual payment, both before and after any judgment that may be given in respect of your performance of your obligations.

Any interest accruing under your facility agreement accrues daily and is calculated on the basis of the actual number of days elapsed for each period of calculation and a year of 360 or 365 days or otherwise as we determine in accordance with applicable market practice. We will adjust periods for calculation of interest to ensure they end on a Banking Day (with the end of any period being the next Banking Day in the calendar month (if there is one) or the preceding Banking Day (if there is not)).

3.2 Payment of interest

You agree to pay interest on each facility on the interest payment dates as set out in your facility letter.

3.3 We can charge default interest and / or overdraft interest if you do not comply with your obligations

We may charge a different rate of interest if you do not comply with your obligations in your facility agreement. The rate we may charge depends on whether you have not paid us amounts you should have or whether you have not performed other (non-payment) obligations.

If you do not pay any amount payable under a finance document on its due date, we will charge you default interest on the overdue amount from the due date up to the date of actual payment. We will calculate default interest using the default rate as specified in your facility letter or as otherwise notified by us.

If you do not comply with any non-payment provision of agreement finance document, we may charge you overdraft interest on all amounts outstanding under your facility agreement from the due date up to the date of actual payment. We will calculate overdraft interest using the rate that we may determine.

Both default interest and overdraft interest will be immediately payable to us on our demand and (if unpaid) will be compounded with the overdue amount on any basis we may select.

3.4 What happens when a Market Disruption Event occurs?

Certain events may happen which require us to adjust your interest rates, called Market Disruption Events. If a Market Disruption Event occurs, the rate of interest applicable to your facility will be the rate per annum which is the aggregate of:

- (a) the margin of your facility as specified in your facility letter or otherwise agreed; and
- (b) the rate which expresses as a percentage rate per annum of our cost of funding that utilisation, from whatever source we may reasonably select, and if any such percentage rate is below zero, then such percentage rate will be deemed to be zero.

"Market Disruption Event" means:

- (a) at or about noon on the Quotation Day the Screen Rate is not available or is zero or negative, or reasonable and adequate means do not exist for ascertaining the relevant interbank offered rate (**IBOR**), benchmark interest rate or Prime Rate (as the case may be);
- (b) matching deposits are not readily available in the relevant interbank market; or
- (c) before close of business in the principal city of the relevant interbank market on the Quotation Day, our cost of obtaining matching deposits in the relevant interbank market would be in excess of the relevant IBOR, benchmark interest rate or Prime Rate (as the case may be).

"Prime Rate" means the interest rate, however it is called, published by us from time to time as the minimum rate of interest at which we lend money to prime borrowers.

"Quotation Day" means for any period for which an interest rate is to be determined **two (2)** Banking Days before the first day of that period (as the case may be), or such other period which we decide accords with market practice in the relevant interbank market.

"Screen Rate" means the standard market interest rate for the relevant currency and period displayed on the relevant page of the on-line electronic information service which for the time being we normally use for obtaining the relevant IBOR, benchmark interest rate or Prime Rate (as the case may be).

4. FEES

4.1 We can charge you fees and other amounts on your facilities

We will set out in your facility letter or notify you what fees or other amounts you need to pay in relation to your facilities.

Any fee accruing under your facility agreement accrues daily and is calculated on the basis of the actual number of days elapsed for each period of calculation and a year of 360 or 365 days or otherwise as we determine in accordance with applicable market practice.

Our fees and how we calculate them may change over time. We will let you know what has changed and when any change will take effect. Where possible, we will give you notice before we change a fee that applies to you.

5. PAYMENTS

5.1 Your payments must be made on a Banking Day

If any date for payment under a finance document is a weekend or bank / public holiday, then that payment must be made on the next Banking Day in the same calendar month. However, if the next Banking Day does not fall in the same calendar month, the payment must be made on the preceding Banking Day. We will adjust your interest periods accordingly.

5.2 We will apply your repayments in any order we choose

If we receive insufficient payment to discharge all amounts due and payable under the finance documents, then we may apply such payment towards the obligations under the finance documents in any order we choose. For example, we may choose to apply such repayments towards the interest, fees and / or principal in any amount due and in such proportion and order as we deem fit.

5.3 Timing of payments

If a finance document does not set out when a particular payment is due, that payment will be due within **two (2)** Banking Days (or such other date we may specify) after receiving a demand from us.

6. YOUR REQUIRED REPAYMENTS

6.1 You will need to make repayments

You will need to repay each facility (including any interest, fees or other amounts) in full as agreed in your facility letter.

6.2 You will need to make repayments if currency fluctuations cause you to exceed your facility limits

If your facility limits are exceeded due to currency fluctuations which affect your foreign currency utilisations, we may need to take action. We may ask you to pay back a certain amount of principal, together with any interest, fees or other amounts in order to bring you back under your facility limits again. If we ask you to repay such amounts then you will need to do so within **two (2)** Banking Days (or such other date we may specify) after receiving a demand from us.

6.3 Repayments for Uncommitted Facilities

If you have any uncommitted facilities, you have a repayment obligation if we demand repayment of those facilities at any time. For more information please see the section under this part – "*Terms and conditions specific to your uncommitted facilities – Repayments on demand*".

6.4 Repayments for Committed Facilities

If you have any committed facilities, you have: (i) a repayment obligation if you breach your facility agreement (for more information please see the section under this part – "*Terms and conditions specific to your committed facilities – Repayments following a breach*"); or (ii) a mandatory prepayment obligation if certain events occur (for more information please see the section under this part – "*Terms and conditions specific to your committed facilities – Your mandatory prepayments*").

7. YOUR OPTIONAL PREPAYMENTS

7.1 You can prepay at any time

You can prepay all or part of your facilities at any time prior to the due date if you give us irrevocable notice of such prepayment at least two (2) Banking Days prior to the proposed prepayment date (or such other period as we determine). Any prepayment under your facility agreement must be made together with accrued interest on the amount prepaid.

7.2 Will there be any fees and / or charges involved?

There may be certain fees and / or charges involved with any prepayment. If you choose to prepay all or part of your facilities at any time prior to the due date, you must pay interest up to the date you make your prepayment as well as any prepayment fee. You may also have to pay charges related to the costs we incur and / or suffer where you make a prepayment.

The fees and / or charges for prepayment can be large so please talk to us first

Our fees and / or charges for prepayment are not the same for everyone. The fees and / or charges will depend on a number of factors, including:

- (a) when you prepay your facility; and
- (b) how much you owe and how much you are prepaying.

If you are thinking about prepaying your facilities, we can give you an indication of the fees and / or charges you may have to pay.

If you have prepaid all amounts you owe us (including any interest, fees or other amounts in full), you can ask us to cancel your facilities.

3.1 When will you breach your facility agreement?

Unlike an uncommitted facility, a committed facility is **not** repayable "on demand". We can ask you to repay any committed facility early, or take any other action available to us under the finance documents, if you breach your facility agreement.

- (k) we believe the value of any security we hold for your facilities has materially reduced.

"**Financial indebtedness**" means any indebtedness incurred in respect of monies borrowed or any amount raised under any other transaction having the commercial effect of a borrowing.

"**Materially affected**" means there has been a significant or large effect. The effect must be more than minor. It will depend on your individual circumstances and our assessment of these.

2. SECURITY

2.1 About security

Security is anything we can rely on if you breach your facility agreement and we need to recover amounts you owe us.

We will hold any security we have for your facilities until you repay all amounts you owe or might owe us in the future or otherwise specified in the collateral document.

If the amount we recover from any security we have is less than the amount you owe us then you will still be responsible for paying the remaining outstanding amount you owe to us.

2.2 Utilisation may be conditional upon provision of security

Before you utilise any facility, we may require that you provide to us security as collateral for your facilities.

2.3 Additional security

We may ask you to provide new or additional security for your facilities within a certain timeframe. If you do not or are unable to, you will be in breach of your facility agreement.

2.4 Insurance for your security

Where security over any property or assets has been provided to support your obligations under your facility agreement, we may require you to procure and maintain insurance for the property or assets through our approved insurance company. The insurance must cover our rights and interests under the facilities and cover such amounts as we may require. All costs, fees, expenses and payments for effecting and maintaining such insurance will be borne by you and we may debit such amounts from your Account.

2.5 We can give information about your facilities to someone who has given us security

You agree that we can provide information about you to anyone who has given us a collateral document for your facilities, including, a copy of your facility agreement and information about your facility and you. We can provide this without contacting you.

We have referred to a "**collateral document**" above. When we refer to a "**collateral document**" we are referring to any document given or to be given by an obligor, in our favour, granting, creating or evidencing a guarantee, security interest or netting or other arrangement in respect of your obligations under the finance documents, each in form and substance satisfactory to us.

3. WHEN YOU ARE HAVING DIFFICULTIES WITH YOUR FACILITIES

3.1 The importance of complying with your facility agreement

Complying with your facility agreement is important. If you breach your facility agreement, the results for you can be serious. We can exercise any of our rights under the finance documents.

For example:

We may ask you to repay all amounts you owe us (even if such amounts are not yet due).

Talk to us immediately if you are facing difficulties complying with your facility agreement. We may be able to give you assistance and information that could help you get things under control.

3.2 If you breach your facility agreement with us, we can ask you to repay any amounts you owe us

If you breach your facility agreement with us, at our sole discretion, we can do one or more of the following:

- (a) charge you default interest;
- (b) write to you, requesting you to comply with the terms and conditions of your facility agreement, or other agreements with us;
- (c) refuse to allow you to utilise any part of your facility limits you have not already utilised;
- (d) cancel, re-price or call for cash cover for all or any part of any facility;
- (e) demand repayment / payment of any amount you owe us (including interest, fees or other amounts), where we believe it is necessary to protect our interests; or
- (f) take amounts you owe us from your Accounts you have with us.

We have the right to demand repayment / payment of any amounts you owe us even if some money that you owe is not yet due. We will give you **two (2) Banking Days** (or such other date we may specify) to repay those amounts.

3.3 If you breach your facility agreement with us, we can also take any steps we choose to recover amounts you owe us

- (a) selling any property you have given us as security, or exercising our rights under any collateral agreement, to recover amounts you owe us;
- (b) writing to anyone who gave us a guarantee for your facilities, and requiring them to pay all or part of the amounts you owe us; or
- (c) taking other action against you to recover the amounts you owe us, including court proceedings.

For example:

If you gave us a mortgage over your property, we can sell that property if you do not repay the money you owe us.

Additionally, any person who gave us a guarantee for your facilities may also have given us a mortgage over their property as security for that guarantee. We can sell that property if they do not pay us when we ask them to. We can also exercise any of our rights under that collateral document if they do not pay us when we ask them to.

3.4 Our rights if you breach your facility agreement do not limit our right to ask you to repay any uncommitted facility

The rights we have above if you breach your facility agreement do not limit or restrict our right to ask you to repay some or all of any uncommitted facility at any time, and for any reason. For more information, see the section under this part – *"Terms and conditions specific to your uncommitted facilities – Repayments on demand"*.

4. YOUR LIABILITY

4.1 What happens when there is more than one borrower?

If your facility letter specifies more than **one (1)** borrower then:

- (a) you will be held jointly and severally liable (unless otherwise specified by us) with the other borrowers for all amounts payable or owing, whether incurred only by you or not; and

What does "jointly and severally liable" mean?

"Jointly and severally liable" means when two or more persons jointly promise to do the same thing, but also separately promise to do the same thing, they are held responsible for the promise both individually and collectively as a group.

For example, if party A and party B promise jointly and severally to pay USD100,000 to party C, then they are together under an obligation to pay USD100,000 to party C, but also individually they are under an obligation to pay the money to party C.

- (b) your obligations and liabilities will not be affected by:
 - (i) any time or indulgence granted to or composition with any other borrower or any other person;
 - (ii) any change, variation or termination of any agreement or arrangement with any other borrower or any other person;
 - (iii) any release of, or any neglect to obtain, perfect or enforce, any rights or securities against any borrower or any other person; or
 - (iv) any unenforceability or invalidity of any obligations of any borrower or any other person.

4.2 You must pay the amount of any increased costs incurred by us under Lending Services

We may incur additional or increased costs as a result of the introduction of, or change in application of, a law. We may also incur additional or increased costs as a result of us complying with a law made after the date of your facility letter. In such cases, we may suffer a reduction in the rate of return or a reduction in the amount due and payable to us under your facility agreement. You must ensure that we are fully compensated for any increase in our costs associated with providing your facilities to you.

5. COMMUNICATIONS FROM US

5.1 How we will contact you about your facility agreement

We may need to give you information about your facilities.

In addition to the terms and conditions covering communications (see the section under **Part A (Standard Terms) – "Communications, instructions and information – Communications from us"**), the following will apply:

- (a) if we are writing to you asking you to make a repayment, we will consider that you have received the communication we send you no later than **three (3)** Banking Days (or such other date we may specify) after we send it; and
- (b) where there are multiple borrowers under your facility letter, then each borrower appoints the designated borrower (set out in your facility letter) to act on its behalf as its agent in relation to the finance documents and authorises the designated borrower to provide all information, agree any amendments to your facility agreement and receive all notices, demands and other communications from us in relation to your facility agreement. Every act, omission, agreement, undertaking, settlement, waiver, amendment, notice or other communication given or made by the designated borrower or given to the designated borrower on your behalf will be binding on you. If there is conflict between any notices or other communications of the designated borrower and you, those of the designated borrower will prevail.

6. COUNTRY TERMS – INDONESIA

6.1 General

These country terms apply to the Lending Services we provide you in Indonesia.

6.2 **On demand**

We may also automatically cancel any facility if it is qualified as substandard, doubtful or a bad debt in compliance with Bank of Indonesia regulations.

6.3 **No filing or stamp taxes**

For Indonesia, in the section above – “*No filing or stamp taxes*”, it is not necessary that the finance documents be filed, recorded or enrolled with any Authority, other than affixing a stamp duty, or that any registration or similar Tax be paid in relation to the finance documents or the transactions contemplated by the finance documents.

PART E – TERMS AND CONDITIONS FOR FOREIGN EXCHANGE BUSINESS

IMPORTANT

FX Transactions covered by this **Part E (Terms and Conditions for Foreign Exchange Business)** involve the risk of loss (for example, due to movements in market rates / prices). You **should not** enter into these transactions if you **do not** understand the risks. It is your responsibility to monitor your transactions. We will **not** be liable for any Losses you incur under any circumstances. We recommend that you seek professional advice before you enter into these transactions.

1. WHAT TRANSACTIONS ARE COVERED UNDER THIS PART E?

1.1 FX Transactions – what does this mean?

“**FX Transactions**” mean foreign exchange transactions under which you purchase from us a specific amount in one currency against you selling to us another currency at an agreed exchange rate, which must be settled between us by the delivery and exchange (i.e. by “*deliverable settlement*”) of the two currencies on the agreed settlement or value date. The settlement or value date of an FX Transaction may be the same day as the trade date of the FX Transaction or a later date.

For Example:

As a trade client, your transactions may involve the payment or receipt of a foreign currency amount to or from your supplier. You may therefore like to minimise the risk of foreign exchange fluctuations in your business by agreeing with us to purchase (or sell) a fixed amount of foreign currency at a fixed exchange rate aligned with your scheduled payment dates under your transaction (i.e. when you need to make a payment to a supplier or expect to receive payments from your buyer).

Our comprehensive range of deliverable FX Transactions include:

- (a) **Spot Transactions:** where the FX Transaction is for same day, next day, or spot deliverable settlement (i.e. where the settlement or value date is not more than **two (2)** settlement business days after the trade date of the FX Transaction); and
- (b) **Forward Transactions:** where the FX Transaction is for forward deliverable settlement (i.e. where the settlement or value date is more than **two (2)** settlement business days after the trade date of the FX Transaction).

For Spot Transactions (as described above) performed through an Account, you **do not** need to agree to this **Part E (Terms and Conditions for Foreign Exchange Business)** as **Part A (Standard Terms)** contains the terms and conditions for Spot Transactions performed through an Account.

However, for all other FX Transactions, including Forward Transactions (as described above), you will be required to agree to this **Part E (Terms and Conditions for Foreign Exchange Business)**.

NOTE: Upon agreeing to this **Part E (Terms and Conditions for Foreign Exchange Business)**, these terms and conditions will apply to all FX Transactions going forward (including Spot Transactions).

1.2 How do you agree to and accept this Part E?

You will be deemed to have accepted the terms set out in this **Part E (Terms and Conditions for Foreign Exchange Business)** when you acknowledge under the Letter of Acceptance that you have agreed to this **Part E (Terms and Conditions for Foreign Exchange Business)**.

IMPORTANT

Our confirmations may refer to the “*Terms and Conditions for Foreign Exchange Business*”. These references will be interpreted to refer to **Part E (Terms and Conditions for Foreign Exchange Business)** and the other applicable terms and conditions of these General Banking Terms and Conditions.

1.3 What happens if you have an ISDA Master Agreement in place with us?

We may deem it appropriate, for us to enter into an ISDA Master Agreement (**ISDA**) with you. Where we have an ISDA in place with you, the ISDA will amend and supersede this **Part E (Terms and Conditions for Foreign Exchange Business)** and any outstanding FX Transaction entered into between the parties under the terms and conditions of this **Part E (Terms and Conditions for Foreign Exchange Business)** (each a **Prior Transaction**) will be deemed to be governed by the ISDA. Any such Prior Transaction will be deemed to constitute a “*Transaction*” under the ISDA, and any document or other confirming evidence in respect of any such Prior Transaction will be deemed to constitute a “*Confirmation*” under the ISDA, for the purpose of the ISDA.

1.4 Will there be any other documentation provided to you or requested by us?

(a) **Confirmations**

In addition to the General Banking Terms and Conditions (including this **Part E (Terms and Conditions for Foreign Exchange Business)**), we will provide you with a written confirmation containing the economic details of the relevant FX Transaction between you and us (**Confirmation**).

The Confirmation may be sent by us to you through a range of Channels and may be executed and delivered in counterparts, (i.e. more than one copy) whether using the same or different communication Channels. This **Part E (Terms and Conditions for Foreign Exchange Business)** will govern the Confirmations, even if this **Part E (Terms and Conditions for Foreign Exchange Business)** is not referenced under the relevant Confirmations. Any delay or failure in delivering a Confirmation to you will not affect the validity of the relevant FX Transaction.

All Confirmations which have been provided to you are based on our records and are conclusive in the absence of obvious error. You must check the Confirmations and inform us in writing of any mistakes within **one (1)** Banking Day (or such other period as specified in the relevant Confirmation or as notified by us).

(b) **Credit Support**

You may be required to provide us with new or additional credit risk mitigants, credit support or equivalent security in connection with the FX Transactions.

We will notify you of any request and will provide you with a reasonable time frame to comply with our requirements.

2. FX TRANSACTIONS SPECIFIC RIGHTS AND / OR OBLIGATIONS

You consent to us recording our conversations with you or your Authorised Persons in connection with any actual or potential FX Transactions. These recordings will be our property and will, unless there is an obvious mistake, be conclusive proof of the conversation.

2.3 Who can we give information to?

We may, in addition to any disclosure rights set out in the General Banking Terms and Conditions, disclose to any:

- (a) transferee or potential transferee of any rights or obligations under the FX Transactions;

- (c) trade repository.

3. WHO IS AUTHORISED TO ACT ON YOUR BEHALF FOR FX TRANSACTIONS?

On our request, you must give us a list of Authorised Persons who are authorised to sign Confirmations and other documents in connection with the FX Transactions. Under certain circumstances, we may also request you to give us a list of Authorised Persons who are authorised to enter into FX Transaction on your behalf (**Authorised Dealers List**). If we do not request for your Authorised Dealers List, you are not required to provide the same, and we will reject the same if you do provide such Authorised Dealers List. You must give us their full names and any other details (such as their specimen signatures) we may require.

You must tell us promptly, in writing, if there is any change to them. We will tell you if we cannot accept any Authorised Person due to our policies or any applicable law. We may continue to rely on an existing list of Authorised Persons until we have updated our records in accordance with your new Instructions. If we cannot process your change to the list of Authorised Persons, we will notify you as soon as reasonably practicable. We may request you to send further documents we need to support the changes.

FX Transactions must be settled on the agreed settlement dates as set out in the relevant Confirmation (**Due Date**) (subject to any applicable payment conditions precedent – see the section below under this part – “*Settlement and Payment under FX Transactions – Settlement and Payment Obligations – What are the conditions precedent to our payment obligations?*”).

(b) **What are the conditions precedent to our payment obligations?**

Our payment obligation to you under an FX Transaction is subject to the fulfilment of the following conditions precedent:

- (i) we have received in full the amount due from you on the same date under that FX Transaction;
- (ii) no Termination Event has occurred and is continuing;
- (iii) we have received your payment or settlement Instructions and account details for settlement of the FX Transaction; and

You must pay us in clear and immediately available funds in the applicable currency, the total payments due to us under an FX Transaction on the Due Date.

4.2 **Payment Failure**

If we do not receive payment from you by the Due Date, without prejudice to any of our other rights:

- (a) we may take any action to mitigate any potential Loss from such failure to pay, including terminating any open positions in relation to such FX Transaction;
- (b) you will pay interest to us on demand at a rate equal to **two per cent (2%)** per annum above the cost to us (as conclusively certified by us) of funding the amount in default from the Due Date to the date payment is actually received from you;
- (c) you will indemnify us in full for any Loss incurred by us by reason of such late payment; and

The above actions may result in a loss to you. Nothing in this section (*Settlement and payment under FX Transactions*) limits or restricts any of our rights under the Agreement.

5. **PAYMENT NETTING**

If you and we are obliged to pay each other amounts in respect of FX Transactions under this **Part E (Terms and Conditions for Foreign Exchange Business)** in the same currency, and on the same day, we agree with you to net the amounts owing between you and us. The party owing the higher amount must pay the other party the difference between those amounts. - (a) we will determine, for each terminated FX Transaction, the amount of our Loss (expressed as a negative amount) or profit (expressed as a positive amount) as a result of the termination of such FX Transaction, and will notify you of the amounts determined (each a **Close-out Amount**). The net sum of all Close-out Amounts (**Net Amount**) will be either payable by us (if it is a positive amount) or by you (if it is a negative amount); and
- (b) payments that would otherwise be due on the original settlement date of each FX Transaction so terminated are no longer payable, and such payment obligations will instead be replaced by the relevant party's obligation to pay the Net Amount to the other party in the relevant currency.
