

e\$aver Bonus Interest (1 April 2026 to 31 May 2026) Promotion Terms and Conditions

1. This e\$aver Bonus Interest (1 April 2026 to 31 May 2026) Promotion ("**Promotion**") is available from **1 April 2026 to 31 May 2026** (both dates inclusive) ("**Promotion Period**") and is open to all account holders of existing and newly opened e\$aver, e\$aver Kids! and World Partner Savings account(s) ("**Qualifying Account(s)**") with Standard Chartered Bank (Singapore) Limited ("**Standard Chartered**" or the "**Bank**"). By participating in this Promotion, you agree to be bound by these terms.

Eligibility

2. To qualify for this Promotion:
 - a. you must have a Qualifying Account(s) with the Bank;
 - b. you must deposit *fresh funds* into your Qualifying Account(s) during the Promotion Period. For the purposes of these terms and conditions, "*fresh funds*" are funds that do not originate from any existing account with the Bank or funds that are not withdrawn and re-deposited within 30 days of the Promotion Period; and
 - c. your Qualifying Account(s) must be validly existing (i.e. must not be suspended, cancelled or terminated), in good standing, and conducted in a proper and satisfactory manner at all times, including the time of crediting of any Bonus Interest (*as defined in Clause 4 and 5 below*) to your Qualifying Account(s), as determined by the Bank in its sole and absolute discretion.

Prevailing and Bonus Interest Rates

3. During the Promotion Period, you will be eligible to receive prevailing interest ("**Prevailing Interest**") on your entire deposit balance in the Qualifying Account(s), at the prevailing interest rate reflected in the table below.

	Prevailing Interest Rate on Deposit Balance	Bonus Interest Rate on eligible Incremental Balance	Total Interest Rate on eligible Incremental Balance
Qualifying account(s) where the primary account holder is a customer with wealth holding	0.05% p.a.	1.45% p.a.	1.50% p.a.
Qualifying account(s) where the primary account holder is a customer without wealth holding	0.05% p.a.	1.05% p.a.	1.10% p.a.

4. "Customers with wealth holdings" are defined as customers who hold either an Eligible Investment Product or Insurance Product purchased through the bank, as a primary account holder. An "Eligible Investment Product" refers to (i) Unit Trust(s), (ii) Bonds, (iii) Structured Notes, or (iv) Equities.
5. Your eligible Bonus Interest Rate is assessed based on your wealth holdings at the end of each calendar month during the promotion period.

6. If you satisfy the qualifying criteria stipulated in these terms, you will also earn bonus interest ("**Bonus Interest**") on your Incremental Balance (*as defined in **Clause 8** below*) during the Promotion Period, provided always that the Incremental Balance eligible for Bonus Interest shall be subject to a cap of **S\$2,000,000 per Qualifying Account(s)**. Any amount of Incremental Balance exceeding S\$2,000,000 per Qualifying Account(s) shall earn the Prevailing Interest only.
7. The average daily balance ("**ADB**") in your Qualifying Account(s) is used to determine the amount of Bonus Interest earned on your eligible Incremental Balance. ADB is the sum of *end-of-day account balances* of all days in a particular calendar month, divided by the number of days in that month, where "*end-of-day account balances*" means *account balances as of 2359 hours of each day*:

- a. If there are n days in a calendar month and $X_1, X_2, X_3, \dots, X_n$ are the end-of-day account balances from Day 1 to Day n respectively, the ADB for the account will be:

$$\frac{X_1 + X_2 + X_3 + \dots + X_n}{n}$$

- b. For example, if (i) there are 30 days in April 2026, (ii) the end-of-day account balance on each day between 1 April 2026 and 15 April 2026 is S\$0, and (iii) the end-of-day account balance on each day between 16 April 2026 and 30 April 2026 is S\$1,000, the ADB for the account will be:

$$\frac{(\text{S}\$0 \times 15) + (\text{S}\$1,000 \times 15)}{30} = \text{S}\$500.00$$

8. If the ADB in the Qualifying Account(s) for any calendar month during the Promotion Period:
- is **higher** than the ADB for **March 2026** ("**Comparison Month**"), you will earn Bonus Interest on the difference between the ADBs for those 2 months ("**Incremental Balance**"); and
 - is **either equal to or lower** than the ADB for the Comparison Month, you will not earn any Bonus Interest.
9. In respect of Qualifying Account(s) newly opened during the Promotion Period, the Incremental Balance would refer to the ADB in the said Qualifying Account(s).
10. We only include transactions up to the last working day or Saturday of the calendar month when we calculate ADB. For example, if 31 March falls on a public holiday, and 30 March is a Sunday, we will calculate ADB for March based on transactions up to 29 March.
11. After the Promotion Period, you will cease to earn any Bonus Interest, but you will continue to earn the Prevailing Interest on the entire deposit balance in your Qualifying Account(s).

12. For illustration purposes, please refer to the table below:

Type of Qualifying Account(s)	Month	ADB for calendar month during the Promotion Period	ADB for Comparison Month (March 2026)	Incremental Balance (up to cap of S\$2,000,000) eligible for Bonus Interest	Prevailing Interest earned on Deposit Balance*	Bonus Interest** earned on eligible Incremental Balance	Total interest earned

	May 2026	S\$2,200,000	N.A.	S\$2,000,000	$S\$2,200,000 \times 0.05\% \times 31/365 = S\93.43	$S\$2,000,000 \times 1.45\% \times 31/365 = S\$2,463.01$	S\$2,556.44

*Prevailing Interest is calculated based on the entire deposit balance in your Qualifying Account(s) at the end of each day. The above illustration is presented based on the assumption that the end-of-day deposit balance in your Qualifying Account(s) for each day in that month is the same.

** Qualifying account(s) where the primary account holder is a customer with wealth holding.

13. The Bonus Interest shall be credited to your Qualifying Account(s) in single or multiple credit transactions by the 25th calendar date of the following month (the "Bonus Interest Crediting Date"), provided that your Account remains valid and in good standing as at the Bonus Interest Crediting Date.
