For above choice of Reward in A) and B):

		(appended below) and submit the form to your Relationship Manager within 3 calendar months from the month that you open your Wealth $aver account or USD$aver account**.** No changes of choice can be made subsequently. • If your Fresh Funds are in a currency other than SGD or USD, they will be converted into the currency of your choice of reward, and you will be eligible for the corresponding rewards in accordance with the respective tables above. • If the Bank doesn't receive your choice of Reward through the Priority Banking & Priority Private Sign-Up Promotion – Reward Selection Acknowledgment Form within 3 calendar months from the month that you open your Wealth $aver account or USD$aver account, your Reward will be forfeited. • Each eligible customer is entitled to only one reward.
5.	**When will you receive your rewards?**	You will receive your rewards within 7 calendar months from the month that you open your Wealth $aver account or USD$aver account. However, the completion of the units credited into the investment account may take longer than expected and the Bank will not be responsible for any potential delays.
6.	**How will you receive your Cash Rewards?**	Cash Rewards will be credited directly to any of your single name SGD or (as the case may be) USD denominated current, cheque or savings accounts with the Bank. If you open your Wealth $aver account or USD$aver account as joint account, the Cash Reward will only be credited to the single name SGD or USD denominated current, cheque or savings accounts with the Bank. If you do not have an active single name current, cheque or savings account with the Bank in the **same currency** as the Cash Reward, the equivalent amount of the Cash Reward in the **alternative currency** will be credited to an active single name current, cheque or savings account held by you with the Bank account that is denominated in the alternative currency. If you do not have an active single name SGD or USD denominated current, cheque or savings accounts with the Bank which is in good standing, the reward will be forfeited.
7.	**How will you receive your Signature CIO Funds Reward?**	You will receive your Signature CIO Funds Reward in your existing investment account with the Bank ("**Investment Account**"). If you elect to receive the Signature CIO Funds Reward but do not have an Investment Account with us, you consent to us opening an Investment Account for you for the purpose of crediting the Signature CIO Funds Reward, and you agree to the terms and conditions of such account. If you open your Wealth $aver account or USD$aver account as joint account, the Signature CIO Funds Reward will be credited to the Investment Account of the main account holder. The Signature CIO Funds Reward cannot be exchanged for cash, transferred or assigned to anyone else. The completion of the units credited into the investment account may take longer than expected and the Bank will not be responsible for any potential delays. The Security Code for the Signature CIO (Income) Funds Units in SGD and USD is 069106-356 and 069106-351 respectively.
8.	**How do you determine the value of the Signature CIO Funds Reward?**	The calculation of the fractional units of the Signature CIO Funds (rounded down to 0.01 units) to be awarded shall be based on the Net Asset Value of the Signature CIO Funds, as determined on any business day falling within the first week of the 7^{th} month from the month that you open your Wealth $aver account or USD$aver account. For example, if you open your Wealth $aver account or USD$aver account in July 2026, the value date of the Signature CIO Funds which we use to calculate the fractional units you are entitled to will be on any business day falling within the first week of February 2027. The price of the unit trusts is subject to market fluctuations, which will determine the number of unit trusts to be credited to you on the fulfilment date as determined by us. For foreign currency denominated unit trusts, the number of units of the unit trust credited will be calculated based on the prevailing exchange rate on the fulfilment date as determined by us.

9.	**Is this promotion eligible with other promotions?**	This promotion is not valid with any other promotions except: • 'Invest and be Rewarded' New-to-Bank Q3 2026 Promotion
