

## e\$aver Bonus Interest (1 October 2024 to 30 November 2024) Promotion Terms and Conditions

1. This e\$aver Bonus Interest (1 October 2024 to 30 November 2024) Promotion ("**Promotion**") is available from **1 October 2024 to 30 November 2024** (both dates inclusive) ("**Promotion Period**") and is open to all account holders of existing and newly opened e\$aver, e\$aver Kids! and World Partner Savings account(s) ("**Qualifying Account(s)**") with Standard Chartered Bank (Singapore) Limited ("**Standard Chartered**" or the "**Bank**"). By participating in this Promotion, you agree to be bound by these terms.

### Eligibility

2. To qualify for this Promotion:
  - a. you must have a Qualifying Account(s) with the Bank;
  - b. you must deposit *fresh funds* into your Qualifying Account(s) during the Promotion Period. For the purposes of these terms and conditions, "*fresh funds*" are funds that do not originate from any existing account with the Bank or funds that are not withdrawn and re-deposited within 30 days of the Promotion Period; and
  - c. your Qualifying Account(s) must be validly existing (i.e. must not be suspended, cancelled or terminated), in good standing, and conducted in a proper and satisfactory manner at all times, including the time of crediting of any Bonus Interest (*as defined in Clause 4 below*) to your Qualifying Account(s), as determined by the Bank in its sole and absolute discretion.

### Prevailing and Bonus Interest Rates

3. During the Promotion Period, you will be eligible to receive prevailing interest ("**Prevailing Interest**") on your entire deposit balance in the Qualifying Account(s), at the prevailing interest rate reflected in the table below.

Prevailing Interest Rate on Deposit Balance	Bonus Interest Rate on eligible Incremental Balance	Total Interest Rate on eligible Incremental Balance
0.05% p.a.	3.30% p.a.	3.35% p.a.

4. If you satisfy the qualifying criteria stipulated in these terms, you will also earn bonus interest of **3.30% p.a.** ("**Bonus Interest**") on your Incremental Balance (*as defined in Clause 6 below*) during the Promotion Period, provided always that the Incremental Balance eligible for Bonus Interest shall be subject to a cap of **S\$2,000,000 per Qualifying Account(s)**. Any amount of Incremental Balance exceeding S\$2,000,000 per Qualifying Account(s) shall earn the Prevailing Interest only.
5. The average daily balance ("**ADB**") in your Qualifying Account(s) is used to determine the amount of Bonus Interest earned on your eligible Incremental Balance. ADB is the sum of *end-of-day account balances* of all days in a particular calendar month, divided by the number of days in that month, where "*end-of-day account balances*" means *account balances as of 2359 hours of each day*.

- a. If there are  $n$  days in a calendar month and  $X_1, X_2, X_3, \dots, X_n$  are the end-of-day account balances from Day 1 to Day  $n$  respectively, the ADB for the account will be:

$$\frac{X_1 + X_2 + X_3 + \dots + X_n}{n}$$

- b. For example, if (i) there are 31 days in October 2024, (ii) the end-of-day account balance on each day between 1 October 2024 and 15 October 2024 is S\$0, and (iii) the end-of day account balance on each day between 16 October 2024 and 31 October 2024 is S\$1,000, the ADB for the account will be:

$$\frac{(\$0 \times 15) + (\$1,000 \times 16)}{31} = \$516.13$$

6. If the ADB in the Qualifying Account(s) for any calendar month during the Promotion Period:
- is **higher** than the ADB for **September 2024** ("**Comparison Month**"), you will earn Bonus Interest on the difference between the ADBs for those 2 months ("**Incremental Balance**"); and
  - is **either equal to or lower** than the ADB for the Comparison Month, you will not earn any Bonus Interest.
7. In respect of Qualifying Account(s) newly opened during the Promotion Period, the Incremental Balance would refer to the ADB in the said Qualifying Account(s).
8. For the avoidance of doubt, any deposit, withdrawal or otherwise transaction in relation to your Qualifying Account(s) that takes place on the last day of a calendar month, falling on either a Sunday, a public holiday or a bank holiday, will not be taken into consideration for the purposes of the Bank's computation of ADB and crediting of Bonus Interest.
9. After the Promotion Period, you will cease to earn any Bonus Interest, but you will continue to earn the Prevailing Interest on the entire deposit balance in your Qualifying Account(s).

10. For illustration purposes, please refer to the table below:

Type of Qualifying Account(s)	Month	ADB for calendar month during the Promotion Period	ADB for Comparison Month (September 2024)	Incremental Balance (up to cap of S\$2,000,000) eligible for Bonus Interest	Prevailing Interest earned on Deposit Balance*	Bonus Interest earned on eligible Incremental Balance	Total interest earned

	November 2024	S\$150,000	S\$50,000	S\$100,000	$S\$150,000 \times 0.05\% \times \frac{30}{365} = S\$6.16$	$S\$100,000 \times 3.30\% \times \frac{30}{365} = S\$271.23$	S\$277.39
New Qualifying Account(s) opened during the Promotion Period (from 1 October 2024 to 30 November 2024)	October 2024	S\$300,000	N.A.	S\$300,000	$S\$300,000 \times 0.05\% \times \frac{31}{365} = S\$12.74$	$S\$300,000 \times 3.30\% \times \frac{31}{365} = S\$840.82$	S\$853.56
	November 2024	S\$2,200,000	N.A.	S\$2,000,000	$S\$2,200,000 \times 0.05\% \times \frac{30}{365} = S\$90.41$	$S\$2,000,000 \times 3.30\% \times \frac{30}{365} = S\$5,424.66$	S\$5,515.07

\*Prevailing Interest is calculated based on the entire deposit balance in your Qualifying Account(s) at the end of each day. The above illustration is presented based on the assumption that the end-of-day deposit balance in your Qualifying Account(s) for each day in that month is the same.

11. The Bonus Interest shall be credited to your Qualifying Account(s) in single or multiple credit transactions by the 20th calendar date of the following month (the "Bonus Interest Crediting Date"), provided that your Registered Account remains valid and in good standing as at the Bonus Interest Crediting Date.
