ARTICLE ONE

CERTAIN DEFINITIONS

The following terms have the meanings set forth below in this Supplemental Indenture. Capitalized terms used but not defined herein have the meanings ascribed to such terms in the Base Indenture. To the extent terms defined herein differ from the Base Indenture the terms defined herein will govern.

“Company” has the meaning provided in the Base Indenture.

“Holder” means the Person in whose name a Note is registered in the books of the Registrar for the Notes.

“Indenture” has the meaning provided in the Preamble.

“Notes” has the meaning provided in the Recitals.

“Par Call Date” means the 2027 Par Call Date, the 2032 Par Call Date, the 2052 Par Call Date or the 2062 Par Call Date, as applicable.

“Redemption Date” means, with respect to any Note of any Series to be redeemed, the date fixed for such redemption by or pursuant to this Supplemental Indenture.

“Registrar” means U.S. Bank Trust Company, National Association, or any successor registrar of the Notes.

“Supplemental Indenture” has the meaning provided in the Preamble.

“Treasury Rate” means, with respect to any Redemption Date in respect of the Notes of any Series, the yield determined by the Company in accordance with the following two paragraphs:

(1) The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third Business Day preceding the Redemption Date based upon the yield or yields for the most

recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as "Selected Interest Rates (Daily) - H.15" (or any successor designation or publication) ("H.15") under the caption "U.S. government securities-Treasury constant maturities-Nominal" (or any successor caption or heading) ("H.15 TCM"). In determining the Treasury Rate, the Company shall select, as applicable: (x) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the Redemption Date to the applicable Par Call Date (the "Remaining Life"); or (y) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields - one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life - and shall interpolate to the applicable Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (z) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the Redemption Date.

(2) If on the third Business Day preceding the Redemption Date H.15 TCM (or any successor designation) is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second Business Day preceding such Redemption Date of the United States Treasury security maturing on, or with a maturity that is closest to, the applicable Par Call Date. If there is no United States Treasury security maturing on the applicable Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from such Par Call Date, one with a maturity date preceding such Par Call Date and one with a maturity date following such Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding such Par Call Date. If there are two or more United States Treasury securities maturing on the applicable Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

"Trustee" has the meaning provided in the Preamble.

or (2) after an Initial Note or any Initial Additional Note is (x) sold pursuant to an effective registration statement under the Securities Act, pursuant to the Registration Rights Agreement or otherwise, or (y) is validly tendered for exchange into an Exchange Note pursuant to an Exchange Offer,

(d) The Trustee will retain copies of all certificates, opinions and other documents received in connection with the transfer or exchange of a Note (or a beneficial interest therein), and the Company will have the right to inspect and make copies thereof at any reasonable time upon written notice to the Trustee.

SECTION 2.3. *Registration, Transfer and Exchange.* (a) *Registered Form Only.* The Notes will be issued in registered form only.

(b) *Global Notes*. (1) Each Global Note will be registered in the name of the Depository or its nominee and, so long as DTC is serving as the Depository thereof, will bear the following legend:

UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY (THE "**DEPOSITORY**"), TO THE COMPANY OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS A BENEFICIAL INTEREST HEREIN.

(2) Each Global Note will be delivered to the Trustee as custodian for the Depository. Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to the Depository, its successors or their respective nominees, except (1) as set forth in Section 2.3(b)(4) and (2) transfers of portions thereof in the form of Certificated Notes may be made upon request of an Agent Member (for itself or on behalf of a beneficial owner) by written notice given to the Trustee or on behalf of the Depository in accordance with customary procedures of the Depository and in compliance with this Section and Section 2.2.

(3) Agent Members will have no rights under the Indenture with respect to any Global Note held on their behalf by the Depository, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, the Depository or its nominee may grant proxies and otherwise authorize any Person (including any Agent Member and any Person that holds a beneficial interest in a Global Note through an Agent Member) to take any action which a Holder is entitled to take under the Indenture or the Notes, and nothing herein will impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any security.

(4) If (x) the Depository notifies the Company that it is unwilling or unable to continue as Depository for a Global Note and a successor depository is not appointed by the Company within 90 days of the notice or (y) an Event of Default has occurred and is continuing and the Trustee has received a request from the Depository, the Trustee will

promptly exchange each beneficial interest in the Global Note for one or more Certificated Notes in authorized denominations having an equal aggregate principal amount registered in the name of the owner of such beneficial interest, as identified to the Trustee by the Depository, and thereupon the Global Note will be deemed canceled. If such Note was an Offshore Global Note, then the Certificated Notes issued in exchange therefor will not bear the Restricted Legend.

(c) *Certificated Notes.* Each Certificated Note will be registered in the name of the Holder thereof or its nominee.

(d) *Transfers and Exchanges Generally.* A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Trustee a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by Section 2.2. The Trustee will promptly register any such transfer or exchange that meets the requirements of this Section by noting the same in the register maintained by the Trustee for the purpose; *provided* that (x) no transfer or exchange will be effective until the transfer or exchange is registered in such register and (y) the Trustee will not be required (i) to issue, register the transfer of or exchange any Note for a period of 15 days before a selection of Notes to be redeemed or purchased pursuant to an Offer to Purchase, (ii) to register the transfer of or exchange any Note so selected for redemption or purchase in whole or in part, except, in the case of a partial redemption (or purchase), that portion of any Note not being redeemed or purchased, or (iii) if a redemption or a purchase pursuant to an Offer to Purchase is to occur after a Regular Record Date but on or before the corresponding Interest Payment Date, to register the transfer of or exchange any Note on or after the Regular Record Date and before the date of redemption or purchase. Prior to the registration of any transfer, the Company, the Trustee and their agents will treat the person in whose name the Note is registered as the owner and Holder thereof for all purposes (whether or not the Note is overdue), and will not be affected by notice to the contrary.

From time to time the Company will execute and the Trustee will authenticate additional Notes as necessary in order to permit the registration of a transfer or exchange in accordance with this Section.

No service charge will be imposed in connection with any transfer or exchange of any Note, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than a transfer tax or other similar governmental charge payable upon exchange pursuant to paragraph (b)(4)).

(e) *Procedures to Be Followed by the Trustee.* (1) *Global Note to Global Note.* If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Trustee will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other

Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(2) *Global Note to Certificated Note.* If a beneficial interest in a Global Note is transferred or exchanged for a Certificated Note, the Trustee will (x) record a decrease in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (y) deliver one or more new Certificated Notes in authorized denominations having an equal aggregate principal amount to the transferee (in the case of a transfer) or the owner of such beneficial interest (in the case of an exchange), registered in the name of such transferee or owner, as applicable.

(3) *Certificated Note to Global Note.* If a Certificated Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Certificated Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

(4) *Certificated Note to Certificated Note.* If a Certificated Note is transferred or exchanged for another Certificated Note, the Trustee will (x) cancel the Certificated Note being transferred or exchanged, (y) deliver one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Certificated Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

3.500% SENIOR NOTE DUE 2027

This Note is one of a duly authorized issue of debentures, notes or other debt instruments of the Company (herein called the “**Securities**”), issued and to be issued in one or more Series under an Indenture dated as of August 9, 2022 (the “**Base Indenture**”), as supplemented by the First Supplemental Indenture dated as of August 9, 2022 (the “**First Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), between the Company and U.S. Bank Trust Company, National Association, as Trustee (herein called the “**Trustee**”, which term includes any successor Trustee under the Indenture), to which Indenture and any other supplemental indenture thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee, and the Holders of the Securities, the terms upon which the Securities are, and are to be, authenticated and delivered, and the definition of capitalized terms used herein and not otherwise defined herein. The Securities may be issued in one or more Series, which different Series may be issued in various aggregate principal amounts, may be denominated in different currencies, may mature at different times, may bear interest (if any) at different rates (which rates may be fixed or variable), may be subject to different redemption provisions (if any), may be subject to different sinking, purchase, or analogous funds (if any), may be subject to different covenants and Events of Default, and may otherwise vary as provided in the Indenture. This Note is one of a Series of Securities of the Company designated as set forth on the face hereof (herein called the “**2027 Notes**”), initially limited in aggregate principal amount to \$2,750,000,000.

Interest on the 2027 Notes will be payable semi-annually in arrears on each Interest Payment Date. If any Interest Payment Date, the Maturity Date or any earlier repayment date falls on a day that is not a Business Day, then payment of interest and/or principal that would otherwise be payable on such date will be made on the next succeeding Business Day. No interest will accrue on the amount so payable for the period from such Interest Payment Date, Maturity Date or earlier repayment date, as the case may be, to the date payment is made. Interest on the 2027 Notes will be paid on the basis of a 360-day year consisting of twelve 30-day months.

The Company may redeem the 2027 Notes, at its option, in whole or in part, at any time and from time to time prior to July 15, 2027 (one month prior to the maturity date of the 2027 Notes) (the “2027 Par Call Date”), in principal amounts of \$1,000 and integral multiples of \$1,000 in excess thereof, provided that the unredeemed portion of a 2027 Note must be in a minimum principal amount of \$2,000, for a redemption price equal to the greater of:

(i) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the 2027 Notes matured on the 2027 Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points, less (b) interest accrued to the Redemption Date, and

(ii) 100% of the principal amount of the 2027 Notes to be redeemed,

plus, in each case, accrued and unpaid interest to, but excluding, the Redemption Date.

The Company may redeem the 2027 Notes, at its option, in whole or in part, at any time and from time to time on or after the 2027 Par Call Date, in principal amounts of \$1,000 and integral multiples of \$1,000 in excess thereof, provided that the unredeemed portion of a 2027 Note must be in a minimum principal amount of \$2,000, at a redemption price equal to 100% of the principal amount of the 2027 Notes being redeemed plus accrued and unpaid interest to the Redemption Date.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each Series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities of each Series to be affected by such amendment or modification. The Indenture also contains provisions permitting the Holders of at least a majority in principal amount of the outstanding Securities of each Series to be affected by such waiver, on behalf of the Holders of Securities of such Series, to waive compliance by the Company with certain provisions of the Indenture or the Securities with respect to such Series. Once effective, any such consent or waiver by the Holder of this 2027 Note shall be conclusive and binding upon such Holder and upon all future Holders of this 2027 Note and of any 2027 Note issued upon registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this 2027 Note.

The Indenture contains provisions setting forth certain conditions to the institution of proceedings by Holders of Securities with respect to the Indenture or for any remedy under the Indenture.

If an Event of Default with respect to the 2027 Notes occurs and is continuing, the principal amount hereof may become immediately due and payable in the manner and with the effect provided in the Indenture.

No reference herein to the Indenture and no provision of this 2027 Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this 2027 Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this 2027 Note is registerable in the Security register, upon surrender of this 2027 Note for registration of transfer at the office or agency of the Company duly endorsed, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Company duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new 2027 Notes of the same Series of any authorized denominations and of a like aggregate principal amount and bearing such restrictive legends as may be required by the Indenture.

The 2027 Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, this 2027 Note may be exchanged for other

Securities of the same Series of any authorized denominations and of a like aggregate principal amount, upon surrender of this 2027 Note at the office or agency of the Company.

No service charge shall be made for any such registration or transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in connection therewith.

Prior to the presentment of this 2027 Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may deem and treat the Person in whose name this 2027 Note is registered on the Security register as the absolute owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this 2027 Note is overdue, and neither the Company, the Trustee, nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

The Company may, without the consent of the existing holders of the 2027 Notes, issue additional 2027 Notes of this Series having the same terms (except the issue date, the date from which interest accrues and, in some cases, the first interest payment date) so that existing 2027 Notes and additional 2027 Notes form the same series under the Indenture, provided, however, that if any such additional 2027 Notes are not fungible with the existing 2027 Notes for U.S. federal income tax purposes, such additional 2027 Notes will have a separate CUSIP number.

This 2027 Note shall be governed by and interpreted in accordance with the laws of the State of New York.

All terms used in this 2027 Note which are defined in the Indenture and are not otherwise defined herein shall have the meanings assigned to them in the Indenture.

3.850% SENIOR NOTE DUE 2032

This Note is one of a duly authorized issue of debentures, notes or other debt instruments of the Company (herein called the “**Securities**”), issued and to be issued in one or more Series under an Indenture dated as of August 9, 2022 (the “**Base Indenture**”), as supplemented by the First Supplemental Indenture dated as of August 9, 2022 (the “**First Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), between the Company and U.S. Bank Trust Company, National Association, as Trustee (herein called the “**Trustee**”, which term includes any successor Trustee under the Indenture), to which Indenture and any other supplemental indenture thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee, and the Holders of the Securities, the terms upon which the Securities are, and are to be, authenticated and delivered, and the definition of capitalized terms used herein and not otherwise defined herein. The Securities may be issued in one or more Series, which different Series may be issued in various aggregate principal amounts, may be denominated in different currencies, may mature at different times, may bear interest (if any) at different rates (which rates may be fixed or variable), may be subject to different redemption provisions (if any), may be subject to different sinking, purchase, or analogous funds (if any), may be subject to different covenants and Events of Default, and may otherwise vary as provided in the Indenture. This Note is one of a Series of Securities of the Company designated as set forth on the face hereof (herein called the “**2032 Notes**”), initially limited in aggregate principal amount to \$3,000,000,000.

Interest on the 2032 Notes will be payable semi-annually in arrears on each Interest Payment Date. If any Interest Payment Date, the Maturity Date or any earlier repayment date falls on a day that is not a Business Day, then payment of interest and/or principal that would otherwise be payable on such date will be made on the next succeeding Business Day. No interest will accrue on the amount so payable for the period from such Interest Payment Date, Maturity Date or earlier repayment date, as the case may be, to the date payment is made. Interest on the 2032 Notes will be paid on the basis of a 360-day year consisting of twelve 30-day months.

The Company may redeem the 2032 Notes, at its option, in whole or in part, at any time and from time to time prior to May 15, 2032 (three months prior to the maturity date of the 2032 Notes) (the “2032 Par Call Date”), in principal amounts of \$1,000 and integral multiples of \$1,000 in excess thereof, provided that the unredeemed portion of a 2032 Note must be in a minimum principal amount of \$2,000, for a redemption price equal to the greater of:

(i) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the 2032 Notes matured on the 2032 Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points, less (b) interest accrued to the Redemption Date, and

(ii) 100% of the principal amount of the 2032 Notes to be redeemed,

plus, in each case, accrued and unpaid interest to, but excluding, the Redemption Date.

The Company may redeem the 2032 Notes, at its option, in whole or in part, at any time and from time to time on or after the 2032 Par Call Date, in principal amounts of \$1,000 and integral multiples of \$1,000 in excess thereof, provided that the unredeemed portion of a 2032 Note must be in a minimum principal amount of \$2,000, at a redemption price equal to 100% of the principal amount of the 2032 Notes being redeemed plus accrued and unpaid interest to the Redemption Date.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each Series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities of each Series to be affected by such amendment or modification. The Indenture also contains provisions permitting the Holders of at least a majority in principal amount of the outstanding Securities of each Series to be affected by such waiver, on behalf of the Holders of Securities of such Series, to waive compliance by the Company with certain provisions of the Indenture or the Securities with respect to such Series. Once effective, any such consent or waiver by the Holder of this 2032 Note shall be conclusive and binding upon such Holder and upon all future Holders of this 2032 Note and of any 2032 Note issued upon registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this 2032 Note.

The Indenture contains provisions setting forth certain conditions to the institution of proceedings by Holders of Securities with respect to the Indenture or for any remedy under the Indenture.

If an Event of Default with respect to the 2032 Notes occurs and is continuing, the principal amount hereof may become immediately due and payable in the manner and with the effect provided in the Indenture.

No reference herein to the Indenture and no provision of this 2032 Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this 2032 Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this 2032 Note is registerable in the Security register, upon surrender of this 2032 Note for registration of transfer at the office or agency of the Company duly endorsed, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Company duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new 2032 Notes of the same Series of any authorized denominations and of a like aggregate principal amount and bearing such restrictive legends as may be required by the Indenture.

The 2032 Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, this 2032 Note may be exchanged for other

Securities of the same Series of any authorized denominations and of a like aggregate principal amount, upon surrender of this 2032 Note at the office or agency of the Company.

No service charge shall be made for any such registration or transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in connection therewith.

Prior to the presentment of this 2032 Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may deem and treat the Person in whose name this 2032 Note is registered on the Security register as the absolute owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this 2032 Note is overdue, and neither the Company, the Trustee, nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

The Company may, without the consent of the existing holders of the 2032 Notes, issue additional 2032 Notes of this Series having the same terms (except the issue date, the date from which interest accrues and, in some cases, the first interest payment date) so that existing 2032 Notes and additional 2032 Notes form the same series under the Indenture, provided, however, that if any such additional 2032 Notes are not fungible with the existing 2032 Notes for U.S. federal income tax purposes, such additional 2032 Notes will have a separate CUSIP number.

This 2032 Note shall be governed by and interpreted in accordance with the laws of the State of New York.

All terms used in this 2032 Note which are defined in the Indenture and are not otherwise defined herein shall have the meanings assigned to them in the Indenture.

META PLATFORMS, INC.

4.650% SENIOR NOTE DUE 2062

This Note is one of a duly authorized issue of debentures, notes or other debt instruments of the Company (herein called the “**Securities**”), issued and to be issued in one or more Series under an Indenture dated as of August 9, 2022 (the “**Base Indenture**”), as supplemented by the First Supplemental Indenture dated as of August 9, 2022 (the “**First Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), between the Company and U.S. Bank Trust Company, National Association, as Trustee (herein called the “**Trustee**”, which term includes any successor Trustee under the Indenture), to which Indenture and any other supplemental indenture thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee, and the Holders of the Securities, the terms upon which the Securities are, and are to be, authenticated and delivered, and the definition of capitalized terms used herein and not otherwise defined herein. The Securities may be issued in one or more Series, which different Series may be issued in various aggregate principal amounts, may be denominated in different currencies, may mature at different times, may bear interest (if any) at different rates (which rates may be fixed or variable), may be subject to different redemption provisions (if any), may be subject to different sinking, purchase, or analogous funds (if any), may be subject to different covenants and Events of Default, and may otherwise vary as provided in the Indenture. This Note is one of a Series of Securities of the Company designated as set forth on the face hereof (herein called the “**2062 Notes**”), initially limited in aggregate principal amount to \$1,500,000,000.

Interest on the 2062 Notes will be payable semi-annually in arrears on each Interest Payment Date. If any Interest Payment Date, the Maturity Date or any earlier repayment date falls on a day that is not a Business Day, then payment of interest and/or principal that would otherwise be payable on such date will be made on the next succeeding Business Day. No interest will accrue on the amount so payable for the period from such Interest Payment Date, Maturity Date or earlier repayment date, as the case may be, to the date payment is made. Interest on the 2062 Notes will be paid on the basis of a 360-day year consisting of twelve 30-day months.

The Company may redeem the 2062 Notes, at its option, in whole or in part, at any time and from time to time prior to February 15, 2062 (six months prior to the maturity date of the 2062 Notes) (the “2062 Par Call Date”), in principal amounts of \$1,000 and integral multiples of \$1,000 in excess thereof, provided that the unredeemed portion of a 2062 Note must be in a minimum principal amount of \$2,000, for a redemption price equal to the greater of:

(i) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the 2062 Notes matured on the 2062 Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 25 basis points, less (b) interest accrued to the Redemption Date, and

(ii) 100% of the principal amount of the 2062 Notes to be redeemed,

plus, in each case, accrued and unpaid interest to, but excluding, the Redemption Date.

The Company may redeem the 2062 Notes, at its option, in whole or in part, at any time and from time to time on or after the 2062 Par Call Date, in principal amounts of \$1,000 and integral multiples of \$1,000 in excess thereof, provided that the unredeemed portion of a 2062 Note must be in a minimum principal amount of \$2,000, at a redemption price equal to 100% of the principal amount of the 2062 Notes being redeemed plus accrued and unpaid interest to the Redemption Date.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each Series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities of each Series to be affected by such amendment or modification. The Indenture also contains provisions permitting the Holders of at least a majority in principal amount of the outstanding Securities of each Series to be affected by such waiver, on behalf of the Holders of Securities of such Series, to waive compliance by the Company with certain provisions of the Indenture or the Securities with respect to such Series. Once effective, any such consent or waiver by the Holder of this 2062 Note shall be conclusive and binding upon such Holder and upon all future Holders of this 2062 Note and of any 2062 Note issued upon registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this 2062 Note.

The Indenture contains provisions setting forth certain conditions to the institution of proceedings by Holders of Securities with respect to the Indenture or for any remedy under the Indenture.

If an Event of Default with respect to the 2062 Notes occurs and is continuing, the principal amount hereof may become immediately due and payable in the manner and with the effect provided in the Indenture.

No reference herein to the Indenture and no provision of this 2062 Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this 2062 Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this 2062 Note is registerable in the Security register, upon surrender of this 2062 Note for registration of transfer at the office or agency of the Company duly endorsed, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Company duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new 2062 Notes of the same Series of any authorized denominations and of a like aggregate principal amount and bearing such restrictive legends as may be required by the Indenture.

The 2062 Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, this 2062 Note may be exchanged for other

Securities of the same Series of any authorized denominations and of a like aggregate principal amount, upon surrender of this 2062 Note at the office or agency of the Company.

No service charge shall be made for any such registration or transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in connection therewith.

Prior to the presentment of this 2062 Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may deem and treat the Person in whose name this 2062 Note is registered on the Security register as the absolute owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this 2062 Note is overdue, and neither the Company, the Trustee, nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

The Company may, without the consent of the existing holders of the 2062 Notes, issue additional 2062 Notes of this Series having the same terms (except the issue date, the date from which interest accrues and, in some cases, the first interest payment date) so that existing 2062 Notes and additional 2062 Notes form the same series under the Indenture, provided, however, that if any such additional 2062 Notes are not fungible with the existing 2062 Notes for U.S. federal income tax purposes, such additional 2062 Notes will have a separate CUSIP number.

This 2062 Note shall be governed by and interpreted in accordance with the laws of the State of New York.

All terms used in this 2062 Note which are defined in the Indenture and are not otherwise defined herein shall have the meanings assigned to them in the Indenture.
