## **Standard Chartered to organise its second UAE National Job Fair**

**UAE, [20 September,] 2014** - In line with its Emiratisation vision 2020: to be the International employer of choice for local talent, Standard Chartered is to organise the second edition of its UAE National Job Fair on September 25, 2014 at the Diamond Ballroom 1 and 2, the Address Dubai Mall.

The one-day event is aimed at identifying and recruiting high calibre talented young UAE Nationals willing to venture into the world of banking and finance. The event will also highlight new available career opportunities as well as the advantages of working at one of the world's leading international banks. Earlier this year, the Bank organised its first job fair which was well-attended and highly commended by the regulators.

The Bank provides a number of training programmes, a highly competitive working environment, and above-standard compensation packages and benefits to all of its UAE nationals. As from organising its own career fair, Standard Chartered also regularly participates in various recruitment exhibitions and fairs across the country.
