

IMPORTANT Ensure the Safety of your Account

Always keep the following steps in mind to protect yourself from Fraudulent Transactions:

1. Do not allow anyone else to use your Debit Card on your behalf.
2. Do not share your PIN with anyone or allow anyone to observe your PIN when you enter it into an ATM or another electronic equipment.
3. Ensure that you only use your Debit Card in reputable merchants and that it is swiped in your presence.
4. It is your responsibility to regularly monitor the transactions in your account. If you feel a transaction(s) has been made which was not authorised by you, immediately contact our 24-hour Phone Banking Service.
5. If your card is lost or stolen, report it to the Bank immediately either in person or by contacting Phone Banking on **600 5222 88**.

Thank you.
