Standard Chartered launches Standard Chartered Mobile App

Bandar Seri Begawan, 28 July 2017 – Standard Chartered Bank has launched its Standard Chartered Mobile App, enabling the Bank's customers and clients the flexibility and freedom to bank anytime, anywhere on their mobile devices.

The Standard Chartered Mobile App is an award winning app in the region featuring:

- Easy access to customers account by single sign in login as per the Bank's Online Banking login.
- Quick and easy payment on the go by adding on beneficiaries via minimal steps and SMS authentication method.
- Convenient transaction viewing by date using calendar function to filter transactions.

The app is available for both IOS and Android devices.

Anirvan Dastidar, CEO Standard Chartered Bank Brunei said:

"I am extremely delighted of the launch of the Standard Chartered Mobile App. Together with the Debit Card launched earlier this year, this has been an exciting year for the bank where we have grown in leaps and bounds on our offerings for our customers and clients. The launch of the app reiterates our commitment to our customers to provide greater convenience and more efficient service for them and we look forward to continue delivering on our commitment."

To further enhance the launch of the Standard Chartered Mobile App, the bank is also running a Digital Banking Promotion where customers who perform transactions online will earn points for their eligible transactions. Highest point earners will receive a Samsung S8 and Samsung Gear S3 device each month of the promotion.

All online transaction performing customers can have a chance to win Apple products in the grand draw of the promotion which will be held at the end of the promotion when they qualify with their online transactions each month of the promotion. The promotion runs from now until 30 September 2017.

Earlier this year, Standard Chartered launched its Visa Platinum and Visa Gold Debit Cards offering a market-first of up to 0.8% cashback programme on all debit card transactions while incorporating payment convenience with Visa payWave technology.
