## **Standard Chartered Bank Employees Cleans Turtles**

**Bandar Seri Begawan, 3 August 2017** – Standard Chartered Bank employees volunteered their personal time to help clean turtles and their enclosures at the Biodiversity Marine Centre in Meragang.

A total of 11 Standard Chartered employees and four guests of the Bank attended the volunteer activity, organized by the Standard Chartered Bank Recreation Club (SCBRC) and working closely with local environmental group, BruWild.

Some of the activities the volunteers did apart from learning about sea turtles conservation are, weighing and measuring the sea turtles, feeding the sea turtles and cleaning the sea turtles and their tanks.

David Kwan, Chairman of the SCBRC said:

“Sustaining and preserving our environment is a strong part of Standard Chartered Bank’s work culture. We would like to extend our thanks to BruWild for their continuous efforts to improve Brunei’s environment. Not a lot of people are aware of the dangers the turtles in our waters face, and we hope that by doing this, we are able to create more awareness around it.”

The Standard Chartered Bank Recreation Club (SCBRC) is run by a selected committee of staff who organise extra-curricular events such as trips, sports competitions and gatherings. To ensure that Standard Chartered Bank is a great and healthy workplace for all its employees, the Bank encourages its employees to take time out to engage in break out activities within their teams, which enables them to maintain a healthy work life balance and to develop the capacity for effective working relationships.
