Standard Chartered Bank holds Sungkai event for employees

Bandar Seri Begawan, 19 June 2017 – More than 130 Standard Chartered Bank’s Brunei employees last weekend were treated to a “Sungkai” hosted by Standard Chartered Bank Recreational Club (SCBRC) at Frescho Megabuffet at Parkview Hotel. Organised as a yearly event, the Sungkai gathering served as an employee engagement activity and to show appreciation to the diverse cultures surrounding the bank.

David Kwan, Chairman of Standard Chartered Bank Recreational Club said:

“At Standard Chartered Bank, we believe in striking a healthy balance between work and play. While we get to know our colleagues in the workplace, it is equally important to get to know them outside of work as it will help to deepen engagement and communication levels among employees.”

It is hoped that continuous employee engagement initiatives such as the Sungkai get-together will encourage more open communications and also strengthen the bank’s dynamics as employees will understand one another.

The Standard Chartered Bank Recreation Club (SCBRC) is run by a selected committee of staff who organise extra-curricular events such as trips, sports competitions and gatherings. To ensure that Standard Chartered Bank is a great and healthy workplace for all its employees, the Bank encourages its employees to take time out to engage in break out activities within their teams, which enables them to maintain a healthy work life balance and to develop the capacity for effective working relationships.
