

press release

Standard Chartered employees volunteer to run Junior Achiever's financial education programme

Bandar Seri Begawan, 16 November 2017 – Employees from Standard Chartered Bank, volunteered to conduct the Junior Achievement (JA) Economics for Success Programme to 27 students from Sekolah Omar Ali Saifuddien (SOAS) earlier this week.

The 3 days JA Programme was aimed at facilitating students with tips and thought processes on selecting a career, manage savings and spending, and more through engaging activities and games.

This volunteer work is one of the ways that Standard Chartered contributes to the community in financial literacy and to develop human capacity while engaging employees meaningful and rewarding activities outside of work.

Marilyn Graeme, Head of Corporate Affairs, Brand and Marketing said:

“It is always rewarding for Standard Chartered Bank to be able to empower the younger generation with knowledge that will help them in their future. Financial literacy is a primary focus for the Bank and we would like to thank SOAS and Junior Achiever's for allowing us to be a part of this positive activity.”

Louis Tan, Managing Director of Junior Achievement Brunei, said:

“This is the second year that Standard Chartered volunteered for this programme. It was a great contribution as the students showed positive feedback through the interactions. Hopefully this will allow the students to have awareness of their skills and equip them with valuable lessons.”

The Junior Achievement Programme was established in Brunei in September 2012 and with the support of Ministry of Education, JA has done collaboration with schools in the Brunei-Muara District.
