Standard Chartered launches Biometric Login Service to SC Mobile App

Bandar Seri Begawan, 7 February 2018 – In an effort to deliver a seamless and convenient banking experience to its clients, Standard Chartered Bank's latest technology enables its clients to securely access their bank account balances, cards and investments using their unique biometric features as identifiers. The SC Mobile is the first app in Brunei that uses biometric security to access a complete suite of banking services.

Standard Chartered's clients will be able to access the Bank's mobile banking services on their smartphones and iPads using the face and fingerprint recognition features of the app. With this biometric login service, clients can instantly access their mobile banking on the go using the secure biometric recognition technology built into these devices.

Anirvan G. Dastidar, CEO Standard Chartered Bank Brunei said:

“The introduction of biometric login capability shows our commitment to deliver the latest in digital banking innovation to our clients. We are focused on making client experience a positive one, emphasizing on quick and easy logins to a full range of banking transactions that are safe and secure – this is a first for the banking industry in Brunei. Touch ID and Face ID Login represent our current effort to improve client's experience and we will be introducing many more initiatives going forward.

Touch ID login is available for iPhone (IOS) and selected Samsung devices (Android) while Face ID login is currently available on the iPhone X. Availability on other devices is dependent on the biometrics features available on the device and supporting platform.
