To provide you with the best digital solutions, we welcome you to our upgraded Online Banking system. With a clean, modern banking experience and simplified navigation, we’ve made tracking your money quicker and easier.

**Overview Of Your Accounts**
Know your account balances and loan amounts at a click of a button on your home screen.

**Simplified Navigation**
From transfers to loan details, view and transact with ease.

**Account Summary & Transaction History**
Get an in-depth summary of any/all your accounts with us along with a detailed history of all your transactions.

**Global Accounts**
No matter where you want to bank, with Standard Chartered Online Banking, we have it covered.

**Standing Orders**
Keep a track of your standing orders at all times.

**Loan Details & History**
From the next instalment amount to the overdue amount, get an overview of your loan(s) at a touch of a button.

**Bill Payments**
Pay all your utility bills anytime, anywhere. These include: DSTV, ECG, GOTV, SURFLINE, and VODAFONE BROAD BAND. You can also purchase airtime across all networks.

**Add Biller**
The last thing you should worry about is how to pay your new biller. Simply add them to the payments list and leave the rest to us.

**Payment History**
Know about all the other payments made from your account(s).

**Transfer Between Own Accounts**
Manage your finances by transferring your money from one account to another.

**Transfer History**
Be it internal, global or scheduled transfers; get access to all the information with ‘Transfer History’.

**Open New Account**
Now you can open any account without having to go to the branch. This takes ease of banking to a whole new level. Click on ‘Apply’ at the homepage and you should be on your way to own an account.

**Submit And View Service Requests**
From a cheque book request to a statement request, it is all made easy with Standard Chartered Online Banking.
