- Standard Chartered Bank, India, has produced this brochure to keep you informed of our broad range of services.
- Our fees and charges reflect our commitment to providing our customers with quality service at competitive prices.
- The Bank reserves the right to amend the terms, conditions or rate stated in the brochure and to assess charges on transactions which are not covered by this schedule.
- The latest SOSC is available on our website. Clients are advised to refer to the website for the latest SOSC.
- Safe Deposit Lockers are available at certain branches and can be offered to a customer upon request. Charges for the same are available at the respective branches.
- Effective 1 June 2016, in addition to existing service tax rate @ 14%, and SBC @0.5% there would be an additional levy of Krishi Kalyan Cess (KKC) @0.5% on the value of taxable service thereby the total rate of service tax applicable would be 15% (inclusive of SBC & KKC). The revised rate of 15% is applicable on all Bank products & services offered.
- Service tax on purchase and sale of foreign currency effective 1st June 2015 would be as per table given below:-

Transaction Amount	Service Tax Payable
Upto INR 0.1 mn	0.14% of the transaction amount subject to the minimum amount of INR 35
> INR 0.1 mn but < or = INR 1 mn	INR 140 + 0.07% of the transaction amount
> INR 1 mn	INR 770 + 0.014% of the transaction amount subject to maximum amount of INR 7000

- Additionally there would be applicable SBC and KKC which would be service tax amount computed as per table above multiplied by 0.5/14 respectively. In other words for maximum amount of service tax of INR 7000 the SBC applicable would be  $INR\ 7000 \times 0.5/14 = INR\ 250$  and KKC applicable would be  $INR\ 7000 \times 0.5/14 = INR\ 250/-$ . The maximum service tax including SBC and KKC would therefore be INR 7500/-.
