

Discontinuation of SMS Banking services

Dear Customer,

With the introduction of mobile banking through our SC mobile application, we will cease our SMS banking services for transactions with effect from 8th June. All functionalities provided via SMS banking and more are accessible to you through the mobile application.

SMS alerts will continue.

Download the mobile app now on Android <http://on.sc.com/Android> or IOS <http://on.sc.com/iOS> to keep in touch with your account activity.
