

**Securing a stable
future for your child
just got more rewarding.**

Enjoy a host of attractive gifts when
you save with the My Dream Account.

While you save to gift your children the future of their dreams, we aim to make your children understand the virtues of saving, by rewarding them with exclusive benefits and privileges based on their account balance.

We have now revised our reward scheme to include more exciting rewards for each age category. Once your account balance reaches the required threshold, these rewards will be offered to your child, thus encouraging them to save more.
