Inherent risks

You acknowledge that there are inherent risks in conducting transactions over the internet or electronic networks and you have voluntarily assumed those risks.

Part A - Our banking relationship

1 The terms of our relationship

- 1.1 We have a range of products designed to suit your personal banking needs, some of which may be accessed through our *electronic banking services*. The specific features of our *products* are available on request. Depending on your location some *products* may not be available to you depending on your location. Depending on your location, some *products* may not be accessible through our *electronic banking services*. Your electronic access to such *products* may be withdrawn, amended, terminated or suspended at any time where its reasonable to do so.
- 1.2 If you want to access or use a *product* in any manner including electronically, you need to complete an *application* to ask us to approve your use of it. Different eligibility criteria may apply to different *products*. These may include minimum or maximum age or deposit amounts. Fees, commissions or other charges may apply for such access or use. We retain the right to refuse such application and where required by law we will provide a reason. You may contact your branch should you require further details about our *products* or our *electronic banking services*.
- 1.3 Our *electronic banking services* are available to you only after we have approved it for your use.
- 1.4 If we agree to provide a *product* to you and allow you to access or use a *product* through our *electronic banking services*, the terms on which you may use the *product* are called our "banking agreement". This is made up of the following documents for the *product*:
- the *application*;
 - any *letter of offer*;
 - these Client Terms;
 - the *product terms*;
 - our *approval*;
 - the *tariff sheet, or Fees and Charges booklet or pricing guide*;
 - any guidelines we issue in connection with use of the *product* (including guidelines and terms and conditions for use of *electronic banking services*);
 - any other terms and conditions that form part of our banking agreement as varied or replaced from time to time.

A separate banking agreement is entered into each time you and we agree that you may use a *product*. For example, if you accept a *letter of offer* for more than one *product*, a separate "banking agreement" is established at that time for each *product* on the terms set out, or referred to, in the *letter of offer*.

The terms of our banking agreement apply to each access or use of the *product*, including any access or use of the *product* through our *electronic banking services*, by you or any *authorised person*. If you or an *authorised*

person does not agree with the terms of our banking agreement, you or they should not carry out the transaction or access any *account*. You are responsible for ensuring that each *authorised person* complies with our banking agreement and for anything an *authorised person* does in connection with our banking agreement. You must ensure that each *authorised person* is given a copy of the terms that apply to any *product* they use and this Client Terms.

- 1.5 If you are not a resident of Malaysia, additional terms and conditions may apply as notified by us at any time.
- 1.6 Transactions with any of our offices or group of companies outside Malaysia are not protected by Malaysian laws.

These Client Terms replaces all earlier general terms and conditions relating to banking services except where we advise you otherwise.
- 1.8 If there is any inconsistency between:
- the *application* and any other terms of our banking agreement, the other terms prevail; and
 - these Client Terms and any specific terms (such as the *product terms* or any *letter of offer*), the specific terms prevail.
- 1.9 Our banking agreement does not apply to an *existing product or service* unless otherwise provided in the *product terms*.

2 Pre-conditions to use of any product

We retain the right to refuse to provide any funds to you and we may refuse to allow you to access or use a *product* or our *electronic banking services* if:

- we consider you may be in *default*;

- you have not given us the *security* (if any) we require in addition to the *security* set out in Part I (Security);
- we consider that you may not be able to satisfy your obligations to us under our banking agreement. We may determine this is the case if, for example, there has been a change in your financial position since the date of your *application*;
- we advise you that funds can only be provided or the *product* can only be used during a specified period (called the availability period), and that period has expired;
- your request for funds exceeds the applicable limit;

3 Review

We may review the terms of our banking agreement (including the *product terms* and your conduct under our banking agreement) annually or at any time. Even if there is no *default*, we may (subject to applicable law), at any time:

- terminate or cancel our banking agreement;
- vary any limit or interest rate applying to the *product* or vary the term of the *product*;
- require additional *security*;
- otherwise vary the terms of our banking agreement.

If we vary these Client Terms, we will post the amended terms at www.sc.com/my. You should check the foregoing website frequently. Once posted, we will treat your subsequent use of our services and products as your acceptance of the variation.

Part B - Operating accounts

4 Authority

Account operating authority

4.1 When you apply for a *product*, you agree to provide account operating authority details:

- for all *authorised persons*; and
- for joint *accounts*, the method of operation (either, any one accountholder to give instructions or all accountholders to give instructions jointly). If no method of operation is specified, any one accountholder may operate the account.

If on a joint *account* you require more than one accountholder to sign, then you may be able to view (but not give instructions on) the *account* using an *electronic banking service* if each relevant accountholder approves the relevant access.

4.2 We act on the account operating authority until you vary (by removing or adding *authorised persons*) or cancel it. If you want to vary the account operating authority by changing either the *authorised persons* or the method of operation, or cancel the account operating authority, you must give instructions in writing to the branch where the *account* is conducted. On receipt of the instructions, we will vary or cancel the account operating authority. The variation or cancellation becomes effective within 7 banking days after we accept your instructions. We may continue to act on the existing account operating authority until the variation or cancellation becomes effective.

4.3 We may honour for payment all cheques and other instruments signed in accordance with the previous authority if they are dated before, but presented after we have processed the instructions to vary and cancel the authority.

4.4 We rely on any instructions given by an *authorised person* in accordance with the account operating authority.

4.5 You may have one or more than one product with us. For each product that you have with us, you must use the same signature as used on the account operating authority for that particular product. For clarification, you can also choose to use the same signature for all your products.

Scope of account operating authority

4.6 Except to the extent you may limit the authority of an *authorised person* each *authorised person* may act on the *account*. Depending on the *product*, an *authorised person* may:

- draw cheques;
- overdraw to any extent permitted by us;
- withdraw money in any manner;
- give and cancel authorities in our usual form for periodical payments;

- stop a payment of a cheque drawn on the *account*;
- access and operate the *account* using an *electronic banking service* in accordance with our banking agreement;
- obtain statements of *account* and any information required concerning the *accounts* generally;
- obtain cheque books and endorse cheques or other instruments payable to your order or if it is a joint *account*, payable to any one or more of you; and
- elect on your behalf to receive *eStatements* and *eAdvices* and notices electronically (instead of by mail), and cancel that election.

Conducting an account in joint names

4.7 Unless otherwise agreed with us when a joint *account* is opened:

- operations on the *account* are governed by the account operating authority;
- we need not enquire into the circumstances of any instructions any of you may give in relation to the conduct of the *account*;
- we are authorised to accept for credit of the joint *account*, any cheque or other instrument payable to one or more of you;
- each of you is liable to us jointly and separately for the *balance owing* (including if we permit an overdrawing);
- if the account operating authority is "single signing authority" and any one accountholder instructs us to stop accepting instructions from any other accountholder, or different accountholders give us conflicting instructions, we may suspend the operations on the *account* until we receive confirmation from all accountholders;
- if the account operating authority is "single signing authority" and we are notified that an accountholder becomes *insolvent* or incapacitated, we may suspend operation of the *account* until we are satisfied that all other accountholders are aware of the circumstances and the legal representatives of the affected accountholder has provided us with the information we require to resume operations on the *account*;
- if the account operating authority is "both/all to sign" and we are notified that an accountholder becomes *insolvent* or incapacitated, we accept instructions only from the affected accountholder's legal representative and all other accountholders; and
- if one of you dies, the surviving accountholder may give instructions and obtains title to the account.

- 4.8 If one joint accountholder dies, the obligations of the surviving accountholder and our rights (including set off) under our banking agreement are not affected.

5 Instructions

Authorisation

- 5.1 You authorise us to act on instructions from you or any *authorised person* (including any instructions we believe to have been given by you or an *authorised person*). You acknowledge that for *electronic banking services*, we may require use of a *security code* and use of a *security code* is evidence that the instruction is authorised by you or an *authorised person*. However, also see clause 19 (Liability for transactions).
- 5.2 You agree that the use of *security codes* is adequate identification of you. It is further agreed that we are entitled to act on instructions (provided using the *security codes*) without obtaining any further written or other confirmation from you. We will not be liable for taking such action unless you had notified us before such unauthorised instructions were given to us that your *security codes* are or might be known to someone else.

Form of instructions

- 5.3 Instructions must be given in writing. However, we may accept instructions by telephone, fax or through any *electronic banking service* if you are able to produce any documents we may require.
- You understand that you are responsible for ensuring the timeliness, accuracy, adequacy and completeness of all instructions given by you and therefore we will not be liable for any *loss* or damage as a result of:
- your instructions to pay or transfer funds being late, inaccurate, inadequate or incomplete; or
 - any third party refusing or delaying to pay or transfer the funds to the account of the intended payee.
- 5.4 You acknowledge that email is not a completely reliable or secure method of communication. You must not use it to send us:
- notices in connection with any of our banking agreements; or
 - sensitive communications, such as payment instructions. Payment instructions should be sent through the *electronic banking service* connected to your *account*.
- 5.5 You acknowledge that all instructions given (and our records of those instructions) in electronic form are original documents in writing.
- 5.6 You must ensure your *account* has sufficient funds for the purposes of giving instructions to us.
- 5.7 You acknowledge and understand that all instructions cannot be reversed or cancelled and are binding on you.
- 5.8 When we receive a transaction instruction from you, we will debit any payment plus any charges payable for the transaction from your *account*.

- 5.9 Contact us if you need to confirm that an instruction has reached us and that it will be carried out by a particular time.

- 5.10 We will be deemed to have received or executed your instruction only when you have received our confirmation that we have received or executed such instructions.

How we may act

- 5.11 We may:
- act on incomplete or unclear instructions if we reasonably believe we can correct the information without referring to you or an *authorised person*. Otherwise, we may refuse to act on incomplete or unclear instructions;
 - act on instructions which conflict with each other and determine the order of acting if multiple instructions are received;
 - specify conditions on which we accept any instructions;
 - verify any instruction we receive by contacting you;
 - require written confirmation from you of a particular instruction;
 - reverse any action taken on the basis of an instruction if our internal checks indicate that the instruction was not from you. We will not be responsible for any *loss* to you that results from such reversal;
 - act in accordance with our usual business practice and procedure and we need only accept instructions if we consider it reasonable and practicable to do so. For example, we may refuse to act if an instruction may involve a breach of our policy, any security procedure or any law or requirement of any authority (including any economic and trade sanctions imposed by any regulator in any jurisdiction where we operate in or by any supranational organisation, official body including, but not limited to , Her Majesty's Treasury, the United Nations, the European Union or any country), result in an *account* being overdrawn, appears to conflict with another instruction from a joint accountholder or if we genuinely believe or suspect the instruction is unauthorised.
- 5.12 We will not execute your instructions, and will not be responsible for any *loss* resulting from such non-execution, if on the stipulated date of execution:
- there are insufficient funds in your *account* to execute your instructions;
 - your *account* does not contain sufficient funds to pay any charges, fees, interest or other sums that may be payable by you to us;
 - you did not correctly use the *electronic banking services*;
 - *circumstances beyond our control* prevent your instructions from being carried out despite reasonable precautions taken by us;

- the funds you instruct us to transfer or pay exceeds your personalised daily transfer limit or the category limit imposed on your *account*, whichever is lower;
- your *account* or any funds in your *account* have been put on hold;
- an order of court or any applicable law prohibits us from carrying out your instructions;
- our policy, security procedure or requirement of any authority (including any economic and trade sanctions imposed by any regulator in any jurisdiction where we operate in or by any supranational organisation, official body including, but not limited to, Her Majesty's Treasury, the United Nations, the European Union or any country) prohibits us from carrying out your instructions; or
- your *account* is closed, frozen or inaccessible for any reason.

5.13 We may impose a service charge on unsuccessful *applications* to transfer funds or pay bills in the event this is due to the circumstances set out in the first 2 sub-points of clause 5.11 above. You will also be responsible for any charges imposed, or any other action taken, by a receiving bank or payee or an intended receiving bank or payee if any of the circumstances in clause 5.11 apply.

Payment instructions

5.14 You authorise us to act as the instructing financial institution to send your payment instructions (for example a cheque, traveller cheque, money order or other similar instrument). You also authorise us or any third party who receives the payment instructions to act on them as if you had sent the payment instructions directly to them.

Inability to process

5.15 If we cannot process your instructions, we will, where possible, attempt to notify you of this.

Timing

5.16 If we receive an instruction on a non-banking day or after our "cut-off time" for a *product*, we may treat it as having been received on the next banking day.

Stopping or reversing a transaction

5.17 If we are instructed in writing to stop or reverse a transaction, we will attempt to do so. However, we are not liable for any *loss* you incur if we cannot do so. You will pay us for any *costs* we may incur in trying to stop or reverse a transaction.

Risks

5.18 You acknowledge and accept the risks of giving instructions by telephone, fax or through any *electronic banking service* (including the risk of technical malfunction in your or our electronic equipment, the risk of any instructions being unauthorised or given by an unauthorised person, the risk that we may process instructions twice if you send the same instructions to us in

different forms and the risk that any information sent by *electronic banking services* cannot be guaranteed to be secure or free from virus, delay or any other third party attacks). In particular, we will not be responsible for wrongful instructions caused by malware in your computer or device; or man-in-the-middle attacks).

Instructions from us

5.19 You and each *authorised person* must follow our instructions in connection with accessing or using a *product* and comply with all applicable laws.

6 Account overdraw

6.1 If you or an *authorised person* makes any withdrawal, payment or other transaction on an *account* (including by cheque or use of a *card* or *electronic banking service*) or any other debit is made to the *account* which would result in:

- a debit (or negative) balance in the *account*, or
- any agreed overdraft limit applying to the *account* under a line of credit or other loan facility being exceeded,

this is known as overdrawing the *account*.

6.2 We need not:

- accept any instruction or allow any withdrawal or transaction or honour any cheque or other instrument drawn on an *account*, which would cause an *account* to be overdrawn; or
- transfer funds from any other *account* to the overdrawn *account* in order to effect the withdrawal or transaction.

6.3 We may allow an *account* to be overdrawn (even if no request has been made for an overdraft) if we believe that an overdraft is necessary for us to carry out instructions from you or an *authorised person*.

6.4 If we allow an *account* to be overdrawn:

- this only applies for that particular instruction and this does not mean that we will allow a similar overdraft in the future;
- the amount by which the *account* is overdrawn is treated as an advance by us to you and you owe us a debt equal to that amount;
- when we ask, you must repay that advance and any interest which is calculated in accordance with our usual practice and at the interest rate that we notify to you.

7 Notices and communications

Contact information

7.1 It is important that you provide in writing your address, telephone, fax number, email address and mobile phone number for receipt of notices and other communications in connection with our banking agreement. If these details change you must give us reasonable advance notice in writing or through any other medium we allow, before the change has taken place. If you fail to do so, we

may contact you through any reasonable means to update this information. However, we are not required to do this. If you intend to live outside of Malaysia you must immediately notify us.

Form of notices and communications

7.2 Unless otherwise provided in our banking agreement, notices and communications shall be sent to the address, telephone number, fax number, email address or mobile phone number which we have on record for you. In the event that you notify us of a change in your contact details, we may send you a letter of notification of the change in your contact details to the address you previously notified us of as well as to the new address as notified by you and you consent to this. You authorise us to send notices and communications to you in connection with our banking agreement electronically including by fax, email, SMS or via the *online banking* inbox. Where we have reason to believe that notices and communications sent to the address, telephone number, fax number, email or mobile phone number last notified have not reached you, we may, but shall not be obliged to, stop sending notices and communications to that address, telephone number, fax number, email or mobile phone number (as the case may be). We may suspend or stop sending you notices and communications if we reasonably believe that you no longer reside or working at such last notified address or that there is a change in your telephone number, fax number, email or mobile phone number

7.3 In some cases, our notices and communications may be made as public announcements in daily newspapers, posted at any of our branches, our ATMs or on our website.

When notices and communications to you are effective

7.4 Unless otherwise provided in our banking agreement, our notices and communications to you are effective:

- if sent by fax, at the time shown on the transmission report as being successfully sent;
- if delivered personally, at the time of delivery;
- if sent by post, 5 banking days after posting;
- if sent by email or SMS, 4 hours after we send it unless we receive a delivery failure receipt;
- if delivered via the *online banking* inbox, 24 hours after we send it; and
- if published in daily newspapers, posted at any of our branches, our ATMs or on our website, at the time of publication or posting.

When notices and communications to us are effective

7.5 Your communications are effective when we actually receive them in legible form and only if they are expressly marked for the attention of the department or officer identified by us (or any substitute department or officer as we notify you).

7.6 You should give us any other formal notice in connection with the *electronic banking services* in writing to any of our branches in the country where you maintain an *account*.

Recording of telephone conversations

7.7 Subject to any applicable law, you consent to us recording our telephone conversations with you or an *authorised person* (and you confirm you are authorised to provide consent on behalf of the *authorised person*). We may inform that person when we do. We may use the recorded conversations or transcripts in any dispute in connection with our banking agreement.

Electronic or Digital signatures

7.8 Instructions and communications electronically signed or digitally signed and supported by a digital certificate have the same validity, admissibility and enforceability as if signed in writing.

7.9 Any notice or communication that is electronically signed or digitally signed must comply with any applicable law.

Electronic contracts

7.10 You are satisfied that electronically executed contracts are enforceable despite the legal risks associated with them.

7.11 You agree that the contents of any notice or communication (including any application) sent to us using electronic equipment are not disputed.

Notices and communications to joint accountholders

7.12 If you are joint accountholders, notices and communications (including notice of any variation to our banking agreement and any statements (including any *consolidated statements*)) sent to the address you have notified us as the address for receipt of notices and other communications in connection with our banking agreement are taken to be given to all of you.

7.13 All communications, including communications through the *electronic banking services*, which meet our internal requirements, shall be deemed to be valid, accurate and authentic.

Phone banking

7.14 When using phone banking, if you ask and we quote any exchange rate or interest rate to you, the rates are for your reference only and are not binding on us unless we later confirm the rates in writing.

7.15 You must ensure your *account* has sufficient funds for the purposes of giving instructions using phone banking.

Please contact us for details of the *electronic banking services* available to you.

Using electronic equipment

- 8.2 When a transaction is made with *electronic equipment* using a *security code*, you authorise us to act on the instructions entered into that *electronic equipment*.

We treat use of a *security code* as evidence that you or an *authorised person* issued the instructions.

Problems with instructions

- 8.3 If it is not possible to direct an *electronic banking service* to a specified *account* in accordance with the instructions you or an *authorised person* gives through the *electronic equipment*, we may direct it to any *account* that is linked to a *security code*.

9 Using electronic banking services

Availability

- 9.1 *Electronic banking services*, and certain facilities under the *electronic banking services*, may be available only for certain types of accounts or *products* and not others. You accept that there are certain facilities and services that cannot be accessed through our *electronic banking services*.

Eligibility

- 9.2 You and each *authorised person* must be at least 18 years of age to use *electronic banking services*. However, if we permit you or an *authorised person* to use *electronic banking services* even though you or

they are below 18 years of age, this does not affect our rights under our banking agreement.

Preconditions to use

- 9.3 We only make an *electronic banking service* available if:
- you are recorded as the legal and beneficial owner of an *account* and use of the *electronic banking service* in respect of such *account* is acceptable to us;
 - you have registered for our *electronic banking service*. Contact us to arrange this; and
 - you and each *authorised person* has complied with the activation procedures we specify.

Guidelines

- 9.4 If we issue any guidelines in connection with the use of any *electronic banking services*, the guidelines must be followed whenever anyone accesses or uses the *electronic banking service*. We are not liable for any *loss* you incur as a result of any failure to do so.

Limits

- 9.5 *Electronic banking services* may be limited to specific amounts set by law or by us or by the owner or operator of the *electronic equipment*. For example, there are maximum and minimum daily withdrawal amounts that may vary.

Application of terms

- 9.6 These terms apply to your use of an *electronic banking service* whenever you subscribe for the *electronic banking service* even if you subscribe after you begin to use a *product*.

Joint accounts

- 9.7 If the account operating authority for a joint *account* is “both/all to sign”, you agree that each joint accountholder is taken to be subscribing to the *electronic banking services*, and access to the *electronic banking services* is restricted to viewing of information only and not conducting transactions.
- 9.8 If the operating authority for a joint *account* is “single signing authority”, you agree that:
- all joint accountholders may operate the *account* using the *electronic banking services* in accordance with these Client Terms (even if you are not registered to use the *electronic banking services*); and
 - any single joint accountholder may validly give instructions by the *electronic banking services* in connection with that joint *account*.

Operating times and availability

- 9.9 The *electronic banking services* will usually be available for use during normal operating hours or at the times set out in any applicable guidelines or otherwise notified to you. However, routine maintenance requirements, excess demand on the systems and *circumstances beyond our control* may mean it is not always possible for the *electronic*

banking services to be available during all normal operating hours, which you accept.

- 9.10 The availability and proper functioning of *electronic banking services* depends on many variable circumstances, including location, mobile network and internet availability, signal strength, and proper functioning of hardware, software, your mobile network operator, mobile phone and computer.

Software compatibility

- 9.11 When you use our *electronic banking services* we may provide your system with *electronic banking software* which may be needed for you to operate such *electronic banking services*. Alternatively, the *electronic banking software* may be supplied to you in some other way. It is your responsibility to ensure that the *electronic banking software*, if supplied to you, is compatible with your system. You agree that we shall not be responsible for any loss or damage you suffer as a result of any incompatibility between the *electronic banking software* and your system.

Ownership rights in connection with the *electronic banking software* and other information

- 9.12 If supplied, you will have a non-exclusive, non-transferable, temporary licence to use the *electronic banking software* only for the purpose of accessing the *electronic banking services*. The *electronic banking software* contains valuable information that belongs to us or others. You agree not to transfer, modify or tamper in any way with the *electronic banking software*.
- 9.13 You are responsible for complying with the local laws of the country from which you use the *electronic banking software*.

Access

- 9.14 When you use *electronic banking services* you or they must:
- not access the *electronic banking services* using any *electronic equipment* not owned by you or them or which you are not licensed or authorised to use; and
 - take all reasonably practical measures to ensure that any *electronic equipment* from which you access the *electronic banking services* is free of and adequately protected against any computer virus or other malicious software.

15.24 You or an *authorised person* may use an *ATM* or *Debit card* overseas if you or they comply with exchange controls and other applicable laws in the country where you or they are located. If an authority requires us to do so, or we are otherwise required by law or pursuant to agreements with any regulator or any authority to do so, or if we need to comply with internal policies associated with any applicable order or sanction of an authority, you or an *authorised person* may be

prevented from using an *ATM* or *Debit card* overseas.

15.25 If you or an *authorised person* uses an *ATM* or *Debit card* overseas and the *ATM* or *Debit* does not allow a choice of *account* for withdrawals, the order of *accounts* we debit is in accordance with our usual practice.

15.26 You authorise us to disclose information to parties involved in the provision of *ATM* or *Debit* services and you authorise any such parties to disclose information to us about an *account*, your *PIN/password* and transactions.

Keeping your card details safe

15.27 You must keep your card details, including but not limited to the card number, expiry date, cardholder name and CVV number safe. For example, you should not:

- Tell anyone your card details
- Let anyone find out your card details
- Let anyone else use your card
- You should keep your card and card details secure (including keeping it in a safe place).

15.28 Consenting to another person using your card details will be construed as you failing to keep your card details and security codes safe. We shall not be liable to refund you for any alleged unauthorised transactions where you consent to your card details being used by others.

Contactless

15.29 You may use the contactless feature on your applicable *cards* as notified to you by us from time to time for payment and purchase of goods and services by tapping or waving the said card at a reader, terminal, or system capable of reading the said card, or by enrolling the card to a digital wallet on a device and tapping or waving the said device at a reader, terminal or system capable of reading the enrolled card on the device.

15.30 The permitted threshold limits applicable for the contactless transaction on the *cards* are as notified and/or permitted by us and/or as requested by you.

15.31 In the event you have made contactless transactions above the permitted threshold limits, you are required to key in your *PIN* to complete the payment or purchase transaction.

15.32 You acknowledge and agree that the use of the contactless feature of your *card* is at your absolute risk. We shall not be liable for any damage and/or loss suffered in connection with your usage of the *contactless* feature of your *card* for payment or purchase of goods or services from any merchant.

16 Debit cards

Where you may use a debit card

- 16.1 A *debit card* may be used in Malaysia and in most countries overseas.

Pre-authorisation procedure

- 16.2 Some *merchants* are required to specifically authorise transactions using *debit cards*. If this is the case, the transaction is processed as follows:
- the *merchant* debits an amount determined by it (called a “blocked amount”) from a *linked account* on the transaction date or the billing date, whichever is the earlier, regardless of the actual final transacted amount;
 - the difference between the blocked amount and the transacted amount is released and credited into a *linked account* after we process and pay the transacted amount; and
 - if there is any difference between the transacted amount billed or there is any delayed billing by the *merchant*, we may make any necessary adjustment by debiting or crediting a *linked account*, in order to reflect the correct transacted amount.
 - a pre-authorisation amount of RM200 will be charged to your linked deposit account when you make payment using your debit card at any automated fuel dispenser. We will only post the exact amount of the transaction and release any extra hold amount from your account within 3 working days after the transaction date. Alternatively, you may choose to pay with the debit card at the cashier to avoid the hold on the Pre-authorization Amount.

Minimum balance of linked account

- 16.3 We may set a minimum balance to be maintained in the *linked account* for the use of the *debit card* and we may vary the minimum balance by notice to you in accordance with our usual practice and in accordance with any applicable law.

17 Bonus points scheme

- 17.1 Some types of *cards* have a *bonus point's scheme*. For details please refer to the *product brochure* or contact us.
- 17.2 *Bonus points* may be earned when a *cardholder* (including any person you authorise as a supplementary cardholder on your *account*) uses a *card* in the manner specified in the *product brochure*. However, *bonus points* accrue on your *bonus points account* only.
- 17.3 We may allow you to combine all the *bonus points* which you have earned in all your qualifying *accounts* for use or redemption in one or more transactions. We record this in your *bonus point account*.
- 17.4 We may specify from time to time the Ringgit Malaysia amount which needs to be spent using your *card* to earn one *bonus point*. We may also

from time to time specify other ways by which *bonus points* may be earned.

- 17.5 The *product brochure* sets out the method for calculating *bonus points* earned. *Bonus points* cannot be earned on *bonus point purchases*, *cash advances*, interest, fees or costs.
- 17.6 *Bonus points* accrue from when your *account* is opened and may be redeemed until the *bonus point cancellation date*. Except as set out in the *product brochure*, all *bonus points* earned before the *bonus point cancellation date* are automatically cancelled on the *bonus point's cancellation date*. Cancelled *bonus points* are not reinstated in any circumstances (including if your *account* is reinstated).
- 17.7 If a transaction is reversed, we may deduct *bonus points* from your *bonus point account*.
- 17.8 Unless set out in the *product brochure* or we notify you that you are allowed a period of time after the *bonus points cancellation date* to use or redeem your accrued *bonus points*, all applications to use or redeem *bonus points* which we receive after the *bonus points cancellation date* and any attempted use or redemption of *bonus points* occurring after the *bonus points cancellation date* is not valid and has no effect.
- 17.9 You may only use or redeem *bonus points* for the purposes or the goods and services we specify from time to time. If you order any goods and services which require both *bonus points* to be used or redeemed and money to be paid, you authorise us to debit your *account* with the amount of the required monetary payment. We may reject other methods of payment.
- 17.10 You may not use or redeem any *bonus points* if the statuses of all your *accounts* are not normal or current or if a *cardholder* is in *default* or has otherwise not complied with the terms of our banking agreement.
- 17.11 Unless we agree otherwise, you may not transfer *bonus points* from your *bonus point's account* to a supplementary cardholder's account or any other person's account.

Part F – Payments

20 Interest, fees and costs

You need to ensure you are aware of and understand the interest, fees and costs referred to in these Client Terms and additional interest, fees and costs that may be payable by you in connection with our banking agreement. These are set out in the *Fees and Charges booklet* or are available by contacting us at one of our branches or by using phone banking.

Our *Fees and Charges booklet* and *product brochures* are revised periodically and you must pay the interest, fees and costs applying at the relevant time.

Interest & fees

- 20.1 You must pay the interest, fees and costs applying to a *product* from time to time. Interest rates (including any reference rates) and fees and costs are revised periodically. You can find out current rates and fees and costs by contacting us at one of our branches, by using phone banking or by visiting our website.

Service fees

- 20.2 Additional fees and costs may apply in the case of services provided in connection with a *product*. For example, the use of *electronic banking services*, or for certain types of payments and deposits such as foreign currency deposits and telegraphic transfers (including fees charged by third party service providers).

Government charges

- 20.3 You must also pay us an amount equal to any government charges and duties (however described) on or in connection with our banking agreement. These are payable whether or not you are primarily liable for those charges and duties.

Withholding tax

- 20.4 Interest earned by you for a *product* may be subject to withholding tax in accordance with applicable law.
- 20.5 If a law requires you to deduct any tax from a payment to us, you must increase the amount payable so that, after making the deduction, we receive the amount we would have received if no deduction had been required. You agree to deduct the amount for the tax, pay that amount to the relevant authority in accordance with applicable law and give us the original receipts.

Tax

- 20.6 All payments to be made by you in connection with our banking agreement are calculated with or without regard to any sales and services tax, consumption tax, value added tax or any tax of a similar nature. If any of these types of taxes is payable in connection with the payment, you must pay us an additional amount as advised by us

from time to time. You must do so at the same time as making the payment.

- 20.7 From the time any amount under our banking agreement is overdue for payment until it is paid, you must pay interest at the *default rate* on the overdue amount when we ask.

Calculation

- 20.8 Any interest or fee payable under our banking agreement accrues, and is calculated in accordance with our usual practice. If we agree to capitalise interest (or if default interest is charged under clause 20.7), we may add to the outstanding principal amount any interest under this clause which has not been paid. You are then liable for interest under this clause on the total amount.

No refund

- 20.9 There will be no refund of any interest, fee or costs you have paid or subsidy you have received including where you do not use a *product* or our banking agreement ends.

Costs on cancellation

- 20.10 If our banking agreement ends, you cancel any *product* before using it or you do not proceed to use a *product* within any period we specify in our banking agreement, however you may be required to pay, interest, fees and costs incurred in connection with our banking agreement or the *product*. This includes any legal costs in connection with preparation of documents (such as *securities*) even if these documents have not been signed.

21 You indemnify us

- 21.1 You acknowledge and agree to indemnify us on demand for, any loss we reasonably incur in connection with:
- any *account*, the establishment and provision of any *product* or any other transaction contemplated by our banking agreement;

You shall indemnify us for all *losses*, *costs* or *expenses* (including legal and other professional advisors' fees) incurred by us in our enforcement against you of our banking agreement; or
- any unauthorised, improper, erroneous, faulty, illegal or fraudulent use by you or any other persons with access to the banking services including *electronic banking services*;

except to the extent the *loss* arises from our own negligence, fraud or wilful default.

- 21.2 Upon our request you agree to appear and defend at your own cost and expense any action which may be brought against us in connection with our banking agreement.
- 21.3 You agree to execute any document we reasonably require to give further effect to this clause including in connection with instructions sent by *electronic equipment* or lost passbooks, cheque books or *security codes*.

22 Payments – generally

We (and each other member of the *Standard Chartered Group*) have rights to set off any amount we (or any other member of the *Standard Chartered Group*) owe you against any amount you owe us (or any other member of the *Standard Chartered Group*).

Payments in full

- 22.1 All payments you must make to us under our banking agreement must be received by us on the due date in full on immediately available funds in the currency we specify and without set off, counterclaim or deduction or withholding (including on account of any *tax*) unless the deduction or withholding is required by law. If you are required to deduct or withhold any amount, the payment you must make to us must be increased so that the amount of the payment we receive after the deduction or withholding is equal to the amount otherwise payable.

Hold on amounts payable

- 22.2 Without prejudice to any provision in the Customer Terms, we may, from the time that you place an instruction with us in relation to a product to the date payment is due in relation to that instruction, place a hold on such of your accounts with us as we may determine, for all sums that may be payable to us by you in connection with such instruction, as security for your settlement obligations. For the avoidance of doubt, during such time that the hold is in place, you shall not be entitled to withdraw, draw down, utilise, or otherwise deal with the amount in your accounts that are subject to the hold.

Independent payment obligations

- 22.3 Your obligation to pay any amount under our banking agreement is separate from your obligation to pay under any other agreement with us or *product terms*.

Right of set off

- 22.4 We may set off any amount we owe you against any amount you owe us (whether or not the obligation is matured or contingent). We may also combine or consolidate all *accounts*. If we combine *accounts*, we will apply any credit funds held by you in your *accounts* to reduce the amount owing by you in relation to your other *accounts*.
- 22.5 If you have a joint *account*, we may set off any amount we owe you against any amount owing to us in any one accountholder's *account*.
- 22.6 Each member of the *Standard Chartered Group* may set off any amount it owes you against any amount you owe to it or any other member of the *Standard Chartered Group* (whether or not the obligation is matured or contingent). Each member of the *Standard Chartered Group* may also combine or consolidate all *accounts*. If any member of the *Standard Chartered Group* combines *accounts*, any credit funds held by you in your *accounts* will be applied to reduce the amount owing by you in relation to your other *accounts*. Each member of the *Standard Chartered Group* may do so at any time (even if you are not in *default*).
- 22.7 If you have a joint *account*, each member of the *Standard Chartered Group* may set off any amount it owes you against any amount owing to it or any other member of the *Standard Chartered Group* in any one accountholder's *account*.
- 22.8 For the purposes of clauses 22.45, 22.56, 22.6 and 22.7, each member of the *Standard Chartered Group* may make any necessary currency conversions at the rate they reasonably consider appropriate.

Banking days

- 22.9 Unless otherwise stated in the product terms, if an amount is due on a day which is not a business day, you must pay it on or before the next following banking day unless that day falls in the next calendar month, in which case you must pay it to us on or before the preceding business day.

To avoid incurring any fees and charges (e.g. late fees), please ensure payment is received by us before the payment due date.

Debiting accounts

22.10 We may debit any interest, fees, *costs* or any other amount you owe us in connection with a *product* to the *account* for the *product*.

Insufficient funds

22.11 If you have insufficient funds in any *account* in respect of which we are entitled to debit amounts you owe us, yet we still decide to debit the *account*, our action does not constitute a waiver or otherwise affect our rights under our banking agreement.

Automatic payment from account with another institution

22.12 If we require you to pay us an amount by automatic payment from an account with another financial institution you must:

- organise a payment arrangement with the other financial institution under which an amount equal to the amount, is debited from that account and deposited in your *nominated account* on each payment date and give us satisfactory evidence that this is in place; or
- provide us with any authority we require to enable us to debit the amount, to that account.

Honouring payment instruments

22.13 You must ensure that any payment instrument or payment instruction in our favour is honoured. For example, you must:

- ensure that you have sufficient funds in the account to be debited (including any account with another financial institution or the *nominated account*);
- not stop cheques;
- not cancel or vary any payment arrangement (unless we ask you to do so to reflect a change in the instalments) or close or change the account on which cheques are drawn.

Post-dated cheques

22.14 If we require you to pay an amount by post-dated cheques, you must:

- give us post-dated cheques in our favour for an amount equal to each payment amount; and
- replace the cheques if we ask.

How we apply payments

22.15 Payments are taken to be made when we credit them to the *account*. We do this as soon as practicable after receipt.

22.16 Unless set out in the *product terms*, we may use amounts we receive under our banking agreement to pay amounts you owe us in any order we choose.

Payments into suspense account

22.17 Where it is necessary to do so by law or otherwise, we may place in a suspense account any payment we receive in connection with our banking agreement for so long as we consider appropriate. This is to protect our rights against other amounts you or a *security provider* may owe us.

Insolvent payments

22.18 Under *insolvency* law, the authority may demand the refund of payment(s) we have received from you under our banking agreement. To the extent we are obliged to do so or we agree to make a refund, we may treat the original payment as if it had not been made. We are then entitled to our rights against you under our banking agreement as if the payment had never been made.

23 Currency conversion and indemnity

Currency of payment

23.1 We may make currency conversions in respect of any amount received by us from you or due to you from us at a rate we reasonably consider appropriate. You indemnify us for any shortfall arising from the conversion.

Payment in other currency

23.2 You waive any right you have in any jurisdiction to pay any amount other than in the currency in which it is due. If we receive an amount in a currency other than that in which it is due:

- we may convert the amount into the due currency on the date and at rates we reasonably consider appropriate. We may deduct our costs incurred in the conversion; and
- you satisfy your obligations to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

Conversion after default

23.3 Despite any other provision of our banking agreement, at any time after there is a default we may convert to the base currency at a rate determined by us any part of the balance owing for the product which is not due to us in the base currency ("foreign currency obligation").

23.4 The applicable foreign currency obligation is then taken to be replaced with an obligation to pay us an amount of the base currency equal to the amount of the base currency needed for the conversion plus the costs of the conversion.

Currency restrictions

23.5 You must comply with all exchange control laws in connection with our banking agreement. If a country restricts the availability or transfer of its currency, we need not make any payment to your *account* in that currency. We may make the payment in any currency we consider appropriate.

Currency conversion on judgment debt, orders, directives issued under law or regulator

- 23.6 If a judgment, order, directives issued under law or by any regulator or pursuant to agreement with any regulator or any authority or proof of debt for or the recovery of an amount in connection with our banking agreement is expressed in a currency other than that in which the amount is due under our banking agreement, then you indemnify us against:
- any difference arising from converting the other currency if the rate of exchange we use under our banking agreement for converting currency when we receive a payment in the other currency is less favourable to us than the rate of exchange used for the purpose of the judgment, order, directive issued under the law or by any regulator or any authority or acceptance of proof of debt; and
 - the costs of conversion.

This is NOT a *credit limit* increase and no service tax will be imposed. This *PLC account* will be used to indicate the balance transferred.
- 15.6 No physical card will be issued.
- 15.7 We calculate the total interest on *balance transfer* as follows:
- Balance Transfer
 - Total interest is calculated by multiplying the approved *balance transfer* amount by the applicable flat interest rate for the full *balance transfer* term.
- 15.8 For each *balance transfer*, the monthly instalment is calculated as the total sum of the amount transferred plus total interest on the amount so transferred, divided by the number of months in the instalment period. The monthly instalment will form part of your specified minimum payment.
- 15.9 For Balance Transfer Plus, we have the right to determine the proportion of the monthly instalment which relates to the payment of principal amount and the interest amount for each instalment so that your Balance Transfer Plus monthly instalments remain the same throughout the instalment period.

- 15.11 You must make a minimum payment on your *balance transfer* each month as follows:

- then we will levy the finance charge on the outstanding balance of the monthly instalment amount, from the posting date until the date of full settlement.
- 15.13 The interest under Balance Transfer Plus will be calculated based on the actual number of days from the date of approval of the application to the next immediate statement cycle date.
- The first month's interest of this instalment plan will be calculated based on the effective interest rate and pro-rated on a 365-day or 366-day basis in a leap year from the approval date to the next immediate statement cycle date and will be reflected (together with any fees or charges) in the next immediate monthly statement. Thereafter, the first monthly instalment (comprising principal and interest) payable will be reflected in the subsequent statement.
 - The subsequent monthly instalment shall be a fixed amount and consists of both principal and interest where the interest component of each monthly instalment is computed whereby the effective interest rate will times outstanding principal amount divided by the tenure (effective interest rate x outstanding principal amount ÷ tenure = monthly interest).
- 15.14 The minimum amount for each *balance transfer application* is RM1,000.
- 15.15 If you choose to settle the *balance transfer* in full ahead of the agreed term, we may levy a cancellation fee as set out in the *Fees and Charges Booklet* and debit that fee to your *credit card account*. No fee will be levied if we initiate acceleration of the payment of the balance due under the *balance transfer*.
- Balance Transfer
 - The outstanding balance is the outstanding principal and *interest* payable for the entire *agreed term*.
 - Balance Transfer Plus
 - The outstanding balance is the outstanding principal and the interest accrued up to the next statement date. Interest accrues on the amount outstanding monthly.
- 15.16 Once your *application* is approved, a corresponding amount of your existing available *credit limit* will be reserved for this purpose and will no longer be available to you until settlement of the *balance transfer*. On the effective date of the *balance transfer*, this amount will then be utilised and finance charges will begin to be imposed.
- 15.17 On approval of the *application*, we will debit your *PLC account* with the instalment payable each month throughout the duration of the *balance transfer*.
- 15.18 Regardless of the date the *balance transfer* is effected, the payment due date for the *balance transfer* is the same as the payment due date of your *credit card account* with us.
- 15.19 Until your *application* is approved, you are liable to make payment to your credit card account(s) with the other financial institution in accordance with its terms.
- 15.20 We are not liable for interest on any overdue payment or any other finance or other charges incurred as a result of non-payment or late payment
- 15.21 We have the absolute right to approve and transfer only a part of the amount you apply for, by giving you notice in accordance with our usual practice and in accordance with any applicable law.
- 15.22 If your *credit card account* is terminated, you must settle all balances due under the *balance transfer* upon termination. Otherwise the prevailing finance charge will be levied on the outstanding balance.
- 15.23 Regardless of the range of effective interest rates as stated in the *application*, we are entitled to vary the interest rates at any time based on our evaluation or review of your credit behaviour, including in respect of all your borrowings, whether alone or jointly with other persons, and whether from us or any other parties provided that have given you notice in accordance with our usual practice and in

accordance with any applicable law. Our evaluation and decision to vary the interest rates will be final and conclusive.

16 Auto payment

- 16.1 After you give your *Auto Payment* instructions to the *merchant*, the *merchant* will send us details of each of the *merchant charges* when it becomes payable. When we receive those details, we will charge your *credit card account*.
- 16.2 We have the right to refuse to make payments on transactions which we suspect may be fraudulent or unlawful transactions. We will not be liable for refusing to make such payments to the *merchant*.
- 16.3 If there is insufficient available *credit limit* in your *credit card account* or if the use of the *credit card* is terminated or suspended for any reason, we need not pay the *merchant charges* to the *merchant*. If this happens, you are responsible for paying the *merchant charges* directly to the *merchant*.
- 16.4 Unsuccessful *merchant charges* under *Auto Payment* will be communicated to the *merchant* as in the case of other unsuccessful credit card transactions.
- 16.5 Some *merchants* may check the validity of your *credit card* number with us before submitting their *merchant charges*. If this happens, you authorise us to notify the *merchant* of any change in your *credit card* number. You also authorise us to make payment to the *merchant* by charging the *merchant charges* to your new *credit card account* without need for your further consent. However, if the *merchant* does not practice this, you are responsible to inform the *merchants* of any change in your *credit card* number. We will not be responsible for non-payment of your *merchant charges* if you do not do so.
