Application

10. By registering via SMS, you are deemed to have agreed to the below:
- i. Application of FlexiPay Plus for the specified transaction amount done on specified date at the specified tenure, interest rate and monthly installment specified in the SMS sent by the Bank.
11. The approved FlexiPay Plus application will be updated in the Bank's system within 2 weeks from the day Eligible Customer successfully register by replying to the SMS message. An SMS will be sent by the Bank to the Successful Customer notifying that their application was successful.
12. Once the Bank has approved your application, the Bank shall open a new PLC (Private Label Card) account in your name where you must pay the full installment amount as agreed upon to this account before the payment due date each month. If you fail to make the full payment before the due date, then the prevailing finance charge of up to 18% per annum shall be levied on the outstanding balance of the monthly installment due from the posting date until the date such sums due (including finance charges) are paid in full.
13. Upon approval of your application, a PLC Account will be opened for you and combined with your existing credit card account. We will debit your PLC Account with the instalments payable on a monthly basis for the duration of the FOP Plus programme. Every month, the Bank will send you a statement for the amount which you are required to pay for the FOP Plus programme
14. Total interest is calculated by multiplying the approved FOP Plus amount with the applicable flat interest rate for the full FOP Plus term specified in SMS (18 months). However, we have the right to determine the proportion which relates to the payment of principal and the interest amount from each installment paid to us, this is to provide you with the ease of paying the same monthly installments throughout the installment period. We will calculate this proportion using the effective interest rate, on a reducing balance basis.

15. If you decide to settle the outstanding balance prior to the expiry of the tenure (early settlement), you will have to settle the full remaining monthly instalments payable (comprising of both principal and interest) for the originally agreed tenure.
16. If we approve your application for this FOP Plus programme, the conversion amount approved will take up part or the whole of the existing credit limit of your card. Your credit limit remains the same, but your credit card utilisation will be reduced.
17. You are advised to read carefully the Product Disclosure Sheet, the Client Terms and the Credit Card terms for full terms and conditions applicable to this program, which is available on our website at www.sc.com/my
