Standard Chartered Bank, Nepal has been announced as the winner of 'The Global Finance World's Best Banks 2014 Awards' for Nepal by the Global Finance magazine. The Bank shares the title of 'The World's Best Emerging Markets Banks In Asia-Pacific 2014' along with other winners in the region by Global Finance magazine.

Global Finance magazine has named SCB, Nepal amongst other banks in the Region, as World's Best Emerging Markets Banks in Asia-Pacific in an exclusive survey to be published in the May 2014 issue. Global Finance editors—with input from industry analysts, corporate executives and banking consultants—selected the best emerging markets bank in the region and in 30 countries. Criteria for choosing the winners included growth in assets, profitability, strategic relationships, customer service, competitive pricing, and innovative products. In addition, for the first time, a poll of Global Finance's corporate readership was conducted in order to increase the accuracy and reliability of the results.

This is the twenty first year that the magazine has selected top banking performers in emerging markets. The report covers best banks in Latin America, Central & Eastern Europe, Asia-Pacific, the Middle East and Africa.

The Global Finance World's Best Banks 2014 Awards Ceremony will be held at the same time as the IMF/World Bank Annual Meetings, on Saturday, October 11, 2014, at The National Press Club in Washington, DC.
