Standard Chartered unveils its new look Lazimpat Branch

Standard Chartered Bank Nepal Limited has re-launched its Lazimpat Branch amidst a special function organised by the Bank on 19th May 2016. The new look Branch was jointly inaugurated by Dr Chiranjibi Nepal, Governor, Nepal Rastra Bank and the British Ambassador to Nepal, HE Richard Morris.

It may be recalled that the April earthquake had damaged some part of the branch building and keeping the safety of clients and staff in mind, the branch operation were shifted to an alternate building located in the branch premises.

The Bank's new look branch now provides state of the art technological solutions for its clients, including Wifi Zone, interactive i-PAD solution, automated cheque deposit machine etc. The branch also offers a dedicated Priority Banking Centre equipped with exclusive priority lounge and priority counters. The new branch building also offers the ambient of an Art Gallery promoting the art from various new and budding artists. 15% of the proceeds of paintings sale from the Gallery contributes to Seeing is Believing (SiB), a leading initiative of the Bank to tackle avoidable blindness

Speaking on the occasion, Governor Dr Nepal congratulated the Bank for bringing out a differentiated branch. He also praised Standard Chartered in Nepal for leading the way in migrating best international banking practices to Nepal. HE the British Ambassador expressed his confidence that the Branch will be capable in offering better services with improved infrastructure.

Joseph Silvanus, CEO of the Bank shared his delight for being able to offer the new look Branch in a short span of time with facilities comparable to any international bank. He expressed his confidence that the new look branch will help grow Bank's client base.
