Important Notice

You need to read this document.

This document contains additional terms applicable to you if you use our *credit card*. You must read it in conjunction with our Customer Terms, our Credit Card Terms and any other documents forming our banking agreement.

Key words

The meaning of key words printed *like this* are either explained at the end of this document or our Customer Terms or our Credit Card Terms.

Inconsistency

If there is any inconsistency between the *product terms* and any of our banking agreements relating to any specific *product*, the specific *product terms* prevail.

Part A - Funds Transfer Programme Product Terms

1. Exception

These terms are not applicable to corporate *credit cards*.

2. How does funds transfer work

- 2.1 The principal cardholder may apply for *funds transfer* to remit funds to a *credit card* or credit line or any bank account belonging to him or *supplementary cardholder* with other card/credit line/bank account. The sum of the *funds transfer* will be charged to a *card account* or such other new *account* opened by us, in the name of the *cardholder*.
- 2.2 We may refuse any *funds transfer application* including funds transfers to an *excluded account*.
- 2.3 We have the discretion not to process *funds transfer applications* for amounts less than \$500 for each transfer. The amount of the *funds transfer* is subject to the principal *cardholder's* available *credit limit* at all times.
- 2.4 Unless we agree otherwise, *funds transfer* are not eligible for reward, rebate or mileage programme awards.
- 2.5 There are 2 categories of *funds transfers* available:-
- (i) non-installment repayment *funds transfers*; and
 - (ii) installment repayment *funds transfers*.
- 2.6 We may open a new *funds transfer account* in the name of the *cardholder* for the purpose of the funds transfers if we approve the *funds transfers application*. If we do so, clauses 6 and 9 of our Credit Card Terms apply.
- 2.7 We may make payment to the principal or *supplementary cardholder's* other *card/ credit line/ account(s)*, and either debit the *cardholder's card account*, or the *cardholder's funds transfer account* as we deem appropriate by such approved funds transfer amount.
- 2.8 We will advise the principal *cardholder* of our decision on the transfer *application* by way of a letter or by reflecting the transaction on the statement. We may make payment prior to the letter or statement being received by the principal *cardholder*. We will advise the principal *cardholder* when payment is made.
- 2.9 The principal *cardholder* may not withdraw the *application* for funds transfer once payment has been effected.

3. Preferential interest rate

- 3.1 We may offer a preferential interest rate on a non-installment repayment *funds transfer* during a promotional period. This is called a *promotional transaction*. Each approved *funds transfer* amount debited to the *credit card account* or *funds transfer account* will be treated in the same way as a charge arising from a normal *card* transaction and will be reflected in the statement.
- 3.2 We charge interest on the *funds transfer* balance in respect of any relevant *promotional transaction* at the preferential interest rate during the promotional period and then at the prevailing interest rate for cash advance when the promotional period comes to an end.
- 3.3 Preferential interest rate is subject to there being no default by the principal *cardholder* and/or *supplementary cardholder* during the promotional period. Interest applies from the date the transfer *application* is approved until the principal *cardholder* repays the *funds transfer* balance in full. The preferential interest rate will not be applicable to existing outstanding balances, fees and charges associated with funds transfers or other *credit card* transactions.
- 3.4 When a preferential interest rate is offered on an installment repayment funds transfer, the funds transfer amount may be debited to the *credit card account* or *funds transfer account* in instalments over such installment tenor applicable at the time of the transfer or in any other manner as we deem fit. Each installment debited to the *credit card account* or *funds transfer account* will be treated in the same way as a charge arising from a normal *card* transaction and will be reflected in the statement.

- 3.5 If the *cardholder* defaults in payment, the *cardholder* will not be entitled to any preferential interest rate and we reserve the right to charge interest and/or applicable finance charges and/or late payment charges at such rate we may determine.

4. Interest rate

- 4.1 Interest for the installment is calculated on a front-end add-on method by multiplying the approved funds transfer amount by the specified interest rate for the full installment tenor.
- 4.2 The amount of each installment will be calculated by taking the aggregate of
- (a) the *funds transfer* amount; and
 - (b) the applicable interest over the installment tenor; and
 - (c) the applicable insurance fee as stated in the application form; and
- dividing the sum total by the number of months constituting the installment tenor.
- 4.3 However, we reserve the discretion to determine and apportion, the amount comprised in an installment which relates to the repayment of the *funds transfer* amount and the payment of interest.
- 4.4 We may apportion the interest as follows :-
- (a) equally in each installment throughout the installment tenor
 - (b) by applying *rule of 78* method to determine the amount of interest which is attributed to each installment; or
 - (c) any means we consider fit.

5. Repayment, conversion or account cancellation

- 5.1 Upon any early repayment or account cancellation, the *cardholder* will be liable for the full *funds transfer* balance and the finance and interest charges for all instalments for the full installment tenor. If finance charges are already being applied to the *credit card account* or *funds transfer account*, such charges will also apply to instalments as and when charged to the *credit card account* or *funds transfer account*. In addition, *cardholder* has to pay administration fee as follows for any early repayment or *account cancellation*:
- (a) for *cardholder* with CashOne facility, the higher of \$250 or 5% of the full *funds transfer* balance;
 - (b) all other cases, \$150
- 5.2 The available *credit limit* in the *cardholder's credit card account* will be provisionally reduced by an amount equal to the funds transfer amount upon us approving the transfer *application*, and will be progressively restored by the amount of each installment paid and received by us.

43. Loss of cards

43.1 You are responsible for safeguarding your *credit card* against loss, damage or theft, and ensuring that your *credit card* is not used by any other person without your permission. 44.2 In any event, our total liability to you in respect to the EZ-Link Facility incorporated into the *credit card* shall not exceed the stored value on the EZ-Link Facility as at the date your claim had allegedly arisen. We are not liable for stored value in *credit cards* where the stored value cannot be reasonably determined by EZ-Link (for example, *credit cards* that were enrolled but not activated for EZ-Reload by Card as at the date your claim had allegedly arisen).

45. Obligations upon termination of the EZ-Link Facility

45.1 Although the EZ-Link Facility and EZ-Reload by Card linked to the EZ-Link Facility may continue to be valid even after termination of the *credit card*, you are strongly encouraged, upon such termination, to promptly obtain a refund of the stored value in the EZ-Link Facility and thereafter to return the *credit card* to us cut into halves or otherwise to destroy the *credit card*. Part G – Credit Card Instalment Loan

46. What is a Credit Card Instalment Loan

46.1 It is a *funds transfer* programme which allows you to apply for loans as a draw down on your existing principal *credit card* known as Credit Card Instalment Loan of up to 98% of the available *credit limit* of your *credit card* to be repaid in fixed monthly instalments.

46.2 To apply for a Credit Card Instalment Loan, you must have an existing principal *credit card* with us.

47. How does Credit Card Instalment Loan works

47.1 If we approve your Credit Card Instalment Loan *application*, we will open a Credit Card Instalment Loan *account* in your name. The minimum amount for every *application* is S\$1,000. We reserve the right to decline your Credit Card Instalment Loan *application* or approve your *application* with a lower loan amount than the amount you have applied for, even if the amount you have applied for is within your available *credit card credit limit*. We need not give any reason for doing so.

47.2 You can apply for your Credit Card Instalment Loan to be repaid over tenors of between 12 to 60 months. We will notify you of the amount of each *instalment* and the *instalment* payment dates after your *application* is approved.

47.3 Your Credit Card Instalment Loan will reduce your available *credit card credit limit* by the approved amount. Your available *credit card credit limit* will be restored by the amount of each principal repayment we receive.

47.4 We will notify you of the outcome of your Credit Card Instalment Loan *application* either by letter or by reflecting the transaction on the *account* statement or in any manner as we deem fit.

47.5 If your Credit Card Instalment Loan *application* is approved, we may (but are not obliged to) disburse the approved loan amount to you in any of the following methods:

- payment to your *savings account* or *current/cheque account* with us; or
- payment to the *credit card*, *credit line*, *current* or *savings account* with other banks,

as designated by you in your Credit Card Instalment Loan *application*. The disbursement may (but not necessarily) be made prior to the letter notifying you of the outcome of your Credit Card Instalment Loan *application* or *account* statement being received by you.

47.6 If you have designated any *credit card*, line of credit, or any other *accounts* for the disbursement of the approved loan amount, you must continue to make payments to the above accounts and we are not liable for any overdue amounts, interest or any other fees, costs, or expenses incurred.

47.7 If we approve your Credit Card Instalment Loan *application*, you must pay the approved Credit Card Instalment Loan amount by instalments known as *instalment* over such number of months known as *instalment tenor* in such amounts known as *instalment amount* as we may approve. We reserve the right to include, remove or vary the *instalment*, the *instalment tenor* or the *instalment amount* at any time without giving any reason.

47.8 Each *instalment* will be treated in the same way as a charge on a *credit card* transaction and will be reflected in the *credit card* or Credit Card Instalment Loan *account* statement.

47.9 We reserve the right to debit your Credit Card Instalment Loan *account* for any outstanding *instalment amount* or demand immediate payment of all sums outstanding regardless of whether the amount is reflected in the *credit card* or Credit Card Instalment Loan *account* statement or is due and payable as at the date of the demand.

48. Interest

48.1 Interest for the approved Credit Card Instalment Loan amount is calculated from the date of disbursement of the approved Credit Card Instalment Loan amount until the date of expiry of the *instalment tenor*.

48.2 The applied interest rate indicated for your Credit Card Instalment Loan is calculated on the

assumption that the loan principal is constant throughout the *instalment tenor* and is used as a reference to calculate the total interest on your Credit Card Instalment Loan for the full *instalment tenor*. The total interest on your Credit Card Instalment Loan for the full *instalment tenor* can be computed by multiplying the approved Credit Card Instalment Loan amount by the applied interest rate for the full *instalment tenor*. The effective interest rate (*EIR*) indicated for your Credit Card Instalment Loan reflects the true cost of borrowing and takes into account the reducing balance method of interest calculation.

48.3 Your applied interest rate and *EIR* will be indicated on your Credit Card Instalment Loan disbursement letter which will be sent to you by mail or any other method we deem fit.

48.4 We reserve the right to vary the interest rate (whether applied or effective or any other names called) or the basis of calculation of interest of any approved Credit Card Instalment Loan at any time during the *instalment tenor*. We need not give any reason for doing this.

48.5 The interest rate is not applicable to existing outstanding balances or any amount subsequently incurred on any of your *credit card account* that is not related to the approved Credit Card Instalment Loan or any other Credit Card Instalment Loan *account*.

49. Default Interest

49.1 If we do not receive your instalment amount payment for your Credit Card Instalment Loan in full on or before the due date twice within any 6 consecutive monthly *account* statements, a default interest of 4% per annum (or any other rate as we may stipulate from time to time at our discretion) will be added to the original *EIR* on the entire outstanding balance on your Credit Card Instalment Loan *account*. For clarity, the interest of 4% per annum (or any other rate we may stipulate) plus the original *EIR* is known as *revised EIR*. The *revised EIR* will be effective starting from the next statement date immediately after the second payment due date being missed.

49.2 If we receive the *instalment amount* payment in full on or before the due date for 6 consecutive monthly *account* statements, we will reinstate the *revised EIR* to the original *EIR*. The reinstatement (if any) will be effective from the next statement date after we receive your *instalment amount* payment for the sixth month.

49.3 Your *instalment amount* will remain unchanged but your *instalment tenor* will automatically be extended as a result of the *revised EIR* if we do not receive your *instalment amount* payment on the due date in full twice for any 6 consecutive monthly *account* statements under clause 49.1. We reserve the right to decide on the method of calculation for the default interest.

49.4 In addition, we will impose late payment and finance charges on the outstanding balance on your Credit Card Instalment Loan *account* from the statement date of the relevant statement (see clause 40).

49.5 For clarity, the default interest in this clause applies to your Credit Card Instalment Loan only and does not apply to other credit balances on your *credit card*.

50. Instalment amounts

50.1 Each *instalment amount* is calculated based on the sum of (a) the approved Credit Card Instalment Loan amount and (b) the applicable interest over the *instalment tenor*, divided by the number of months of the *instalment tenor*. The *instalment amount* is constant throughout the *instalment tenor*, and comprises a principal repayment component and an interest repayment component which is set out in the *account* statement. The proportion of the principal repayment component and interest repayment component of the *instalment amount* varies over the *instalment tenor*. The interest repayment component of the *instalment amount* is higher in the beginning of the *instalment tenor* than towards the end of the *instalment tenor*.

50.2 We reserve the right to determine the proportion of the *instalment amount* which relates to payment of the principal amount and the interest amount for each *instalment amount*. We may apportion interest as follows:

- by applying the reducing balance method to determine the amount of interest attributed to each *instalment*; or
- by applying the "rule of 78" method; or
- by such other means and manner as we may deem appropriate.

51. Annual loan maintenance fee

- 51.1 Each Credit Card Instalment Loan *application* is subject to a non-refundable annual loan maintenance fee of:
- (a) S\$199 for the first year; and
 - (b) S\$50 yearly from the second year onwards until expiry of the *instalment tenor*.
- 51.2 The annual loan maintenance fee for the first year will be deducted upfront from the approved Credit Card Instalment Loan amount.
- 51.3 From the second year onwards until either the expiry of the *instalment tenor* or the final *instalment amount* payment (whichever is the earlier), the annual loan maintenance fee will be charged to your Credit Card Instalment Loan *account*. We will waive the annual loan maintenance fee if we receive all *instalment amount* payments on or before the due dates in full for the preceding 12 consecutive calendar months.
- 51.4 We reserve the right to vary the annual loan maintenance fee by giving you notice in accordance with our usual practice. This should be read in conjunction with the terms set out in our Customer terms.
- 51.5 If you have only one principal *credit card account*, the annual fee for that principal *credit card account* will not apply for five years if your Credit Card Instalment Loan *account* is valid and in good standing. If you have more than one principal *credit card account*, the annual fee for one of your principal *credit card account* designated by us will not apply for five years if your Credit Card Instalment Loan *account* is valid and in good standing. We will not designate another principal *credit card account* for this if the designated principal *credit card account* is terminated. Only one principal *credit card account* will be designated for this at any time regardless of the number of Credit Card Instalment Loan *accounts* you have with us.

52. Late payment and finance charges for Credit Card Instalment Loan

- 52.1 If we do not receive the minimum payment for your Credit Card Instalment Loan as indicated on your statement by the due date, a late payment charge of S\$60 **(with effect from 1 November 2016, this will be revised to S\$80)** will be charged to your Credit Card Instalment Loan *account* if minimum payment is not received by the due date.
- 52.2 If we do not receive the instalment amount payment for your Credit Card Instalment Loan in full on or before the due date and a balance is carried forward from the relevant statement, finance charges will be calculated on a daily basis at the minimum Effective Interest Rate ("EIR") of 24.455% per annum **(with effect from 1 November 2016, will be revised to 25.9% per annum)**.
- 52.3 For clarity, the late payment and finance charges in this clause applies to your Credit Card Instalment Loan only and does not apply to other credit balances on your *credit card*. The fees and charges in the Credit Card Tariff Sheet remain applicable to the other credit balances on your *credit card* and do not apply to your Credit Card Instalment Loan.
- 52.4 We reserve the right to vary the late payment and finance charges, and the basis for calculating the late payment and finance charges applicable at any time. We need not give any reason for doing so.

53. Conversion fee

You must pay a conversion fee of S\$50 (minimum) for each change to the *instalment tenor* or any repayment aspect of the Credit Card Instalment Loan after the approval of the loan.

54. Account statement

A consolidated monthly Credit Card Instalment Loan *account* statement will be sent to you every month.

55. Rewards

Unless we agree otherwise, Credit Card Instalment Loan is not eligible for rewards, rebate, mileage program, or any other promotions.

56. Account closure or early settlement

- 56.1 You must notify us in advance if you wish to close your Credit Card Instalment Loan *account* or fully repay your Credit Card Instalment Loan prior to the expiry of the *instalment tenor*. For clarity, partial redemption of the Credit Card Instalment Loan is not allowed. You will not be able to terminate your *credit card account* unless you have at least one *credit card account* remaining or if you fully repay the Credit Card Instalment Loan.
- 56.2 The following terms and charges will apply if you close the Credit Card Instalment Loan *account* or fully repay the Credit Card Instalment Loan prior to the expiry of the *instalment tenor*:
- (a) We will calculate and notify you of the outstanding balance and the payment due date for the entire outstanding balance; and
 - (b) you must pay the entire outstanding balance together with a early redemption fee of S\$250 or 3% of the outstanding principal, whichever is higher.
- 56.3 If you fail to pay the entire outstanding balance on or before the due date stipulated by us in full, finance charges at the prevailing interest rates will be charged from the due date until the date such sums due (including finance charges) are paid in full.
- 56.4 The entire outstanding balance includes the total sum you owe us in respect of Credit Card Instalment Loan according to our records. This includes any fees, charges, goods and services tax, interest, costs, and expenses.

57. Other Terms

- 57.1 This Credit Card Instalment Loan is to be read together with our Customers Terms, our Current/Cheque/ Savings Account and Time Deposit Terms, and our Credit Card Terms (collectively *Other Terms*).
- 57.2 If there is any inconsistency between the *Other Terms* and these Credit Card Instalment Loan Product Terms, these Credit Card Instalment Loan Product Terms prevail over such inconsistency.
- 57.3 Words printed "*like this*" if not explained here, are explained else where in the *Other Terms*.

- (b) treated in the same way as any other *card* transaction charged to the *credit card account*.

The instalment payable will be reflected in your statement and shall be payable in accordance with the Customer Terms and Credit Card Terms. In particular, interest and late payment charge will be levied on any overdue instalment as well as other overdue amounts in the *credit card account* in accordance with the Customer Terms and Credit Card Terms. Foreign Currency Transactions

- a) All foreign currency transactions (including overseas and online transactions) effected in US Dollars will be converted to Singapore Dollars on the date of conversion. All foreign currency transactions effected in a foreign currency other than US Dollars will be converted into US Dollars before being converted into Singapore Dollars (the *converted Singapore Dollars amount*). The exchange rate may differ from the rate in effect on the date of the transaction due to market fluctuations. Any rate imposed is final and conclusive and you bear all exchange risks, loss, commission, and other bank costs which may be incurred as a result. All conversions will be based on the prevailing wholesale interbank rates or the government-mandated rate, as shall be determined by the respective card associations, namely Visa Inc. (Visa) or MasterCard International (MasterCard).
- b) In addition, all foreign currency transactions (including overseas and online transactions) charged to *Visa / MasterCard* cards will be subject to: (i) a prevailing charge of 1% of the *converted Singapore Dollar amount* representing the charge imposed by *Visa / MasterCard* on the transaction; and (ii) a prevailing fee of 2.5% of the *converted Singapore Dollars amount*

Dynamic Currency Conversion

- a) If your foreign currency transactions (including overseas and online transactions) are converted into Singapore Dollars via dynamic currency conversion,

which is a service offered at selected overseas ATMs, websites or by certain merchants (*DCC*), you acknowledge and agree that the process of conversion and the exchange rate applied will be determined by the relevant *DCC* service provider and not by us.

- b) In addition, all foreign currency transactions (including overseas and online transactions) converted via *DCC* will be subject to a prevailing charge of 0.8% of the transaction amount representing the charge imposed by *Visa* on the transaction, or a prevailing charge of 1% of the transaction amount representing the charge imposed by *MasterCard* on the transaction.

Singapore Dollar Transactions Processed Overseas

If you enter into Singapore Dollar transactions with: (i) a local *merchant* that routes its payment processing

through an overseas intermediary; or (ii) a *merchant* that is registered by its acquiring bank (the *Acquirer*) as having been acquired overseas, regardless of where the merchant is actually located, such transactions will be subject to a prevailing charge of 0.8% of the relevant transaction amount representing the charge imposed by *Visa* on the transaction, or a prevailing charge of 1% of the transaction amount representing the charge imposed by *MasterCard* on the transaction.

In both these cases the transaction is treated as a foreign currency transaction and the process of conversion and the exchange rate applied will be determined by the relevant payment processing intermediary or the *Acquirer* and not by us.
