Terms and Conditions of Direct Debit Service for Bill Settlement

- I/We wish to authorize the Bank to debit from the bank account indicated in the aforesaid Application Form to the state enterprises, companies or banks (hereinafter referred to as the "Organizations") as specified in the Application for settlement of bills on products/services, fees and/or all the obligations to such Organizations at the amount shown in the bills or diskette/tape or other electronic systems received from the Organizations. I/We agree that all the documents as well as information specified in this Application Form including my/our signature therein shall be deemed totally true and correct.
- I/We accept that the Bank shall debit from my/our account only when the funds in the account are sufficient at the time of debiting. In case of multiple debit items, the Bank shall make the debit in chronological order of the collection made by each Organization. Where the funds are insufficient to settle the bills/debts to the Organizations, the Bank shall not debit such amount for debt settlement to the Organizations at all and it shall be deemed my/our immediate default against such Organizations.
- I/We do not wish to be informed by the Bank of such debits as I/we am/are able to study from the passbook or the billing statement of each credit limit sent by the Bank. It is the Bank's discretion to approve or disapprove my/our request of this Application without advance notice. Further, where this Application Form or supporting documents are incomplete or incorrect or where there is change of information by whatsoever reason, the Bank has the right to reject the Application and I/we do not have any rights to make any contest or claim.
- I/We agree and acknowledge that in the course of direct debit for bill settlement to the Organizations, the Bank's only duty is to proceed in accordance with the information submitted to the Bank by the Organizations. If it subsequently occurs that the amount notified to the Bank is incorrect or there is a problem relevant to the computation of charges in the bill or the receipt issued by the Organizations and the Bank has already debited from the account the amount appeared in the bill or the diskette/tape or other electronic systems received from the Organizations, I/We agree to claim from or contact the Organizations directly. I/We acknowledge that the Bank's proceeding in accordance with this application is merely to facilitate the settlement of my/our debts against the Organizations and I/we hereby waive my/our right to claim from or file a case against the Bank.
- Where there is change, by whatsoever reason, in the evidenced documents and the account number mentioned in this Application Form, this Application remains fully effective for the correspondingly changed account number and I/we agree to authorize the Bank to debit from the changed account for debt settlement to the Bank in accordance with this Application.
- I/We represent that the Bank's direct debit from my/our account pursuant to this Application is made in accordance with my/our request. In case of any damage or mistake caused to the Bank, I/we agree and consent to compensate for all the actual damage occurred to the Bank.
- Where the above bank account has been confiscated or closed by whatsoever reason, I/we agree to make settlement for the products/services, fees, and/or all the obligations to the Organizations and the Bank by other means as stipulated in the conditions and rules of each service. In such case, the Bank is entitled to terminate this application by notice me via method determined by the Bank.
- I/We acknowledge that the aforesaid direct debit shall be effective from the date of this Application and the first transaction shall be made within not exceeding 60 business days from the receipt of such Application until a cancellation is made by me/us in writing to the Bank not less than 30 days in advance and the cancellation shall be effective for the item(s) indicated in the cancellation notice only. Those unspecified items shall remain fully binding pursuant to this Application.
- I/We certify that the signature given in this Application corresponds with the specimen given to the Bank. If the Bank has debited my/our account under the signature given in this Application which is different from the specimen given to the Bank, the Bank is duly entitled to debit from my/our aforesaid account and I/we waive the right to contest or make any claim to the Bank. I/We certify that I/we am/are the true owner of the account indicated in this Application and have read, understood and agreed to be bound upon the Terms and Conditions of Direct Debit Service specified herein.
