### Make your dividend election

**The dividend options available to you are clearly explained in the 2015 Interim Dividend Circular.** You can register your instructions to receive your dividend in new ordinary shares or to choose the currency (sterling, US dollars or Hong Kong dollars) in which you would like your dividend to be paid online at [www.computershare.com/hk/investors](http://www.computershare.com/hk/investors). The advantage of submitting these instructions online is that you can change your instructions any number of times before the offer expires. You cannot do this if you complete a printed form; once it is received by our branch registrar you cannot amend or cancel it. Before you can use the online facility you need to contact our branch registrar at 2862 8555 or email to [hkinfo@computershare.com.hk](mailto:hkinfo@computershare.com.hk) to register with the Investor Centre at [www.computershare.com/hk/investors](http://www.computershare.com/hk/investors) and click on 'Register' and follow the simple online instructions (once registered, select 'Dividend Plans'). Please register with the Investor Centre without delay as you may need to receive an activation code which is issued to safeguard your interests. For security purposes the code will be sent to you by post. If you wish to make your election in printed form, please contact our branch registrar (see contact details above).

You can view your entitlement to new ordinary shares under the 2015 interim dividend by visiting our branch registrar's website at [www.computershare.com/scplc/hk/en/statement](http://www.computershare.com/scplc/hk/en/statement). You will need your Shareholder Reference Number to do this.

The share dividend price for this dividend is US\$13.34383 (£8.5226) for each new ordinary share and the terms for the share dividend are set out in the 2015 Interim Dividend Circular and the Dividend Terms and Conditions. **The deadline for receipt of any election in respect of the dividend is 4.00pm on 2 October 2015.**
