- (h) You are solely responsible for ensuring the accuracy and completeness of all instructions you give.

 - (iii) If a transfer under a series of Standing Instructions cannot be effected due to insufficient funds, we may decide whether to:
 - (A) continue attempting to effect the said transfer (and if so, the number and timing of further attempts to be made); or
 - (B) cancel the transfer for that transfer date, in which case further transfers will resume on the next transfer date, subject to the availability of funds in the Account.

You are advised to check with us via our Contact Centre or via Online Banking if you wish to know the status of any specific transfer in a series of Standing Instructions.
 - (iv) Even if a transfer could not be effected, we are not obliged to refund any charge levied on that transfer.
 - (v) If you wish to cancel or make any changes to any Standing Instructions, you must give us a written notice of such cancellation or change at least 1 Business Day before the next transfer date.
- (m) We may determine the order of priority in executing multiple instructions involving an Account. You are deemed to have given multiple instructions if we receive more than one instruction to be effected on the same date, regardless of the time or date when each instruction was received.
- Examples of such instructions include cash withdrawals, cheques, Standing Instructions, instructions under the Electronic Banking Services, Regular Investments and interbank GIRO deductions.
- (n) You agree to do such further acts and things and to execute such further documents which we deem necessary or desirable in order to confirm anything we have done in carrying out any right or power conferred by these Rules and Regulations.

17. FUND TRANSFER SERVICES VIA ELECTRONIC BANKING SERVICES

- (a) This clause 17 only applies if the respective services are made available by us under the Fund Transfer Services for your type of Account.
 - (i) You may use Interbank Giro Service (“IBG”) to instruct us to transfer funds from your Source Account to a specified account with another bank.
 - (ii) You may use the “own account” funds transfer service to instruct us to transfer funds between your Accounts. This service may only be used where all named accountholders are identical across the Accounts, but excludes accounts which are known to us to be held by you in different capacities, including trust accounts or estate accounts.
 - (iii) You may use the Bill Payment Service to instruct us to transfer funds for payments from your Source Account to a specified Payee.
 - (iv) You may use the third party intrabank funds transfer service to instruct us to transfer funds from your Source Account to a stipulated account with us, which is not your Account. For the purposes of this service, an account is not treated as being your Account if it is :
 - (A) held in the name of any one or more accountholders which is different from those in the Source Account; or
 - (B) known to us to be held by you in different capacities.
 - (v) You may use the international telegraphic transfer service (“ITTS”) to instruct us to transfer funds from your Source Account to a stipulated account with a bank in another country.
- (b) Fund transfer limits
 - (i) You may issue as many instructions to transfer funds in any one day as you wish. However, you may only issue instructions to transfer up to your preset or personalised limit per day.
 - (ii) The preset daily limit applicable at any point in time may differ for different types of fund transfers and for different types of Accounts. The limits may also be applied on an aggregated basis between differing fund transfer services. The respective preset limits are available on our Website. Please note that we may change the preset limits. You are advised to check our Website for the preset limits applicable at any point in time.
 - (iii) You also have an option to lower the limit applicable to your Accounts through ‘My Preferences’ function. Please note that your personalised limit will apply to all your Accounts.
 - (iv) Should you wish to increase the limit after lowering it (subject always to the ceiling of the preset daily limit), please contact our Contact Centre.
 - (v) Each ITTS transaction is subject to minimum and maximum transfer amounts per transaction, as set out in our Website. We may change these amounts at any time.
- (c) Under the Bill Payment Services, we are required to provide reports to Payees, listing out all the users of the Electronic Banking Services who have made payments to that Payee and the respective amounts paid by each of those users. By using the Bill Payment Services, you consent for us to disclose to the Payee such information as may be required in the reports.
- (d) Use of the ITTS is also subject to the following:
 - (i) You must register each Recipient via the Electronic Banking Services before you are able to make an Online Telegraphic Transfer to that Recipient. Once a Recipient has been registered, you are solely responsible to update any changes to the Recipient’s particulars (excluding name or identity particulars) via the Electronic Banking Services. We are not liable for any Losses which may result from your failure to update the Recipient’s particulars before making an Online Telegraphic Transfer.
 - (ii) The rate of exchange applied for each Online Telegraphic Transfer is our prevailing rate of exchange for the relevant currencies at the time that the Online Telegraphic Transfer is processed, and not at the time you enter the instruction.

- (e) If any of the following is true of your Source Account on the specified date for effecting any fund transfer, we are not obliged to execute your fund transfer instruction, and we are not liable for any Losses you suffer as a result of us not effecting such instruction:
 - (i) your Source Account does not contain sufficient funds to make the fund transfer; or
 - (ii) your Source Account does not contain sufficient funds to pay for any charges, fees, profit or other sums that may be payable by you to us (if applicable); or
 - (iii) the execution of your instruction will cause the balance in your Source Account to exceed the credit limit that we have set for you and/or your Source Account; or
 - (iv) your Source Account is closed, frozen or inaccessible for any reason.
- (f) If you are giving an instruction for a fund transfer, you agree that you, and not we, will be responsible for any charges imposed, or any other action taken, by a receiving bank or intended receiving bank, Payee or correspondent where:
 - (i) the fund transfer could not be completed for any of the reasons set out in paragraph (e) above; or
 - (ii) you did not use the Electronic Banking Services correctly; or
 - (iii) circumstances beyond our reasonable control prevent the fund transfer from being carried out, despite our reasonable precautions. Examples of such circumstances which are beyond our reasonable control include fire, flood or improper transmission or handling of payments by a third party.
- (g) We need not execute any fund transfer instruction if on the date set for effecting the fund transfer:
 - (i) an order of court or any applicable law prohibits us from executing the fund transfer instructions; or
 - (ii) our policy, security procedure or requirement of any authority (including any economic and trade sanctions imposed by any regulator in any jurisdictions where we operate in or by any supranational organisation, official body including, but not limited to, Her Majesty's Treasury, the United Nations, the European Union or any country) prohibits us from executing the fund transfer instructions.

We are entitled to charge a fee for every such hard copy Statement provided upon specific request, as stated in our Tariff of Fees and Charges.

 - (ii) a member of our staff; or
 - (iii) someone giving assistance on a technical helpdesk in connection with any services.
- (d) You must not record your Security Codes in a way that could make them recognisable by someone else as Security Codes. It is particularly dangerous to keep any record of your Security Codes together with any device or card for accessing your Account, or with details of your Account such as your Account number.
- (e) If you discover or suspect that someone else knows a Password or any part of it, you must immediately change the Password yourself where possible. If this is not possible, you must notify us immediately by telephoning us at our Contact Centre or at any other number we may announce for this purpose. We will suspend use of the relevant service until new Security Codes have been set up.
- (f) In the case of an Additional Online PIN, you must immediately notify us on the loss or change of your Designated Mobile Number. You must notify us immediately if you discover or suspect that someone else has obtained or knows the Additional Online PIN. If you are using the Electronic Banking Services at that time, you should immediately terminate that session to deactivate the Additional Online PIN already obtained for that session.
- (g) In relation to SMS Banking:

 - (B) have reason to believe that someone else has accessed your Account(s) using SMS Banking;
 you must notify and instruct us to revoke your SMS Banking Security Codes immediately, and make a fresh application to register for SMS Banking.
 - (iii) Until and unless you notify us in accordance with paragraph (ii) above, all SMS Banking instructions we receive using your Security Code are deemed to have come from you. We are entitled to rely on such instructions, regardless of whether they actually originated from you or not. Please note that we may not be able to reverse or annul transactions based on instructions we receive before your notice to us.

20. THIRD PARTY AGENTS

- (a) Some services which we offer or which you specially request may involve the use of third party agents or service providers, including correspondents, stockbrokers or custodians, some of whom may be deemed to be acting on your behalf.

In such event, you authorise us to appoint and terminate such agents or service providers, and to appoint replacements, at our absolute discretion. You further agree that we have full power and authority to negotiate and agree all arrangements with such agents or service providers, for you and on your behalf.
- (b) Please be advised that we may receive a commission or fee from the third party agents or service providers, out of any fees or charges earned by them in respect of their services. You acknowledge that we are entitled to the full benefit of such commission or fees and that we are not obliged to account to you in any way for the commission or fees.
- (c) You acknowledge that services provided by such agents or service providers are not being provided by us. Accordingly you agree that we are not responsible for any:
 - (i) omission, delay, default or failure by the agents or service providers in providing such services; or
 - (ii) incorrect or incomplete information or advice supplied to us by the agents or service providers.
- (d) You agree to pay or reimburse to us all costs of using such agents or service providers, including any fees and/or other charges they impose. 21. FEES AND CHARGES

- (a) By opening the Accounts, subscribing or registering for the various services and/or using the various facilities offered by us, you agree to pay the applicable Fees and Charges as stated in our Tariff of Fees and Charges.
- (b) You agree that we may debit the Account for the amount(s) of the Fees and Charges as and when they fall due and payable. We are not liable if such debiting causes the Account to have insufficient funds to fulfil your instructions.
- (c) Where Fees and Charges are payable for any services you are subscribed to/registered for or in any Accounts which you hold, we will give you at least 21 days' prior notice of any increase in such Fees and Charges. If this occurs, you will not have to pay any proposed increase if you cancel your subscription for such services or close the affected Account during the notice period. However, if you continue with your subscription for the services or continue maintaining the affected Account after the notice period, you are taken to have accepted the increased Fees and Charges.
- (d) Please note that there may be additional fees and charges imposed for the use of certain channels or facilities, such as some Electronic Banking Services, which are separate from the fees and charges for the particular products or services. We will be happy to provide you with details of any such additional Fees and Charges on request.
- (e) Please note that, where you access any of our services or facilities via services provided by third party service providers (for example internet service providers, telecommunications or SMS service providers or operators), you will also have to pay the usual charges imposed by such third party service providers.

The exchange rate may differ from the rate in effect on the date of the transaction due to market fluctuations. Such rate imposed is final and conclusive and you bear all exchange risks, Losses, commission and other bank charges which may be incurred.
- (g) Where there is any money due and owing to us, and it becomes necessary for us to refer the matter to solicitors for recovery of the money, you must pay us the costs we incur in doing so (including legal fees on a solicitor-client basis). If this occurs, we may debit your Account for the amount of such costs.

22. RIGHT OF LIEN AND SET OFF AND WITHHOLDING OF FUNDS

 - (B) as principal or surety, actual or contingent, primary or collateral, singly or jointly with any other person;
 and we may effect any necessary currency conversions at our own rate of exchange prevailing at that time. We are irrevocably authorised to take all necessary actions and effect all necessary transfers as may be necessary to give effect to this right of set-off.
- (c) If the amount of any such liability is unascertained, we may estimate that amount and exercise our rights of set-off in respect of that estimated amount, subject to a final settlement to be made between you and us when the actual amount of the liability is ascertained.
- (d) We may refuse withdrawals of any of your funds or assets if any sum of money due and payable from you to us is outstanding and unpaid. If you do not pay such sum upon demand, we are authorised to realise (whether at or before maturity) any of your deposits, Investment Products and/or assets held with us, to discharge all or part of such sum.

- (e) Until all moneys owing to us are paid or discharged in full, you shall not, by paying off any sum recoverable by us, or by any other means or on any other ground, claim any set-off or counter claim against us in respect of any liability from us to you or to any other party.
- (f) Where required by domestic or overseas regulators or tax authorities, you consent and agree that we may withhold and pay out from your account(s) such amounts as may be required according to applicable laws, regulations, agreements with regulators or authorities and directives.

You agree that nothing in the arrangements between us, you and/or any other party constitutes an implied agreement restricting or negating any right which we have existing or implied by law.

You acknowledge that any oral statement given over the telephone as to the status of the Settlement Account or any particular transaction is not binding on either us or on any Broker.
- (g) Acquisition, Holding and Redemption / Sale of Investment Products
- (i) If you use the Investment Product Services to purchase any Investment Products:
 - (A) you will instruct us to place a purchase order ("Purchase Order") for such Investment Products with the relevant Investment Company or the Broker, and it is deemed (unless we notify you otherwise) that you:
 - (1) in the case of Sukuk Investments, agree to purchase such Investment Products from us acting as principal; and
 - (2) in the case of Equity Investments, Unit Trust Investments and Other Investment Products, authorise us to place a Purchase Order in accordance with each such Instruction on your behalf and as your agent. Any such Purchase Order shall specify that any Investment Products allotted are to be held in our name; and
 - (B) you acknowledge and agree that, until we or the Broker have sent you an order confirmation or Statement confirming the purchase of such Investment Products, you will not be entitled to any such Investment Products.
 - (C) You further acknowledge that, in placing the Purchase Order, we may, if we have received purchase orders from other clients for the same Investment Products, aggregate your Purchase Order with such other purchase orders and place a combined purchase order. We reserve the right to place your Purchase Order or sell to you only if your Purchase Order, when combined with such other purchase orders, reaches or exceeds such minimum as we may require.

- (ii) You acknowledge that neither we, nor any Investment Company which receives a Purchase Order from us, are/is obliged to accept such Purchase Order in whole or in part and neither we nor the Custodian are responsible or liable in any way:
- (A) to ensure that the relevant Investment Company allots the Investment Products or that the Investment Product is otherwise procured; or

Where relevant, such Investment Products and Statements shall be registered in the name of the Custodian, as custodians for and on your behalf.

- (iv) If we place a combined purchase order in accordance with paragraph (i)(C) above, then we will procure that the Custodian will, upon issue of the relevant Investment Products, allocate the Investment Products between the various purchasing clients including yourself, in such proportions as we may determine.

If the amount of the Investment Products purchased by you is smaller than any applicable minimum denomination, you acknowledge that you will only hold an interest in a fraction of the Investment Product. As a result, you may not be able to carry out any sale or transfer of the Investment Products prior to maturity, unless we have combined orders for sale or transfer of that Investment Products that meets the minimum denomination requirement.

- (v) Upon any redemption or sale of Investment Products under our Investment Product Services, we will procure that the Custodian credit to your Settlement Account the proceeds (net of any fees, charges or expenses incurred in connection with redemption or sale) received for the redemption or sale of the Investment Products.

- (B) we are unable to obtain instructions from you to our satisfaction on such Investment Products at the end of such period,

we have the right to redeem, sell or otherwise dispose of all such Investment Products and close the Investment Product Account.

In such event, we are entitled to either:

- (1) credit the proceeds of such Investment Products into your Settlement Account (if still subsisting); or
- (2) send a cashier's order for the amount of such proceeds (less costs incurred by us) by post to your last address in our records;

and our obligations are deemed to be discharged upon crediting your Settlement Account or sending such cashier's order.

- (viii) You agree to indemnify us against all Losses arising, whether directly or indirectly, in connection with any short selling of Investment Products by you, including legal fees on a solicitor-client basis.

- (ix) If, at any time and for any reason, any Investment Company or any relevant authority instructs the Custodian, as registered holder of any Investment Products, to divest itself or otherwise dispose of any such Investment Products in accordance with any laws or regulations, or any terms and conditions governing the Investment Products, we shall promptly seek your instructions as to how (subject to these Rules and Regulations) you wish to proceed.

If no instructions are received within the allotted time and/or a satisfactory course of action cannot be agreed with the relevant Investment Company or authority within any time period specified for this purpose, we shall:

- (A) procure the Custodian to redeem, sell or otherwise dispose of the relevant Investment Products; and
- (B) credit the proceeds to your Settlement Account.

- (h) Disbursement and Receipt of Moneys

- (i) Upon giving us an Instruction for any dealing in any Investment Product, you may select the Account which you wish us to debit for all funds due from you in connection with that Instruction ("Payments"). However, this does not

apply in the case of Equity Investments, where you agree that all Payments shall be debited from the designated Settlement Account.

- (ii) If you do not indicate an Account for debiting Payments, you agree and irrevocably instruct that the Payments are to be debited from your relevant Settlement Account.
- (iii) Where any Payments are not immediately payable, you irrevocably authorise us to place a stop order at any time after receipt of such Instruction, at our discretion, to earmark such amount of funds in the relevant Account as we may estimate as necessary in relation to such Instruction.

We may further adjust this earmarked amount following notification from the Investment Company, Broker or other relevant party of the exact amount of the Payments due. The said amount shall be earmarked until the Payments have been settled and / or it is confirmed to our satisfaction that the Instruction cannot be effected.

- (iv) Following any Instructions for purchase of Investment Products, and whether or not we have earmarked any funds as authorised in paragraph (iii) above, you are not entitled to withdraw or otherwise utilise from the Settlement Account the amount estimated by us as required to settle the purchase, unless and until we are notified that the Instruction to purchase cannot be executed for any reason, subject always to our rights of set-off.

Accordingly, we are irrevocably authorised, regardless of any provision of any other agreement or arrangement between yourself and us, to:

- (A) refuse to honour or allow any withdrawal from the Settlement Account and/or to delay in taking any such action, during any period between our receipt of Instructions to purchase the Investment Products and the payment of all relevant funds for the purchase;
- (B) apply the money in the Settlement Account towards settlement of any sums payable in relation to any Investment Product purchase, in priority to any other instruction from you; and
- (C) determine at our absolute discretion the priority of payments to be made, in the event there is more than one Instruction for purchase of Investment Products and there are insufficient funds to pay for all of them.
- (v) You irrevocably and unconditionally authorise and instruct us, the Broker and the Custodian to pay all proceeds (including profits and contra gains) from any dealings in your Investment Products, under the Investment Product Services, into your Settlement Account.
- (vi) We reserve the right to require that a particular Settlement Account be designated only for the Investment Product Services, or for a specific part of the Investment Product Services. If we impose such a requirement, you agree that you must open an Account of such type and under such terms and conditions, as we may deem appropriate, as the relevant Settlement Account.

If you do not do so, we may refuse to extend the Investment Product Services, or that part of the Investment Product Services, to you.

- (vii) Settlement Accounts shall be in the same currency as that of the relevant Investment Product, Securities Exchange or clearing house.
- (viii) Subject always to the provisions of paragraphs (ix) and (h)(ii) below, we shall make the following payments from your relevant Account without need for further instructions from you, and you authorise us to make such payments:
 - (A) upon your purchase of any Investment Products under the Investment Product Services, and for payments in connection with the registration of such Investment Products in the name of the Custodian;
 - (B) for your payment, whether to us, the Custodian or to anyone else, of all taxes, fees, disbursements, charges and expenses properly payable by you, pursuant to these Rules and Regulations or in respect of the acquisition, holding or disposal of any Investment Products; and
 - (C) for any payments in connection with the switching of Unit Trust Investments or redemption of Investment Products held on your behalf.

- (ix) You agree at all times to maintain sufficient funds in your relevant Account for the purpose of carrying out any purchase of Investment Products on your Instructions (including Regular Investments), and/or for paying any fees, costs or other expenses which you are liable to pay under these Rules and Regulations.

You agree that, if at any time there are in our reasonable opinion (having regard to other payments debited or due to be debited) insufficient funds in your relevant Account for these purposes, we may:

- (A) decline to place the relevant Purchase Order on your behalf;
- (B) force-sell any Investment Products acquired for you;
- (C) (at our sole discretion and without any obligation on our part to do so) transfer funds as necessary from any other accounts maintained by you with us without need for your further instruction or consent; or
- (D) advance on a loan basis, at our sole discretion in accordance with Syariah principles, the necessary funds to you for the purpose of fulfilling the Purchase Order or paying such costs, fees or expenses ("Advance") and debit your Settlement Account with the amount of such Advance.

In this event, upon our demand you shall settle the debit balance on your Settlement Account to the extent that such debit balance arises by reason of the Advance.

If you fail to comply with our demand, you agree that we are entitled to do any or all of the following, at our discretion:

- (1) procure that the Custodian redeems, sells or otherwise liquidates (upon such terms and conditions as shall seem reasonable to us) such number of your Investment Products held by the Custodian as is necessary to discharge the debit balance attributable to the Advance or any other outstanding Advances made pursuant to this clause and that the Custodian remits the proceeds to your Settlement Account.
 - (2) set-off such debit balance or increase in debit balance on your Settlement Account against any credit balance or balances which you may have in any other accounts with us, without need for your further instruction or consent.
- (x) We shall, subject to the provisions of these terms and conditions, hold in your Settlement Account:
- (A) all cash we receive from you or for your account for the purposes of acquiring Investment Products;
 - (B) all cash which we and/or the Custodian receive for your account from the disposal or redemption of any such Investment Products; and
 - (C) all income and other payments received in respect of Investment Products held on your behalf pursuant to these Rules and Regulations.

If the Settlement Account is no longer subsisting at the time of any proceeds, income or other payments in respect of your Investment Products becoming payable, we may credit such payments to any other Account where you are the only legal and beneficial owner(s) in our records.

If there is no such Account maintained with us, we may issue a cashier's order for the amount of such payments (less any costs incurred by us) and send it by post to your last address in our records. Our obligations shall be deemed to be discharged upon sending such cashier's order.

(i) Custody of Investment Products
