

How to Activate Breeze Mobile Banking App

Activate Breeze Mobile in 5 simple steps!

Step 1

Go to the App Store on your mobile phone; Google Play or Play Store for Android devices; Blackberry World for Blackberry devices and App Store for Apple devices.

Step 2

Search for Breeze mobile app using the keyword “Breeze Nigeria” and tap on “Install” to download.

Step 3

After installation, tap on the Breeze Mobile icon on your mobile phone to launch the app.

Step 4

Call 012704611-4 or email Nigeria.Digitalbanking@sc.com for your mobile PIN (mPIN). Your username is your mobile number written as 234XXXXXXXX (for instance 2348012345678)

Step 5

If you do not have a smart phone, dial *389*068# and input your mPIN (refer to step 4 on how to get mPIN). You will be prompted to enter default mPIN two times before you change to a personal PIN.
