Huda Allawati

CEO office Manager

Huda Allawati is a senior executive personal with leadership competences over 19 years of experience operating at CEO, Chairman, and Board level across leading global and national institutions, including Standard Chartered Bank, Oman Shell, and Petroleum Development Oman (PDO). She currently serves as CEO Office Manager at Standard Chartered Bank Oman joined in October 2023, where she partners closely with the CEO and CMT to drive strategy execution, governance, and enterprise-wide alignment.

In her role, Huda leads the CEO Office, oversees Board and CMT governance, and plays a central role in business planning, strategic communications, and stakeholder engagement. She also leads in-country Corporate Affairs, Communications, Branding, and Digital Media. Additionally, Huda enhances the franchise exposure by managing public, government, and corporate relations, further planning private and high-level dinners and client engagements, and managing events. She is instrumental in the development of creative content and agendas, and she emcees events both internally and externally, ensuring seamless execution and impactful engagement across all platforms.

Huda served as the Business Planning Manager for Oman, where she played a pivotal role in shaping the strategic direction and operational efficiency of the business. She was responsible for developing comprehensive business plans that aligned with the company's long-term goals, analysing market trends, data, and competitive landscapes to inform her strategic recommendations. Additionally, Huda oversaw the preparation and submission of country-specific reports and documentation, coordinated with various departments to gather necessary information, ensured regulatory compliance, and presented accurate and timely submissions to authorities. Her strategic insights and meticulous planning significantly contributed to the company's growth and success in the region. Beyond her corporate career, Huda is an entrepreneur and SME advocate and was co-founder of two local entities that got national recognition: Ice Cream Mama (F&B) and ProGroup (a digital art and media agency), supporting SME growth and innovation.

Huda holds BSc in Information Systems as Major and Minor in Multimedia from QUT, Australia, and MSc in Creative Media Technologies with Computer Animation and Special Effects from University of Bradford, UK.
