### Standard Chartered Bank Philippines wins at the 2024 Global Finance Awards

**19 June 2024** – Standard Chartered Bank (SCB) won Best Bank for Cash Management in the Philippines at the 2024 Global Finance's World's Best Treasury & Cash Management Systems & Services Awards highlighting the bank's leadership position in transaction banking for product development, breadth of coverage and service excellence.

The oldest international bank operating in the Philippines for 152 years, SCB continues to invest in platforms and capabilities to promote greater efficiencies and innovations to their cash management services and digital solutions to deliver optimal client experience.

In selecting the winners, Global Finance used a multi-tiered assessment process—which included entries from banks and providers and input from industry analysts, corporate executives, technology experts and independent research. A variety of subjective and objective criteria were considered, including profitability, market share and reach, customer service, competitive pricing, product innovation and the extent to which organizations have successfully differentiated themselves from their competitors around core service provision.

SCB Philippines Head of Transaction Banking KC Huang- Hernandez said, "We are honoured to receive this recognition from Global Finance. This continues to inspire us to keep on evolving our suite of digital banking solutions to support our clients in their digital transformation journeys."
