- The depositor must deposit in both time deposit THB account and FCD account on the same day by exchange the fund from local currency during 1 October - 30 November 2010

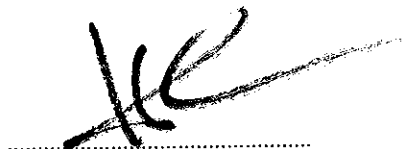

- The depositor can deposit into time deposit THB account up to the THB equivalent amount deposited into the FCD account. The depositor will receive special interest rate as announced by the bank and will still rely on and comply with the term and condition as stated on the bank's announcement.

- The depositor must open the time deposit account and deposit with the minimum amount as specified the bank for each currency

- When the deposit period(s) for each tenor have matured, the bank agrees to pay the interest from the deposit amount to the customer based on the "Two Currencies Time Deposit" interest rate for each tenor as on the bank's announcement and the conditions for the "Two Currencies Time Deposit" interest rate for each tenor shall be ended. If the customer still wants to renew in time deposit, the customer will get the interest rate based on the normal time deposit rate regarding tenor and rate as announced by the Bank on the maturity date and also under the terms and condition as stated by the bank.

5. The Bank reserves the right to offer rates higher than announced to retail customer(s) as the Bank deemed appropriate

6. This announcement is being in force for H.O. and every branches on and from 28 March 2011 onwards until further notice
