Standard Chartered Bank (Thai) Pcl.

THB Deposit Rates (Percentage per Annum) for Wholesales Banking Clients

Effective Date 20 March 2014

Wholesale Banking Deposit Agreement

1. The previous interest rates shall be applied to deposits which are placed with the bank before this announcement until maturity.
2. No interest shall be paid to deposits of which the agreed terms and conditions are not fulfilled.
3. Corporates refer to Global Corporates and Local Corporates as defined by the Bank.
4. Institutions refer to commercial banks, financial institutions or other institutions as defined by the Bank.
5. For Current Value Plus Account, the bank will pay periodic interest on monthly basis on the last date of the period.
However, interest payment is calculated from the day after the last interest payment to the following maturity date.
6. Current Value Plus Account is not allowed to subscribe Overdraft Facilities except Corporates and Institutions clients who use services - Domestic Notional Aggregation, Cross Border Notional Aggregation and Sweeping.
7. For Saving Account, the bank will pay periodic interest on monthly basis or semi-annual basis on the last date of the period.
However, interest payment is calculated from the day after the last interest payment to the following maturity date.
8. For all BIBOR Deposits, the bank will pay interest to customer on its maturity date and in case that there is a withdrawal prior to the maturity date with tenor less than 3 months, the bank will not pay any interest. For a withdrawal prior to the maturity date with tenor more than 3 months, the bank will pay interest according to Normal Saving rate and based on number of deposit days that customers deposit with the bank.
9. For all BIBOR Deposits that have tenors different from the above table, the bank reserves our rights to offer rate according to the prevailing market rate.
10. The Bank of Thailand (BOT)'s BIBOR is Bangkok Interbank Offered Rate which is the Bank Average Loan Interest Rate specified by BOT. This average interest rate comes from cutting the highest and lowest rate and using the rest to calculate the average. This interest rate will be determined at 11.00 am every working day and distributed by BOT at 11.15 am on BOT Website http://www2.bot.or.th/FinMarkets/Bibor/bibor_th.aspx and Reuter page "BOT 101"

For BIBOR Deposits, the Bank will use previous day BIBOR rate.

For example, interest on BIBOR deposits tenor 3 months can be calculated as following:

BIBOR Rates as of 14 March 2014 (Rates can be changed everyday).

Tenor	Rates
1 week	2.03000
1 Month	2.08000
2 Months	2.12385
3 Months	2.17231

Standard Chartered Bank (Thai) Pcl.

THB Deposit Rates (Percentage per Annum) for Wholesales Banking Clients

Effective Date 20 March 2014

6 Months	2.27462
9 Months	2.40000
1 Year	2.51562

Therefore, interest on BIBOR deposit tenor 3months is:

$$\text{Interest} = 10,000,000 \times (2.17231\% - 1\%) \times 92 / 365$$

$$= 29,548.64 \text{ THB}$$

11. * For Non-Resident Account (Type: Saving Account), Bank reserves the right to pay interest at the rate of 0.10% for only Non-Resident Baht Account (NRBA) or Special Purpose Non-Resident Baht Account (SNA) that client already got approval from Bank of Thailand (BOT) to receive interest.
